

Waterways Ireland Canal Strategy:

Terre Duffy: Waterways Ireland

Waterways Ireland's work includes Operational Programmes and Business Development Programmes which are supported by Technical, H&S, Environment & Heritage, Finance, IT, Strategy & Policy, Human Resources and Marketing & Communications.

In addition to their own programmes Waterways Ireland works in strategic alliances with different partners across the navigations including 14 Local Authorities, Fáilte Ireland, the Lough Derg Marketing Group, Destination Athlone, Destination Fermanagh and others.

Waterways Ireland is currently undertaking a public consultation roadshow which will finish with the Dublin leg in Q4 2018.
