Dublin Community Clean-Up Day

Dublin Community Clean-Up takes place on Saturday 27th April 2019, proudly supported by the four local authorities.

Building on the success of previous calls to action – Dodder Action Day, Dublin Canals Action Day, Team Dublin Clean Up and Dublin Waters Action day – this year all have come together to make this Dublin's biggest volunteer clean-up on our streets, canals, rivers, mountains and coastline.

Dublin City Council will provide all the equipment necessary, i.e. bags, litter pickers and gloves and will collect all the bags after the clean-up.

We are asking all Community Groups, Residents Associations, Pride of Place Groups, Tidy Towns, Environmental Groups, Businesses, Schools and individuals to be part of the action.

To register now visit www.dublincommunitycleanup or contact the South East Area office at southeast@dublincity.ie.

All groups will be entered into the City Neighbourhoods Competition 2019 and could win a Prize of €1,000.
