

Annual Report and Accounts 2020

The draft Annual Report and Accounts 2020 has been prepared in accordance with Section 221 of the Local Government Act 2001.

The adoption of the Annual Report and Accounts is a Reserved Function.

The Annual Report and Accounts 2020 is now presented and recommended for adoption by the Chief Executive.

Resolution:

In accordance with Section 221 of the Local Government Act 2001 the Annual Report and Accounts 2020 as recommended by the Chief Executive is hereby adopted.

Owen P. Keegan

Chief Executive, Dublin City Council

2nd June 2021

DUBLIN CITY COUNCIL
ANNUAL REPORT AND ACCOUNTS 2020

Lord Mayor's Welcome

It was a great honour to be elected the 352nd Lord Mayor of Dublin in June 2020 and become first citizen of Dublin, and be the 9th woman to hold the post.

Last year and this have been unprecedented years in the history of the nation. We have been facing one of the most difficult challenges we have ever had to face. There has been so much loss and grief. But there has been incredible bravery and resilience. Throughout the year I have seen the best of the people in our capital. I have admired the public's willingness to rise to the challenges during these darkest of times. Seeing the ethos of the workers of Dublin City Council, HSE and other state and voluntary organisations who have worked together to help the citizens of Dublin.

We owe everyone especially our frontline staff our gratitude. In particular I would like to thank the staff of Dublin City Council who have adapted to the challenges they have faced throughout the year. From those who continued working on the ground to keep the city moving to those who adapted to working from home. Thank you all.

The pandemic has led to us changing how we move and the impact of that on the city. With the need for social distancing a new range of COVID Mobility works were implemented around the city. I was delighted to support the COVID Mobility team on various projects this year and would like to thank them for their hard work and patience. The end of 2020 saw the review of the City Development Plan and public consultation starting where members of the general public, businesses, resident's associations and community organisations were invited to have a say to influence the preparation of the new Development Plan for the City. The city has fundamentally changed due to the pandemic and this is an essential juncture on how we make sure we have a city that we all can live, play and work in, for the young and old. I look forward to everyone's continued engagement over the next two years on this important document.

It was a year that required changes in every organisation, this office, the office of the Lord Mayor was no different. We adapted and reformed the role to be more focused on working practically on projects with Dublin City Council, to be more open as the First Citizen as Dublin and also to engage in different ways. There have been many changes to the role and I thank the staff in this office and all City Council staff for their willingness to work with me during this tumultuous time.

I revised the Lord Mayor's Awards for my term of office to acknowledge work done by those who went above and beyond during this difficult year. Unlike previous years we opened nominations to the public and each month we had a selected frontline category with a winner to award to. So far we've awarded some incredible individuals in nursing homes, transport services, retail services and hospital services. We will continue to award people right up to the end of my term. This year will be the first time we will have Lord Mayor's Youth Awards to recognise the contribution by young people during this pandemic and I have also created a Special Recognition award for those who may not have been on the frontline but have gone above and beyond.

Homelessness remains an urgent issue during the pandemic and with the support of Dublin City Council housing manager and Councillors from cross parties I have set up a Homeless Task Force. The objective was to provide practical steps to be implemented in the short to medium term which would have a direct impact on the issue of homelessness. The task force met weekly and gathered research and recommendations from service users and service providers to identify gaps in the current

system. A report with five key asks, along with an outline of arterial asks were presented to the Minister for Housing Local Government and Heritage Darragh O'Brien TD on 11th December 2020. We subsequently met the Minister and have been able to start implementing one of the key asks. To make sure the work continues even when I have left office we have successfully, with the support of management and the members of the Housing Strategic Policy Committee transitioned the Lord Mayor's Homeless Task Force into the Housing SPC as a subgroup. This will ensure the recommendations and requests provided to the Minister will continue to be worked on.

My other key pillar for my term was to ensure we fight discrimination, this as you may all know is particularly close to my heart. My mother first came to Ireland over 45 years ago and she would have very much welcomed what we are trying to do right now in terms of an Integration for Dublin City Council. We are embarking on a new iteration of the Integration Strategy which forms part of our public sector duty. It has been a particularly rewarding part of my role this year to meet the team weekly to help build this strategy. The hard work that has been fed in by the team and also by members of Dublin City Council staff have been fantastic to see.

