

## **Motions to the Area Manager October 2018**

### **Motion in the name of Councillor Christy Burke**

That the Committee agrees to plant a tree in Liberty Park, Railway Street, Dublin 1, in memory of the late James Gunnery, who was a resident of Foley Street and was a great man in the community in times past.

### **Motion in the name of Councillor Christy Burke**

That the Committee would consider naming the new development at Liberty House after Christina Caffrey, (in agreement with the family) who was the youngest child killed in 1916 and lived in Corporation Place at the time.

### **Motion in the name of Councillor Ciaran Cuffe**

That this Area Committee pilot an underground glass recycling facility within the central area as is common in many other countries, perhaps outside the railings of Mountjoy Square or nearby as the area between the Fruit Markets and North Strand has no glass recycling (see <https://www.repak.ie/for-home/facilities-search/>).

### **Motion in the name of Councillor Ciaran Cuffe**

That this Area Committee seek to retain the last remaining early 'Monto' houses on Railway Street, Dublin 1 and requests a Conservation and Archaeology Report from the Dublin City Planning Officer, Conservation Officer and Archaeologist on their history, current state and potential for re-use.
