

Motions to the Area Manager  
Central Area Committee  
December 2018

**Motion in the name of Councillor Christy Burke**

That the Committee receive an update on the turn around on vacant units in the area and if a timescale would be put in place for an 8 week turn around in order to prevent delays off a family signing for a home.

**Motion in the name of Councillor Ciaran Cuffe**

That this Committee notes with concern the failure to implement much-needed safety measures at Mountjoy Square in the lifetime of this Council and seeks the urgent provision of fully signalised pedestrian crossings and speed reduction/traffic calming measures at all junctions at Mountjoy Square

**Motion in the name of Councillor Ciaran Cuffe**

In the light of the proposed redevelopment of Dalymount Park that this Committee affirms its commitment to the continued use of the Phibsborough Library building as a community facility and that a report on its future use be sought from the Chief Executive

**Motion in the name of Councillor Ciaran Cuffe**

That this committee shall pilot the use of 'participative budgeting' for 10% of next year's Discretionary Budget

**Motion in the name of Lord Mayor Nial Ring**

Having regard to the facts that the Mater Hospital has the busiest emergency department in the country, has the most modern emergency, radiology and critical care programme in the country, has the largest number of single rooms in the hospital system, has capacity to expand and is staffed by the most dedicated and caring professionals, this Committee fully endorses the IEHG (Ireland East Hospital Group) nomination of the Mater Hospital to become the Major Trauma Centre in Dublin.
