1	7006440		Double Yellow Lines (Extend)	EWINGTON LANE (SC)	Dublin 8	dyls be extended to cover the top part of the cul-de-sac.	Recommended	SR Recommended - After a site visit, the Area Engineer noticed that there is a problem with cars parking on Ewington Lane on Basin street and that stat # 14533 needs to be extended Stat – Stat # 14533 needs to be extended across the top of the Cul de sac for approx. 8m in a westerly manner. 2	7009185		Right Turn Filter Light	SAINT LAURENCE ROAD (SC)	Dublin 20	Filter light for turning right onto Chapelizod Bridge Road.	Not Recommended	Regarding St. Laurence Road @ Chapelizod Bridge please note that there is insufficient road width for a dedicated right turn filter lane and associated signal. However, the following measure to assist these right turners was implemented in June 2019. Specifically, ITS programmed and installed a new program to alter the operation of the traffic signals at this junction so as to apply an early cut off green to the traffic entering the junction from the Lucan Road direction. In practice, this means that the vehicles entering the junction from St. Laurence's Road will have a green light for a longer period than those entering the junction from the opposite side, thereby facilitating the road users seeking an acceptable gap in traffic to turn right from St. Laurence's Road to Chapelizod Bridge. ITS will continue to monitor this change via our SCATS and CCTV systems.	Internal	17/05/2019	0
3	7009413		Yellow Box	WALKINSTOWN AVENUE (SC)	Dublin 12	Yellow box for exit from Bridgecourt Office Park.	Recommended	SR Recommended - After a site visit, the Area Engineer noticed that there is a problem with cars blocking the entrance to the Bridgecourt office Park complex on Walkinstown Avenue. Unfortunately it doesn't meet the criteria for a yellow box but I think it would warrant a "keep Clear" road marking. Install a "keep Clear" box outside the entrance to the Bridgecourt office Park complex on Walkinstown Avenue	Member of the Public	28/05/2019	0
4	7009878		Children Crossing Sign	TYRCONNELL PARK (SC)	Dublin 8	Request for Children Crossing Sign and also Cul-de-Sac Sign	Recommended	SR Recommended - After a site visit, the Area Engineer would recommend the installation of a Children Crossing sign. The sign should be provided at the entrance to Tyrconnell Park from Tyrconnell Road. On the same site visit it was noticed that Tyrconnell Park is a large housing estate and has only one Cul de sac. A Cul de sac sign is in place already outside house number 51	Councillor	24/06/2019	0

5	7009934		Traffic Calming	SANDFORD AVENUE (SC)	Dublin 8	some traffic calming measures at the top of Sandford Avenue where it meets Donore Avenue	Recommended	SR 7009934 Sandford Avenue at junction with Donore Avenue, Dublin 8. Traffic calming junction at junction of Sandford Avenue and Donore Avenue Reply: Sandford Avenue is too short to introduce speed bumps/ramps the suggestion of providing planters located at the beginning of the parking bays is not a viable option as there are already double yellow lines in place at this location. Having parking bays located on either side of Sandford Avenue should deter speeding. However, Traffic Calming is recommended in the form of Two 30km/h roundels to be marked on either side of Sanford Avenue as follows: Locate two 30km/h rondels (M 108) First located opposite property No.1 for vehicles travelling towards Sandford Gardens. Second 30km/h roundel located opposite property No.37 for vehicles travelling towards Donore Avenue.	Member of the Public	26/06/2019	0
6	7010914		Double Yellow Lines	NEW IRELAND ROAD (SC)	Dublin 8	between 47 and 49.	Not Recommended	SR not recommended It is not DCC policy to introduce parking restrictions where restrictions are already covered under the law. Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) (g) in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises; (i), it is illegal to park on a footway, a grass margin or a median strip” Infringements of the Act should be reported to the Gardai or Dublin Street Parking Services Ph.6022500 for enforcement under the law. 7	7011753		Disab Park Bay Residential	RIALTO STREET (SC)	Dublin 8	DPB for No.15	Recommended	SR recommended – After a site visit it was noted that there was a high demand for parking in the area. For this reason I would recommend a disabled parking bay outside number 15 Rialto Street. Stat – install a disabled bay parallel to the kerb centred outside number number 15 Rialto Street.	Member of the Public	09/10/2019	0
8	7012293		Traffic Calming	KILWORTH ROAD (SC)	Dublin 12	to stop speeding.	Recommended	It is not recommended to add more ramps to this stretch of road. Recommended to introduce Traffic Calming in the form of a “Children Crossing” sign and “slow” road markings outside 89 kilworth road. Recommended to install a “Children Crossing” sign W 142 accompanied by two “Slow” road markings. The “Children Crossing” sign and the “slow” road markings should be provided on the eastern side of the carriageway outside 89 Kiworth road facing traffic coming from the junction of Kilworth/Cooley Road.
