With reference to a proposal to initiate the procedure for the Extinguishment of the Public Right  
of Way over a section of Grenville Lane, Dublin 1

---

**Proposal**

A request to have the public right of way extinguished over a section of Grenville Lane, Dublin 1 has been made. The reason for this extinguishment is to eliminate anti-social behaviour in the laneway. The extent of this proposed extinguishment is shown on the attached Drawing.

**Service Checks**

A service check will be undertaken to establish what (if) any are located on these areas. Suitable arrangements will be put in place prior to completion of this proposal.

**Statutory Requirement**

The statutory procedure involves giving public notice of the proposal in one or more newspapers circulating in the City and the affixing of that notice at each end of the right of way for a period of not less than 14 days. Any objections or representations made and not withdrawn shall be considered. The extinguishment of a public right of way is a function reserved to the elected members of the City Council.

**Recommendation**

I recommend that procedures be initiated under Section 73 of the Roads Act 1993 to extinguish the public right of way over the area indicated on attached Drawing.