Other areas I have been focusing on include the economic impacts of COVID-19 and what we need to safeguard and plan for as we transition out of this crisis. I am honoured to have been asked to be part of Minister Catherine Martin's Night Time Economy Task Force and to Chair the sub-group to identify International Best Practices. A proposal and possible pilot programmes will be forthcoming. Women's health especially that of maternal health has also been an area I've been working on, from working with others to try to get supports for pregnant mothers to pushing Dublin to become a breastfeeding capital, we have a lot of work to do.

I am delighted that Dublin witnessed another historic occasion with the Dubs breaking barriers and winning 6 in a row Senior Championships with the Dublin Ladies celebrating 4 in a row wins. Although we couldn't attend Croke Park in person or travel to Merrion Square for a homecoming, all Dubliners joined together in cheering them on and the City Council were delighted to acknowledge the win through lamp banners around the city, lighting the Samuel Beckett Bridge with the Dublin GAA Crest and the broadcast of a homecoming interview. We also made sure to bring joy where we could by having the Christmas festivities on the forecourt of the Mansion House and produced a special '12 Days of Christmas Carol'. It is essential during these challenging times that we remember all those we lost and I will be commemorating lives lost to COVID-19 by having special memorial benches in locations north and south of the city, my thanks to the Parks Department for their support in the project.

Running a city needs a strong City Council, and I thank all my fellow elected Councillors, the Chief Executive Owen Keegan and all the staff of Dublin City Council for their support, hard work and continued commitment to our City, its citizens and our future. We will persevere and we will build for better.

Thank you.

Hazel Chu
Lord Mayor of Dublin

Introduction of the Chief Executive

The past year has been a very challenging year for Dublin and its citizens, on so many fronts. The COVID-19 pandemic is continuing for much longer than we had initially expected. It is also having a serious adverse impact on the Dublin economy in general and especially on the economy of the city centre because of its reliance on the retail, tourism and hospitality sectors.

The end of COVID-19 restrictions will see an inevitable economic rebound. Indeed the underlying strengths of the economy combined with pent up consumer demand are expected to result in a strong economic performance, once restrictions are eventually eased. However, there is considerable uncertainty regarding the extent to which office based employment, physical retail activity and tourist numbers, all of which are crucial to the economy of the city centre, will recover. Despite commercial rates waivers, and a range of other Government supports, there is also a concern regarding the longer term viability of a significant number of businesses especially small businesses that depend on these sectors.

The COVID-19 pandemic demonstrated very clearly the capacity of the Council and its workforce for innovation and flexibility. The COVID-19 induced changes implemented by the City Council included:

- Migration to over 80% remote working, by office based staff in a matter of days.
- Immediate closure of public counters and public access to City Council buildings, while generally maintaining customer service levels.
- Switching all Council meetings 'on-line' and
- The re-organisation of Council's outdoor workforce into 'pods' to minimise the impact of COVID-19 cases among staff members and to ensure services were maintained.

The net effect is that the vast bulk of Council services have continued to operate through the pandemic with the exception of services whose closure has been mandated by COVID-19 restrictions. The maintenance of service levels would not have been possible without generous financial support from Central Government, which compensated the City Council for lost revenue and increased expenditure due to COVID-19.

Highlights of the year include the following:

- The Council's Local Enterprise Office saw a strong increase in demand for the 'Trading On-Line' Voucher and for new products such as the 'Business Continuity' Voucher. The Finance Department introduced an on line system to manage the "Restart" and "Restart Plus" grants for rate-payers.
- In response to the pandemic, Dublin City Council and the National Transport Authority (NTA) jointly published "*Enabling the City to Return to Work, Interim COVID Mobility Intervention Programme for Dublin City.*" This programme set out a framework of proposals and innovations to address the sustainable mobility needs including the roll out of a large number of cycling and pedestrian priority measures across the city.
- 2020 was challenging for new social housing delivery due to COVID-19 restrictions, which caused serious delays in construction. There was a substantial increase in homes acquired through either direct purchase or long-term leasing. This trend is set to continue in the year

ahead. Innovations included switching to virtual inspections during Level 5 restrictions. The Social Housing Waiting list reduced by 12% in 2020.

