**Crime Prevention
Matters and Other
Information**

(A) Operation **Thor**, **Creep** and **'Hi Viz'** have contributed to operations, with designated checkpoints being carried out by both uniform and plain clothes units, which have helped in the detection of crime and high visibility policing throughout the **Raheny/Clontarf Sub-districts**.

(B) Investigations into major incidents are ongoing and there have been several successful operations, as well as **successful Court Prosecutions** in this quarter.

(C) **Anti-social behaviour** is being tackled through targeting local amenity areas, namely local Parks and beaches throughout the District during the summer months and there are also several areas being designated as **'Hot Spots'** and through high visibility policing, whether it is members on foot patrol or on Mountain bike patrol have led to successful increase in Public Order detections throughout the District. Through consultation and liaising with Irish Rail there is also the re – commencement of Dart Patrols on the 15th of June 2020 throughout the J District.

Call back initiatives have been put in place for persons who are victims of **Burglary incidents, Domestic Violence incidents and Sexual Assault incidents** and a Domestic Violence officer has been appointed. The victims of crime are visited and given crime prevention and security advice from members, this has proven to be quite successful and greatly appreciated by the persons' concerned.

An **'Older Person' strategy** has also been developed the District by Community Policing members.

(D) There are **5 Garda Reserves** allocated to Raheny/Clontarf Sub - Districts and Policing of amenity areas required an increase in Garda Resources at varying times in the summer to help Police the area.

(E) There is **1 Sergeant and 10 Gardaí** attached to Community Policing which were redeployed to the core units for the Contingency Roster.

They have all Neighbourhood watch schemes in operation in their designated areas, they are all ELO trained and Mountain Bike Operatives.

Community Policing in the J District has played a pivotal part in reassuring the Community and providing services to the vulnerable members of Society that would not ordinarily fall within the scope of Policing in ordinary times. Whilst the community policing members were redeployed to the core units they are encouraged at every opportunity to continue the community links. The resilience in terms of strength of numbers on core units allowed the Continuation of Community Policing.

The J district featured in a number of media reports highlighting the positive work being done by frontline members of An Garda Síochána within their Communities.

(1) During the early stages of the restrictions, communication was made via local social media groups (Facebook / what's app / Email lists / Neighbourhood watch groups / business associations / Garda Twitter and Facebook sites). Emails and communications were forwarded to these groups with general advice regarding precautions to be taken and setting out what An Garda Síochána could do to help people within the Community. Community Policing members conducted leaflet

Gardaí provided a consistent and reliable service to Meals on wheels during this time</p> <p>(3)Vulnerable persons book – Community Policing members accumulated the names and addresses of vulnerable people living across the district. This information was gleamed from Neighbourhood Watch groups / Community Groups and through nominations etc. These people were checked on by Community Gardaí on a weekly basis.</p> <p>Requests for assistance were also recorded in the vulnerable person's book. Community Policing members assisted these people with shopping / prescription collection/ Pension collection / transporting people to medical appointments / dog walking / DIY and the odd bit of gardening. Extensive work was done by all Gardaí in the District and continues to be done.</p> <p>(4)Lifting the Communities Spirits during this time was an integral part of the Community Policing role. Gardaí across the district attended and helped celebrate Birthdays / Anniversary's / Funerals etc., for both young and old. Over the Easter weekend members delivered hundreds of Easter eggs and bunches of flowers to residents on behalf of local Community groups and businesses. Members went to great lengths to help encompass a community spirit, purchasing Birthday cakes / cards / flowers for these individuals to help celebrate their event.</p>
