

**To the Chairperson and Members  
Of the Central Area Committee**

## **COMMUNITY AND SOCIAL DEVELOPMENT REPORT**

### **CABRA / GLASNEVIN AREA**

**November 2020**

Although Covid has seriously restricted community activity levels,

the community team is supporting all community groups during these difficult times.

Senior citizen groups are prioritised, especially those groups that are providing hundreds of hot meals each week.

The Covid Emergency Helpline is also monitored on a seven day basis by the team.

#### **Halloween.**

Our spring flowers and bulbs programme planned for the morning of Halloween, has been deferred to late November as a result of Covid Level 5.

This major project involves over 50 local groups.

However, the City Council is supporting limited Halloween activities at St. Oliver Plunkett's and St. Finbarr's G.A.A. Clubs.

The community team is also monitoring the area for any potential bonfires.

#### **Good News.**

Phibsborough has been named one of the world's coolest neighbourhoods, edging neighbouring Stonebatter off the list by Time Out Magazine.

The City Council works closely with...

Phibsborough Tidy Towns, Phizz Fest, Bohemians F.C. and all the local residents and traders.

## Community Celebrations.

Naomh Fionnbarra bring the Senior Hurling Championship and Intermediate Championship Cups to well known Etherson's Butchers, Cabra Road.

## Phibsboro Cat Rescue

This wonderful group, supported by the City Council, are located near the main entrance to Bohemians Football Club.

The Rescue group request that people stop using bangers....the loud noise causes serious problems for our pets, including dogs.

## **Faussagh Avenue / Road**

Major improvements are almost complete.

Pencil shaped barriers outside Gaeilscoil Bharra, have been added to the number of improvements completed recently.
