**With reference to a proposal for the
extinguishment of the public right of way over part of the lane
to the rear of 1 to 24 Rathdown Road, Phibsborough, Dublin 7.**

Proposal

A request to have the public right of way extinguished over part of the lane to the rear of 1 to 24 Rathdown Road, Phibsborough, Dublin 7 has been made.

The reason for this extinguishment is to eliminate littering and anti-social behaviour in the laneway. The extent of this proposed extinguishment is shown on the attached Drawing RM - 37516.

Statutory Requirement

By public advertisement, dated the 17th day of June 2020, representations or objections were invited to be received by or before the 29th day of July 2020. The site notices were erected on the June 17th 2020.

No objections have been received to date.

Service Check

A service check has been carried out and no service provider will need to alter the current services on or under the referred lane.

Accessibility arrangements, for such service providers, shall be made through the Central Area Office or those private customers that are engaged with that service provider(s).

Recommendation

I recommend that this Area Committee approve the extinguishment of the public right of way over the area shown in the attached drawing, by consideration later by the City Council.

The extinguishment of the public right of way is a function reserved to the City Council.
