GDA Report – November Area Committee

Culture Night

Over 150 people came through the GGDA site on 21st September to take part in a host of activities happening across the site for this national event. These ranged from:-

- Public art tours in the recently opened HSE Primary Care Centre
- Performance marking the centenary vote for women
- Demonstrations of 3D printing in DIT's Creative Arts workshops
- Short film screenings of four of our public art programme's community-based projects
- Poetry readings and launch of *Crocasmia x*, a project working with asylum seekers in Ireland
- An exhibition and food tasting as part of an exploration of culinary heritage in the Grangegorman area.
