Dear Lord Mayor,

Greetings from the Indian Embassy!

It was a great pleasure meeting with you during my introductory call a few weeks back. I was encouraged by your positive energy, pragmatism and enthusiasm to take our bilateral relationship forward.

One of the issues discussed was installation of the bust of Mahatma Gandhi, the prominent Indian freedom fighter, at a prominent venue in the Dublin City Centre. As you are fully aware, India and Ireland share historical bonds in relation to our freedom struggle movements which helped us to collaborate against the same colonial power. This year is the 150th Birth Anniversary of Mahatma Gandhi and it will be befitting to have the bust installed in Dublin City, as has been done in several cities throughout European Union. The gesture will also highlight the multicultural spirit of Dublin, bringing out its inclusivity and diversity.

I will be very grateful if the proposal could kindly be advanced appropriately. The Embassy is committed to providing all the counterpart support. I look forward to hearing from you.

May our collaboration grow From Strength to Strength!

Kind regards,
Yours sincerely,

(Sandeep Kumär)
