Naming and Numbering Proposal for a new development and a house on a site located to the rear and side of No. 54 the Laurels, Inchicore Road, Kilmmainham, Dublin 8, (Planning No. 2738/19).

This naming proposal refers to a residential development of 16 apartments to the rear of the site and a single house at the front of the site at the above address as indicated on the attached site location map. The naming proposed for the apartment development is:

The Laurels (Na Labhrais)

The name 'The Laurels' is already in use on the existing building No.54 which contains 9 apartments and it is considered appropriate to use the same name on the enlarged site.

It is proposed that the single house at the front of the site which is adjacent to the existing line of houses on Inchicore road should be numbered **52A Inchicore Road**.

The Heritage Officer and the Environment and Transportation - Roads & Traffic Department have deemed the proposed name and numbering as appropriate for this development.

The naming: The Laurels (**Na Labhrais**) and numbering of the house as **52A Inchicore Road** is considered suitable and is recommended for adoption.
