Dear Oonagh,

At the July monthly meeting of Carrickmacross-Castleblayney Municipal District Council, the following notice of motion was unanimously adopted by the members:

"In light of what has been one of the worst droughts ever, this MD now calls on the Minister for Agriculture to immediately make hardship funding available to assist the farming community given the severe shortage of fodder quantified by some as up to 5 million tonnes. This will not or cannot be made up now with at least 60% of the growing season already passed".

The members have requested that this motion is circulated to each local authority for their consideration and support.

Is mise,

Carrickmacross-Castleblayney MD