- The Dublin Region Homeless Executive (DRHE) maintained all its services with no disruption. A series of measures were implemented to minimise the incidence of COVID-19 in emergency accommodation. At the end of December 2020, there were 755 families in emergency accommodation - a reduction of 446 on the start of the year. By December 2020 there were 181 homeless families in hotel accommodation compared with 648 in January 2020.
- Parks played a key role in 2020, remaining open and available as an invaluable resource for the health and well-being of the citizens of Dublin. Despite the pandemic, Dublin City Council achieved 11 Green Flag awards based on international best practice for the management of parks. Work was also carried out to rejuvenate and upgrade the Stardust Memorial Park in preparation for the 40th anniversary of the tragedy. A new skate park was opened in Le Fanu Park, Ballyfermot, which is proving very popular.
- The digital transformation of the library service saw huge growth in the promotion of online content by staff, resulting in an 83% increase in the use of e-resources. New models of service delivery, including 'call and collect' and 'browse and borrow' were introduced and proved very popular. 2020 also saw the donation of the President's personal collection of over 700 books to Dublin City Libraries. Many flagship events moved online, including the International Literary Award which was delivered successfully in partnership with the International Literature Festival Dublin.
- The City Council organised a large number of online events during 2020. Representatives from both Dublin GAA senior football teams were invited to the Mansion House for an online celebration to mark their achievements. The Dublin City Council Winter Lights Festival in December proved to be its most successful yet.

I would like to thank the Lord Mayor and all City Councillors for their support during the year. Finally, I want to take this opportunity to acknowledge the Council staff members that have been affected by COVID-19, having either contracted the virus themselves or who have family members who contracted the virus.

Owen Keegan

John Flanagan City Engineer and Assistant Chief Executive, Environment and Transportation Department

Corporate Plan Progress Report 2020

Goal 1: To work towards achieving a green, low carbon city		
Priority objective	Supporting Strategy	Progress 2020
<p>Improve energy efficiency and reduce green-house gas emissions in Dublin City Council buildings and operations and make Dublin a more climate-resilient City with engaged and informed citizens.</p>	<p>Implement the Dublin City Council Climate Change Action Plan (CCAP) 2019 – 2024.</p>	<p>Significant progress was made during 2020 on the 4 key targets of the Action Plan:</p> <ul style="list-style-type: none"> • The target of a 33% improvement in the Council's energy efficiency by 2020 was exceeded by the end of 2019 with a 36.5% improvement achieved • The target of a 40% reduction in the Council's GHG emissions by 2030 is monitored using a glide path in the DCC Energy Efficiency review. Our retrofitting work, commitment to the Breathelife WHO targets, and transition to more Electric Vehicles in our fleet have given us a solid foundation to deliver on this target • Making Dublin a climate resilient city by reducing the impacts of future climate change-related events is being achieved through cross departmental work on incorporating nature based solutions, improvement to pedestrian and cycling infrastructure, enhancing biodiversity, developing the District Heating Scheme and delivery of flood defences. Resilience is also being increased through citizen engagement to foster behaviour change and build awareness of climate risks and responses • In order to actively engage and inform citizens on climate change, the City Council has engaged with the citizens on various levels and through many networks including: climate workshops with city neighbourhood groups; training for businesses; and, community engagement on greening initiatives. Each is delivering community and climate benefits <p>Progress on each of the 219 actions in the Climate Action Plan is set out in the Annual Progress Report 2020</p>

Goal 1: To work towards achieving a green, low carbon city		
Priority objective	Supporting Strategy	Progress 2020
	Incorporate “green” or nature based surface water retention and treatment systems within all future public realm projects, where feasible, and encourage the adoption of similar practices in private developments.	<p>Cross-departmental work on incorporating nature based solutions was developed and appropriate water retention and treatment systems were considered and included in the design of relevant public realm schemes.</p> <p>A cross-departmental working group on incorporating sustainable urban drainage was established and policy/guidelines documents are in preparation and will be published in 2021.</p>
Work in partnership with adjoining authorities and relevant stakeholders to conserve, enhance and promote the biodiversity of Dublin City.	Implement and review the Dublin City Council Biodiversity Action Plan 2015-2020 and the Dublin City Invasive Species Action Plan 2016-2020.	The use of glyphosate for the purpose of treating of weeds on the road network was last used by the City Council in 2018. Weeds were removed manually in 2019. Since 2020 a new product/ process called ‘ <i>Foamstream</i> ’, made up of hot water, sugar and natural oils, is being used to treat weeds on approximately 280km of the road network. This is being supplemented by the manual removal of weeds.
	Implement and review the Dublin City Tree Strategy 2016-2020.	There are up to 100,000 trees in parks and on the streets in the City. In 2020, a total of 3,588 trees representing 96 species were planted. The Tree Care Budget provides for a planned programme of tree care throughout the city and the implementation of the actions of the Dublin City Tree Strategy.
	Continue to lead the Dublin Bay UNESCO Biosphere Partnership to achieve conservation goals.	A new monthly Dublin Bay Biosphere E-zine was launched in May 2020 to promote the objectives of the UNESCO designation.

