

**Report to the Chairperson and Members  
of the Transportation  
Strategic Policy Committee**

**Report on**

**Timelines, prioritisation and funding regarding the projects included in Draft Dublin City Development Plan 2016-2022.**

The Chairperson has requested further information to be provided on timelines, prioritisation and funding for the transportation projects listed in the draft Dublin City Development Plan 2016-2022. This information cannot be provided at this time as the draft Plan is currently on public display and the project list may change as a result of public consultation.

Implementation of any project carried forward to the Dublin City Development Plan 2016-2022 will be dependent on the availability and/or allocation of capital funding during the lifetime of the Development Plan.

**Brendan O'Brien,  
Head of Technical Services  
Environment and Transportation Department**
