

Resource Management Climate Change Outcomes

No.	Action	Time Frame	Lead Department(s)	Indicators
R1	Monitor and enforce waste regulation	Ongoing	WERLA and Waste Regulation	Environmental Performance Assessment from EPA
R2	Assess waste in Council buildings and plan actions	Ongoing	Facilities Management, EMWR	Assessment completed
R3	Run staff recycling awareness campaign	Ongoing	Facilities Management, Waste Management Services	% of staff recycling
R4	Identify areas in need of civic amenity sites and waste transfer stations	Ongoing	EMWR	# of areas identified Report published
R5	Apply for LAPN (Local Authority Prevention Network) grants	Ongoing	Waste Management Services and EMWR	# of grants for waste related projects applied for
R6	Create Stop Food Waste campaign for businesses and schools	Ongoing	Local Enterprise Office, Waste Management Services, EMWR	Campaign developed and implemented
R7	Promote Reuse Month annually	Ongoing	Waste Management Services, EMWR	# of promotional activities
R8	Promote programmes to advise businesses on reducing waste e.g. Eco-Merit	Ongoing	EMWR, Local Enterprise Office, Waste Management services	# of businesses participating
R9	Promote recycling and the circular economy to householders through a range of workshops, talks and programmes	Ongoing	EMWR, Waste Management Services	# of workshops and attendees
R10	Continue to work with the Rediscovery Centre to promote sustainability	Ongoing	Environment and Transportation	# of collaborations
R11	Research and implement sustainable procurement guidelines	2019	CARO, Procurement, Codema	Research complete, findings implemented

LITTER & RECYCLING IN THE PUBLIC REALM				
R12	Run anti-dumping and-anti-litter campaigns	Ongoing	Waste Management Services, Communications	# of campaigns
R13	Support and promote litter clean-up days and initiatives	Ongoing	Waste Management Services, An Taisce	# of days
R14	Solar Compactor Bins provided in City	2018 onwards	Smart Dublin, Waste Services, Roads	# of smart bins added, reduction in waste collections
R15	Mapping and tagging of City bins	Ongoing	Waste Management Services	# of bins tagged and mapped
R16	Identify areas in need of recycling infrastructure	2019	Waste Management Services	Areas of need identified
R17	Develop pilot projects for recycling	Ongoing	Waste Management Services	Pilots developed
R18	Engage with relevant stakeholders and deliver an energy efficiency, circular economy and sustainability training programme targeting micro and small enterprises	2019	Local Enterprise Office	SME sign up and roll out training programme
R19	Investigate introducing a leaf composting programme across the City	2019	Waste Management Services, Roads, Parks and Biodiversity	Composting programme introduced, # tonnage of leaves diverted to composting
R20	Support and promote Tidy Towns/Green Schools/City Neighbourhoods initiatives and Local Agenda 21 Initiatives	Ongoing	Waste Management Services, Area Departments	# of participants yearly
R21	Develop sustainability guidelines and terms and conditions for any events supported, facilitated or organised by DCC	2019	Waste Management Services, Events Unit, DCC Climate Change Team	Guidance produced, # of events with sustainability terms and conditions
R22	Review terms and conditions for all events approved by DCC to incorporate possible sustainability conditions	2019	Waste Management Services, Events Unit	Guidance produced on terms and conditions

R23	Any events supported, facilitated or organised by DCC will not permit balloon or Chinese lantern releases	Ongoing	Waste Management Services, Events Unit	# of events
R24	DCC to consult with the events industry on alternatives to non-compostable single use food and beverage containers at DCC events	2019	Waste Management Services, Events Unit	Consultation undertaken and submissions received
R25	DCC to select an appropriate event as a pilot to trial alternatives to non-compostable single use food and beverage containers	2019	Waste Management Services, Events Unit	Event selected and trial undertaken
R26	Phase out the use of single use plastic cups from all DCC canteens and replace with the use of ceramic cups and personal reusable cups	2018/2019	Waste Management Services	No single use plastic cups in use in all Dublin City Council canteens
R27	Identify pilot locations for water access points	2019	Environment and Transportation	Sites identified
R28	Host and select sites for the Composting Demonstration using Master Composter EPA Stop Food Waste Programme or similar programme to assist sustainable gardening and management of landscaping waste	Ongoing	Parks and Landscape Services, CRES	# of sites
R29	Continue to investigate best practice in street recycling facilities	Ongoing	Environment and Transportation	Report produced
R30	Explore collaboration with stakeholders such as Refill.ie to reduce single use items	2019	Environment and Transportation	Feasibility assessed
WATER CONSERVATION				
R31	Implement water conservation campaign in civic buildings	Ongoing	Facilities Management	% reduction in water consumed
R31	Develop and implement an education programme to tackle climate issues related to the water sector	2027	Water Framework Directive Office	education programme established
RESOURCE MANAGEMENT - ACTIONS AWAITING BUDGET				
R33	Investigate the introduction of green street cleaning; use biodegradable cleaning agents	2019	Waste Management Services	% of cleaning agents replaced
R34	Develop sustainable construction waste policy	2020	Housing, Architects	Policy developed and implemented

R35	Trial of low flush toilets in Council headquarters and social housing	2020	<i>Architects</i>	<i>Trial completed</i>
R36	Research feasibility of rainwater harvesting in Council buildings and social housing	2019	<i>Architects</i>	<i>Feasibility study completed</i>

Responsibility	Q1 Outcome
Padraic Lalor	We are on track with out Waste Targets as set out in the RMCEI Plan for 2020 for Q1
Fionnghuala Ryan	Plan completed. Assesment underway in Civic Offices, Palace Street, Smithfield and Marrowbone Lane

Q2 Outcome

We are on track with our Waste Targets as set out in the RMCEI Plan for 2020 for Q2

No progress in Q2 due to COVID 19 restrictions

Plan to roll out staff awareness currently underway, socially distant methods of delivery being investigated.

