

Motions to the Area Managers
Central Area Committee meeting
14th January 2020

Motion in the name of Councillor Christy Burke

That the Central Area Committee agree to arrange with Irish Rail to install a plaque to honour the late volunteer John Kinsella at the wall on Stoney Road, North Strand. John's former home was 3 – 4 Spencer Street. John was a Fianna boy and was an active volunteer at Dublin Brigade IRA in the War of Independence.

Motion in the name of Councillor Christy Burke

That the Central Area Committee agree to send their congratulations to DCC Parks Department regarding the installing off Christmas trees in the area and to thank all involved.

Motion in the name of Councillor Nial Ring

That the Central Area Committee request the Chief Executive to examine and report back to us on the feasibility/possibility of opening the Readymix Site on East Wall Road on a temporary basis (until plans for its development are in situ) for use as community based facility such as farmers market, stalls etc. or even as a park and ride facility to alleviate the excessive parking on the streets in the area.

Motion in the name of Councillor Janice Boylan

To have the manager immediately start a decent window and door replacement scheme for the many DCC tenants living in horrendous conditions. If it was a private landlord we would be condemning them. In particular the tenants of Queen Street the so called new builds. The windows and doors are in bad need of replacement. And telling tenants who pay their rent that nothing can be done is not acceptable.
