Report to Arts, Culture and Recreation SPC

10th September 2018

Item No. 8

Report on Artists Workspaces.

As the SPC is aware there has been a standing committee on the deficit in Artists Workspaces consisting of the Department of Culture, Heritage and the Gaeltacht, The Arts Council and Dublin City Council's Arts Office and Development Department. There is also a subcommittee of the Arts, Culture and Recreation SPC (Cllrs. Moynihan and Byrne). Both committees are seeking to locate sites that may be suitable for capital investment to build these workspaces.

Recently the Assistant Chief Executive has identified that sites under consideration by these committees may be eligible for the Urban Regeneration Development Fund and a draft application is currently being prepared for consideration by the Development Department.
