

Priorswood – Men’s Shed

Madeleine Ebbs, Area Community Development Officer has been in contact with George Finglas, Priorswood Men’s Shed, and while they are very anxious to have a space they can call their own, and know that DCC have been very supportive in their endeavours to find one, they appreciate that at the moment, indoor meetings of any kind are not permitted under COVID restrictions.

After the lifting of the past restrictions, it was arranged that they could use, temporarily the Glin Boxing Club during the day, they were very happy with this arrangement in the interim.

I will follow up with Derek on some ideas I have in relation to this, but as we all know we do not have lots of empty buildings at our disposal at any given time.

Madeleine Ebbs, Area Community Development Officer