No further progress has been made on this action due to Covid 19 restrictions.

No further progress has been made on this action due to Covid 19 restrictions.

The Relove Fashion competition, which is a reuse competition for secondary schools, will coincide with reuse month 2020. Students will have until the 30th October to submit their entries to the competition.

Workshops currently suspended due to social distancing restrictions. New methods of delivering Housing Waste Project workshops being investigated.

Currently partnering with The Rediscovery Centre on the Relove Fashion Competition for secondary schools. Paint reuse scheme established in DCC Bring Centres.

Dublin Community Clean-up day did not take place this year due to COVID 19 Restrictions. Support was provided by DCC for communities involved in the National Spring Clean which was held in June 2020.
Mapping of existing recycling infrastructure underway. Gap analysis to take place once complete.
Due to COVID 19 restrictions, arrangements are being made to put in place an alternative City Neighbourhoods Awards for 2020. 42 schools awarded green flags this year to date. Working on ways to deliver planned workshops for schools remotely. CEAF- 81 projects supported under current scheme, some delayed due to Covid-19, others such as school workshops will now be delivered remotely where possible.
As Q1
As Q1

Restrictions are in place to ensure balloon and chinese lanterns are not in use.

All applications to distribute merchandise in the city are now forwarded to the Litter Management Office in the first instance. Due to COVID 19 restrictions, all events in Dublin City were cancelled and will open for business on 10 August 2020. Continue to liaise with individual companies to advise them on how to reduce their waste and improve their sustainability.

All events were cancelled due to COVID 19 restrictions. Contact will be made with event organisers when events resume.

As Q1

We had planned to partner with Fingal County Council to deliver the Master Composter course to a group of school teachers - this did not proceed but will be followed up in September

Projects suspended due to COVID 19 restrictions.

Q3 Outcome

We are on track with our Waste Targets as set out in the RMCEI Plan for 2020 for Q2

No progress in Q2 due to COVID 19 restrictions

Plan to roll out staff awareness currently underway, socially distant methods of delivery being investigated.

At final draft stage and early Q4 will see report published.

Funding for two projects was applied for in partnership with Rediscovery Centre and a number of LAs. Project 1 involved Wicklow, Meath, Fingal, South Dublin and DCC working with the Rediscovery Centre to develop a number of local collection points for the Rediscover Paint programme and a related promotional campaign. Project 2 was a joint application in South Dublin and Dublin City, once again working with Rediscovery Centre to develop a series of high profile events to inform and educate the public on reuse and repair. Both 2020 funding applications were unsuccessful. We are currently investigating alternative ways to develop/fund similar projects.

No further progress has been made on this action due to Covid 19 restrictions.

The Relove Fashion competition, which is a reuse competition for secondary schools, will coincide with reuse month 2020. Students will have until the 30th October to submit their entries to the competition.

Modos programme in place to promote circular economy measures in business / 3 regional waste offices developing commercial waste reduction campaign particularly focused on food retail

Workshops currently suspended due to social distancing restrictions. New methods of delivering Housing Waste Project workshops being investigated.

Currently partnering with The Rediscovery Centre on the Relove Fashion Competition for secondary schools. Paint reuse scheme established in DCC Bring Centres.

Research is complete. Drafting of quick guide to green procurement for DCC staff is in progress. Currently identifying replacement staff to complete the project.

Dog Fouling Litter Campaign run in Q1. Delayed further roll out of phase 2 of campaign due to Covid 19 restrictions
Dublin Community Clean-up day and National Spring Clean did not take place this year due to COVID 19 Restrictions. Support for local community clean ups where social distancing measures and Covid 19 guidelines adhered to is ongoing . Over 2000 community clean up service requests completed in 2020
Currently over 300 units installed. Additional 10 units due to be installed in area surrounding botanic gardens. Recycling units due to be trialled as part of Circle City project. Data Dashboard being developed to assess efficiencies and use of bins.
All 3200 plus bins tagged and service is operating well with good participation from public engaging with QR code system. Examining extending project to recycling banks.
Mapping of existing recycling infrastructure underway. Gap analysis to take place once complete.
On street recycling campaign implementation delayed due to Covid 19 - provisional launch now mid Oct 2020.
Modos programme in place to promote circular economy measures in business.
Leaf Composting programme introduced and ongoing for all street sweeping operations. In excess of 800 tonnes of leaves diverted to compost in 2019. Compost now being made available to community groups by waste management services.
Due to COVID 19 restrictions, city neighbourhoods awards are being carried out locally through the area structure. 42 schools awarded green flags this year to date. Work is ongoing on ways to deliver planned workshops for schools remotely. CEAF- 81 projects supported under current scheme, some have been delayed due to Covid-19, others such as school workshops will now be delivered remotely where possible.

All applications to distribute merchandise in the city are now forwarded to the Litter Management Office in the first instance. Due to COVID 19 restrictions, all events in Dublin City were cancelled. Continue to liaise with individual companies to advise them on how to reduce their waste and improve their sustainability.

All events were cancelled due to COVID 19 restrictions. Contact will be made with event organisers when events resume.

As Q1

Ongoing discussions are underway on how we can deliver master composter training to local communities during the covid 19 period.

On street recycling campaign implementation delayed due to Covid 19 - provisional launch now mid Oct 2020. We are continuing to liaise with Hubbub examining successful approaches taken to the introduction of on street recycling.

Projects suspended due to COVID 19 restrictions.