Goal 1: To work towards achieving a green, low carbon city		
Priority objective	Supporting Strategy	Progress 2020
Provide robust leadership in advancing climate action at local and regional level and by showing commitment to change in our own practices.	Deliver on our commitments under the Climate Charter for Local Authorities to embed decarbonisation, sustainable development and climate resilience into every aspect of the work we do.	<p>In 2020 we have as per the Local Government Charter:</p> <ul style="list-style-type: none"> a. Delivered our first annual progress report to the Department of Environment, Climate and Communications on the CCAP 2019-2024 b. Exceeded our 2020 energy efficiency target of 33% by 3.8% (36.8%) c. Projects, such as Energy Performance Contracting (EPC), are being progressed to implement energy efficiency measures in council owned and run buildings d. Climate change training for staff through the LGMA/CCMA and Climate Ireland has commenced e. To further our climate leadership ambitions the City Council has partnered with third level institutions and private sector to submit applications for EU Green Deal Call. Additionally, we have engaged with third level to progress a number of actions in the CCAP f. To demonstrate commitment to advancing climate action the City Council has submitted an application to be European Green Capital 2023 <p>The Council also availed of Creative Ireland funding to develop a community engagement project on food and climate change that will launch in 2021.</p> <p>A Background Paper and an Issues Paper were prepared for the Development Plan Review on which public consultation began in December 2020. Inputs were also made to Forward Planning projects and plans and a paper on Decarbonisation was complete.</p>

Goal 1: To work towards achieving a green, low carbon city

Priority objective	Supporting Strategy	Progress 2020
	Put in place a Climate Action Team to lead and coordinate Climate Action across the City Council.	<p>A Climate Action Co-ordinator was appointed during 2020 to lead the City Council's Climate Action Team and work programme which, in 2020, achieved:</p> <ul style="list-style-type: none"> • Continued participation and engagement by representatives on the implementation of climate change actions • Regular meetings of the Climate Teams across the Council to progress implementation of the Climate Action Plan • Partnered with Smart Dublin, LEO, MODUS and Google on a range of externally focused climate initiatives
	Support the Climate Action Regional Office (CARO) and collaborate with neighbouring authorities to ensure it is as effective as possible.	<p>The City Council continued to host the CARO and support their work plan including:</p> <ul style="list-style-type: none"> • Regular meetings with neighbouring authorities • Pilot training for senior staff • Continued support and management of the Climate Action Regional Office on behalf of the 4 Dublin local authorities • Continued attendance at relevant events and provision of advice and input as requested
	Empower communities to take responsibility for their local environments through programmes such as Tidy Towns and Dublin City Neighbourhoods Awards.	<p>The Council continued to work with communities across the City on environmental initiatives including:</p> <ul style="list-style-type: none"> • Encouraging sustainable travel in Dublin City Communities under the City Council Brand - 'Hike it Bike it' • Promoting and supporting Tidy Towns and City Neighbourhood groups. The City Neighbourhoods Awards were run on local basis due to COVID restrictions, with 293 local awards presented across the 5 Administrative Areas • Supporting in excess of 4500 community clean ups • Promote biodiversity initiatives through tidy towns etc. • Engaging schools, residents associations and groups in all Water Framework Directive and Flood Projects • Engaging a total of 291 registered schools in the Green Schools Programme

