Dear Mr Keegan

At the October meeting of Council a number of Members expressed their acute disappointment at the demolition of 40 Herbert Park, the former home of Michael Joseph O'Rahilly. During discussion, Members spoke of the historical significance of the property and the strong links it had to many in the Mid Ulster district.

The meeting resolved to write to Dublin City Council and express its support for the call for the reconstruction of the property.

Yours faithfully

Councillor Cathal Mallaghan
Chair
