**To Each Member of the  
Climate Action, Energy and Environment Strategic Policy Committee**

In November 2019, the Climate Action, Environment & Energy SPC agreed the draft Posters Protocol.

The Law Department has since advised that all references to insurance requirements should be removed from the Posters Protocol.

The latest draft Posters Protocol to replace the existing Protocol of January 2020 is now submitted for approval.

Date changed to: xx/xx/2021.