Goal 2: To build safe, thriving neighbourhoods		
Priority objective	Supporting Strategy	Progress 2020
Deliver quality homes on the required scale.	Deliver on our annual targets for provision of social housing units.	New homes provided by the City Council consisted of: <ul style="list-style-type: none"> • 319 newly built units • 291 acquisitions • 242 homes delivered through leasing
	Renew and regenerate our existing housing stock on a programmed basis.	A total of 922 properties were refurbished under the Voids Refurbishment Programme in 2020. These were made up of 289 Houses, 334 Apartments and 299 Senior Citizens' units. Phase 2 of the Energy Efficiency Retrofitting Programme continued with 35 properties receiving energy upgrades.
	Ensure that new homes and buildings are delivered to required standards through the operation of a rigorous Building Control System for the city.	The City Council continued to provide a comprehensive building control service with a total of: <ul style="list-style-type: none"> • 1,038 commencement notices and 379 disability access certificate applications submitted • 468 Certificates of Compliance on Completion submitted • 608 inspections of active construction sites carried out, with 226 focussed on fire safety • 2 enforcement notices and 1 summary prosecution initiated Over 69% of all new buildings notified as commencing were inspected on site.
	As the lead Local Authority for the National Building Control office, promote a culture of compliance with the building regulations through education and a strengthened inspection scheme.	Dublin City Council's role as lead authority for the National Building Control Office was expanded in 2020 to include the National Market Surveillance Office. Online applications for Fire Safety and Disability Access Certificates came on-stream in 2020. Support was provided to the 31 Building Control Authorities. Quarterly Newsletters were issued and 5,317 customer queries were dealt with.

Goal 2: To build safe, thriving neighbourhoods		
Priority objective	Supporting Strategy	Progress 2020
	Maintain the standard of private rented accommodation through proactive inspection and enforcement of regulations.	<p>Dublin City Council has responsibility for enforcing quality standards in the private rented housing sector and in relation to rented properties on the Rental Accommodation Scheme, (RAS) Housing Assistance Payments Scheme (HAP).</p> <p>From March 2020 because of COVID-19 public health measures, physical inspections were severely curtailed. In order to continue to inspect properties a new and innovative Virtual Inspection Programme was developed and implemented.</p> <ul style="list-style-type: none"> • A total of 3,020 inspections, including re-inspections were carried out of which 1,794 were physical and 1,226 virtual. • Of the 2,224 individual dwellings inspected, 1,737 were found to be non-compliant on 1st inspection and appropriate enforcement was taken in all cases • 1,761 Improvement Letters were issued, followed up with 465 Improvement Notices being served where required. • 10 Prohibition Notices were served • By the end of the year 3446 dwellings were brought up to standard including those where the initial inspection was carried out in 2019 but compliance was achieved in 2020, ensuring safer, healthier homes for tenants
	Transfer remaining recipients of rent supplement to the Housing Assistance Payment (HAP).	In 2020 the total number of HAP tenancies created was 1,655. This figure includes 374 tenancies that transferred from rent supplement to HAP.

Goal 2: To build safe, thriving neighbourhoods		
Priority objective	Supporting Strategy	Progress 2020
Create mixed neighbourhoods that have a choice of housing type and tenure.	Implement robust policy in the Development Plan that supports the creation of mixed neighbourhoods, with a range of housing types, appropriate facilities and services.	<p>Development Plan policy continued to be implemented through the Development Management process.</p> <ul style="list-style-type: none"> • 2,479 valid planning applications were received. • 265 pre-app consultations were held • 90 additional pre-app consultations relating to proposed Strategic Housing Development (SHD) applications were held and a further 40 pre-app consultations were held with An Bord Pleanála relating to SHDs • 31 SHD applications were accepted by the Bord and forwarded to Development Management for the City Council's opinion <p>The Industrial Lands Study (Z6) to assess redevelopment potential of underutilised industrial lands was completed during 2020.</p>
	Deliver and facilitate a range of appropriate social housing types and developments that support people with specific requirements.	<p>In 2020 the total number of allocations to people with a disability was 163.</p> <p>A total of 976 grants were paid out across the Housing Adaptation, Mobility Aid and Housing Aid for Older People grant schemes.</p>

