**Re: Housing Allocations Report to Councillors.**

In the context of the housing waiting list and the growing requirement by Councillors to have information and statistics on the makeup of the list, waiting times, stock and housing options the Allocations Officer has proposed that, the Housing Allocations Section will present a comprehensive Report to each area committee on a quarterly basis, commencing in July this year to ensure that Councillors are kept informed.

It is proposed that this Report will include the following information:

- The number of applicants on the housing and transfer list broken down by housing area, band, category, waiting time, family size etc.
- The number of applicants housed by housing area, category, waiting time,
- the dwelling type into which applicants were housed and
- Any other relevant statistical information.

The Report will also include an update on housing schemes nearing completion (both City Council and Approved Housing Bodies) and any other allocations matters that might be of relevance to City Councillors.

There have been several similar type enquiries received regarding various housing options that the City Council operate such as older applicants downsizing to older persons accommodation, the financial contribution scheme and the Tenancy Protection Service to assist applicants in retaining their rented accommodation. It would be hoped that the Reports would be a useful reference guide for all such schemes and be a useful means of communication for all allocations related topics and changes or improvements in the delivery of housing services to housing applicants.

It would be hoped that such reports would remove the need for the increasing volume of requests for statistics on a weekly if not daily basis. The replies to these questions, which can sometimes be very detailed, are very demanding to collate given limited staff resources.

Therefore, following the first report, any other suggestions or information required by any of the Councillors can be incorporated into these reports into the future, and contact from any of the City Councillors regarding information they would like included or any other suggestions they may have in this regard would be welcomed.
