Proposed Demolition of Dolphin Park, Dolphin's Barn, Dublin 8.

SITE LOCATION AND LAYOUT

Planning Ref 2173/21

Following initiation of the Part 8 process at the South Central Area Committee meeting on the 9th of December 2020, Housing and Community Services Department lodged a Part 8 application on the 8th of February 2021 for the demolition of the three existing older persons housing blocks (units 1-44) at Dolphin Park, Dolphin's Barn, Dublin 8.

The period for submission of observations ended on 22nd of March 2021.

There were no third party observations made to the planning authority regarding this Local Authority Works application. Internal DCC Departments made no objections to the proposed development subject to conditions, which are noted.

The conclusion and recommendation of the Planner's report is:

It is considered that the proposal will assist in facilitating the redevelopment of the subject site and, subject to compliance with the recommendations set out below, it is considered that the proposed development would not seriously injure the amenity of property in the vicinity and accords with the City Development Plan and the proper planning and sustainable development of the area.

Accordingly, the City Council is advised to approve the proposed demolition subject to the requirements of our Transportation Planning Division and Drainage Division.

As approval of a Part 8 application is a reserved function of the Elected Members of the Council, it is our intention to bring the proposal to the June 2021 Council Meeting for formal approval.