Goal 2: To build safe, thriving neighbourhoods		
Priority objective	Supporting Strategy	Progress 2020
	Implement the Traveller Accommodation Programme 2019 – 2024.	<p>9 capital projects have been completed under the Programme and Fire Safety works and equipment renewal was carried out on all sites.</p> <p>The City Council provided a comprehensive response to COVID-19 for the Traveller community in the Dublin Area including the provision of:</p> <ul style="list-style-type: none"> • running water to over 70 families and authorised electrical connections to 38 families • 25 allocations including 9 Void returns under the COVID-19 response • 2 temporary sites and temporary accommodation was provided for self-isolation purposes • 4 Mobile homes were provided under the Emergency Caravan Grant Scheme to Traveller families in crisis <p>Traveller Accommodation Condition Surveys were complete for all houses and funding applications made to the Sustainable Energy Authority of Ireland for identified works.</p>
	Deliver a range of housing supports to enable people to remain in or acquire housing appropriate to their needs.	The City Council responded to 2,883 Duty Social work calls and received 596 Exceptional Social Grounds applications in 2020. Improvements were made to the workflow processes for dealing with these applications to increase efficiencies and reduce the time applicants are waiting for a decision.
Effectively contribute towards making housing more affordable.	Collaborate with government departments and other key stakeholders to develop the Cost Rental model of housing.	A Design Team was appointed to the St. Michael's Estate development and work commenced on the preparation of a planning application, expected to be lodged in the second quarter of 2021.

Goal 2: To build safe, thriving neighbourhoods		
Priority objective	Supporting Strategy	Progress 2020
	Develop a Housing Strategy informed by a Housing Need Demand Assessment as part of the next Development Plan.	A Housing Strategy will be included in the Draft City Development Plan to be published in Autumn 2021. The Housing Strategy will be informed by a Housing Needs Demand Assessment (HNDA) in relation to housing supply, including the proportion of social housing required and the need for different types and sizes of housing. It was intended to commence preparations of HNDA in 2020 but this was deferred to 2021 due to COVID restrictions.
Address homelessness through three key areas of operation – prevention, protection and progression.	Review and implement the Business Plan for the Homeless Action Plan Framework for Dublin 2019 – 2021 on an annual basis.	The Business Plan for 2020 was developed and implemented in accordance with the Homelessness Action Plan Framework.
	Provide early intervention to people experiencing, or at risk of, homelessness.	1,557 households were prevented from entering homelessness in 2020 through the creation of tenancies.
	Protect people experiencing homelessness through the provision of emergency accommodation and targeted support.	A total of 6,022 persons (4,158 adults and 1,864 children) were residing in emergency accommodation in December 2020, of which a total of 2,900 adults had an active support plan in place.
	Identify and enable pathways to long-term housing solutions, including for rough sleepers through the Housing First programme.	Housing First created 94 new tenancies in 2020 with a total of 336 people in active tenancies at end of 2020.

Goal 2: To build safe, thriving neighbourhoods		
Priority objective	Supporting Strategy	Progress 2020
Play our part in ensuring safety for people in their homes and in the public realm.	Deliver Fire, Rescue and Emergency Ambulance Services to the communities of Dublin City and the counties of Fingal, South Dublin and Dún Laoghaire Rathdown.	<p>Dublin Fire Brigade continued to provide an effective service across the region, as shown in their 2020 incident response times:</p> <ul style="list-style-type: none"> • Average time taken, in minutes, to mobilise Fire Brigades in Full Time Stations in respect of fire: 01:50 • Average time taken, in minutes, to mobilise Fire Brigades in Part-Time Stations (retained fire service) in respect of fire 06:26 • Average time taken, in minutes, to mobilise Fire Brigades in Full Time Stations in respect of all other emergency incidents 02:04 • Average time taken, in minutes, to mobilise fire brigades in Part-Time Stations (retained fire service) in respect of all other emergency incidents 06:50
	Work collaboratively with An Garda Síochána and the Joint Policing Committee to tackle anti-social behaviour and issues of community safety.	<p>The Annual Report of the Joint Policing Committees 2019 was presented to the September 2020 City Council meeting.</p> <p>Topics discussed during 2020 included:</p> <ul style="list-style-type: none"> • Homeless Services (Director, Housing First) • Building Resilient Communities • Halloween Event • Pandemic (Policing and interpretation of guidelines) • Street Issues (drugs, homeless, begging, antisocial behaviour) • Roads Policing • Animal Welfare
	Effectively manage city council housing complexes and estates.	<ul style="list-style-type: none"> • 3,877 complaints were handled in 2020, of which 2,126 related to anti-social behaviour and 1,751 related to other breaches of tenancy • There were 4 evictions under Section 20 of the 1997 Act. A further 36 tenancies were surrendered because of anti-social behaviour or in lieu of court action on anti-social behaviour • There were 10 live tenancy warnings at the end of 2020

