**With reference to a proposal for the extinguishment of the public right of way  
over lane that is to the rear of the dwellings at Goldsmith Street, Berkeley Road, Saint  
Vincent's Street North and North Circular Road in the City of Dublin.**

---

**Proposal**

A request, to have the public right of way extinguished over a lane at the rear of 45 to 54 Goldsmith Street, 22A to 37 Berkeley Road, 2 to 9 Saint Vincent's Street North and 386 to 396 North Circular Road has been made.

The reason for this extinguishment is to eliminate anti-social behaviour and the dumping of litter and waste over the referred lane. The extent of this proposed extinguishment is shown on the attached Map RM 37539.

**Statutory Requirement**

By public advertisement, on the 29th day of October 2020, representations or objections were invited to be received by or before the 11st day of December 2020. The site notices were erected on the 29th day of October 2020.

No objections have been received to date.

**Service Check**

A service check has been carried out and no service provider will need to alter the current services on or under or over that part of the referred lane.

Accessibilities arrangements, for such service providers, shall be made through the Central Area Office or those private customers that are engaged with that service provider(s).

**Statutory Procedure**

The extinguishment of a public right of way is a function reserved to the elected members of Dublin City Council.

**Recommendation**

I recommend that procedures be initiated under Section 73 of the Roads Act 1993 to extinguish the public right of way over the area indicated on attached Drawing RM 37539.
