Brief Summary	<p>I attended the opening on Friday evening, (attended by German Ambassador & from time to time by Minister Peter Charleton - the next 3 days of talks focused on Brexit, N. Ireland & climate change. I made comments on each of 3 hour presentations online & included photos taken with speakers. I was the only F.F. councillor to attend.</p>	
Recommendations	<p>This was my first time and I am very glad I attended. I met the potential new sponsors and I believe that this 39 year old event will grow ^{event more} and is very relevant to all local authorities, govt & opposition parties - I recommend I attend in 2020 and need to book arrangements this year.</p>
