

DUBLIN CITY COUNCIL
CENTRAL AREA COMMITTEE
11th September 2018

Motion in the name of Councillor Christy Burke

That the Committee agrees that guidelines should be drawn up for Housing Advisors when there is interviews in place with housing applicants, that the interview be in line with a policy that is applicant friendly.

Motion in the name of Lord Mayor Nial Ring

That the Committee fully supports the objective of the Committee for the commemoration of the Irish Famine Victims (CCIFV) to establish a permanent stand alone exhibition to An Gorta Mor in the National Museum of Ireland in Collins Barracks.

Motion in the name of Councillor Ciaran Cuffe

That this Committee provide the following changes to tackle litter in the North Inner City:

1. Employ more good old-fashioned street sweepers as our numbers of front-line staff are down 20% since 2012.
2. Increase the frequency of litter bin emptying and place the emptying rota on the side of the bin along with a freephone number and email address in case of problems.
3. Encourage litter reporting via the @DubCityCouncil Twitter feed or a new Dublin City Litter Twitter and Facebook account.
4. Reinstate the schedule on the Dublin City Council website that showed whether streets were cleaned daily, weekly or monthly.
5. Require the double bagging of commercial waste in areas prone to seagull attacks
6. Instruct waste companies to provide smaller bins or caddies to smaller households and older people so that they have an easy-to-use alternative to wheelie bins.
7. Reform our parking regulations working with the Department of Transport so that we can restrict parking on one side of the street on one day a month to allow our street cleaning trucks to make a clean sweep of roadsides.
8. Improve our illegal dumping CCTV so that the batteries are solar charged, and the imagery is sent wirelessly to our offices instead of requiring mobile cranes to insert batteries and download images.
9. Make greater use of CCTV warning signs and blurred image from CCTV to discourage littering.
10. Ensure that the QR codes system on our litter bins is fully operational so that the public can report full or graffitied bins.
11. Distribute two free 'pooper-scooper bags' envelopes and an information leaflet when people apply for or renew their dog license, and increase the amount of bins for dog waste
12. Better publicise the Dublin City Council Litter hotline 1800 248 348 and email litter.central@dublincity.ie and ensure that litter complaints made by email or new media are responded to once tackled."

Motion in the name of Councillor Gaye Fagan

That this Committee calls for the long over due plans for the East Wall Recreation Centre to commence. This Centre caters for a lot of children in the community. The centre is old and its grounds are not safe due to the roots of trees lifting. New play equipment is also required.
