

## **MOTIONS TO THE AREA MANAGER**

**NOVEMBER 2018**

### **Motion in the name of Councillor Ciaran Cuffe**

That the Committee agrees with the Irish Society for the Prevention of Cruelty to Children's request, that children who are living in temporary accommodation, due to homelessness, shall be allowed free access to our leisure centre facilities and shall take steps to provide for this to occur.

### **Motion in the name of Councillor Ciaran Cuffe**

That the Committee requests the Area Manager to work with our Planning Enforcement Section and An Garda Síochána to take action against Private Moments on 20 Lower Dorset Street to stop them from showing pictures of young partially dressed women in their windows just a few metres away from our housing, and 200 metres away from the Sisters of Charity Primary School on Gardiner Street.

### **Motion in the name of Councillor Ciaran Cuffe**

That this Committee request the Area Manager seek a meeting with the Grangegorman Development Agency to receive an update on, and progress plans for the Grangegorman Swimming Pool as provided for in the Strategic Development Zone and report back to this committee subsequently.

### **Motion in the name of Councillor Ciaran Cuffe**

That this Committee write to the HSE seeking clarification from them on their plans and timelines for reusing their vacant and derelict properties at Adelphi House, 153 North Circular Road; Grangegorman Lower and elsewhere in the North Inner City

### **Motion in the name of Councillor Gary Gannon**

That this Committee commits to improving the look of Sean O'Casey Avenue. In particular, the railings which divides the Avenue has become an eyesore and presents a poor reflection of the community. The Council should design a more appropriate structure that can suit the needs of the community that live around this railings.

### **Motion in the name of Councillor Ray McAdam**

That this Committee agrees that the refurbished homes in St. Mary's Mansions be renamed as Gregory Court after the much loved local T.D., Tony Gregory who represented the communities of the North Inner City both in Dublin City Council and the Oireachtas for many years.

### **Motion in the name of Councillor Janice Boylan**

That this Committee calls on the Manager to engage fully with the O'Devaney Consultative Forum and the community in relation to the naming or renaming of O'Devaney Gardens. And I am requesting that we hold a public consultation process for this where people can submit their ideas and suggestions. Further to this consultation process any decisions made around this will only be implemented with the full support of the O'Devaney Forum and the community.
