Motion in the name of Councillor Colm O'Rourke

That the Central Area Committee agrees to request that bike stands be erected at both ends of the shops at Kinvara Park (Navan Road area).

Motion in the name of Councillor Cieran Perry

That the Central Area Committee calls for a co-ordinated response from Dublin City Council to the various issues reported in Ventry in Cabra. DCC are currently working on a redesign of Ventry Park in consultation with the local residents and legacy issues such as street cleaning, damaged paths, unmaintained trees and playground cleanliness are undermining the effectiveness of the consultation.

Motion in the name of Councillor Cieran Perry

That the Central Area Committee, as part of the effort to find suitable locations around the area for permanent greening rather than just planters and baskets, calls on the Manager to investigate the possibility of using the New Cabra Road area as a trial. The Cabra Road Residents Association have produced a discussion document on proposed tree planting which may be useful. I have sent a copy of this document to the Manager

Motion in the name of Councillor Anthony Flynn

That the Central Area Committee supports the upgrade of the children's playground at Portland Place and that the immediate area be cleaned and made safe for the children to play in.