Goal 2: To build safe, thriving neighbourhoods

Priority objective	Supporting Strategy	Progress 2020
	<p>Promote the development of a built environment and public spaces which are designed to deter crime and anti-social behaviour, which promote safety and which accord with the principles of universal design.</p>	<p>The Development Management process was utilised to ensure proposed developments aligned with the City Development Plan to ensure a city that is an attractive safe place to live, work, visit and enjoy.</p> <p>Implementation of the Public Realm Strategy and associated Projects are exemplars of good design, utilising Universal Design Principles and promoting an accessible, pedestrian friendly city to be enjoyed by all.</p> <p>All Dublin City Council project designers continued to incorporate these objectives in their designs of buildings and public spaces to achieve a pedestrian friendly city.</p>
	<p>Support community participation in safety and security through our fire, water and road safety education and awareness programmes.</p>	<p>The City Council led a regional innovation challenge to find smarter solutions to address the challenge of 'missing' ring buoys. As a result, 4 companies have developed Apps to alert the local authorities of vandalism and theft of life buoys. These will be trialled in 2021 with a view to providing the best solution.</p> <p>Dublin Fire Brigade continued to enforce and advise on Fire Safety throughout 2020, and fire safety inspections were held virtually and in a social distanced manner. A preliminary Community Fire Safety Strategy was complete and Fire Safety was promoted through social media platforms.</p>
	<p>Prepare for and make co-ordinated inter-agency response to major emergencies at local and regional levels in line with the Framework for Major Emergencies.</p>	<p>Major Emergency structures were reviewed and a renewed Crisis Management Working Group was established to develop coordinated and consolidated City Council Major Emergency Management Plans.</p> <p>Full local authority compliance with all COMAH/Seveso 3 regulations was achieved.</p> <p>COVID-19 restrictions prohibited large interagency exercises during 2020.</p>

Goal 3: To continue to grow a strong, diverse economy		
Priority objective	Supporting Strategy	Progress 2020
Proactively support the creation and strengthening of micro, small and medium sized enterprises in the city.	Provide a range of supports, including a First Stop Shop and the Work Matters Programme, to start-ups and developing businesses.	<p>In response to COVID-19, First Stop Shop and LEO services were delivered remotely immediately following lockdown in March 2020. Local Enterprise Week 2020 was the last physical event held.</p> <p>Throughout the year, the LEO delivered:</p> <ul style="list-style-type: none"> • 2,735 participants on LEO-led training courses • 1,570 mentoring hours allocated to LEO clients • 46 Business Advice Clinics with 883 participants <p>COVID-19 specific supports included 1,305 Business Continuity Voucher applications received, with €1.7million paid out to support Dublin City businesses.</p>
	Provide support to identified economic sectors: <ul style="list-style-type: none"> • Technology • Social enterprise • Green business / circular economy • Tourism • Markets • Food • Design 	<p>Due to COVID-19, Start-Up Grant support pivoted to virtual delivery and additional supports were provided to the tech sector through supports for remote virtual events including Dublin Tech Summit (DTS).</p> <p>All Social Enterprise activities were delivered remotely with 150 participants across all Social Enterprise events including the Social Enterprise Awards ESER collaboration.</p> <p>The MODUS programme grew to a regional and national programme during 2020. 2 MODUS taster sessions and 10 modules were delivered through the Dublin Regional & National MODOS programmes. In addition, the MODUS Programme was recognised and showcased by NOAC as a best case exemplar.</p>

Goal 3: To continue to grow a strong, diverse economy		
Priority objective	Supporting Strategy	Progress 2020
	Identify locations and facilitate the provision of a range of appropriate accommodation for business development including enterprise hubs and co-working space.	<p>Policy planning was undertaken to incorporate issues around the role of enterprise provision in urban regeneration in the pre-draft City Development Plan.</p> <p>The Guinness Enterprise Centre Extension neared completion and is expected to be finished in early 2021, and support was provided to SPADE for the development of new 750 sq. m extension for food businesses incubation space.</p>
Plan and provide for the future economic growth of the city by understanding and responding to new economic trends.	Review <i>Dublin City: Promoting Economic Development 2018 – 2021</i>	The review of the Economic Development Strategy was completed and updated with a 2021 Action Plan.
	Establish an internal Economic Forum to identify items for the consideration of the Economic Development and Enterprise SPC and research projects for third level institutions.	<p>Internal and external stakeholder engagement was a significant part of the successful Reset Summit during 2020.</p> <p>Internal engagement across organisation took place on a range of economic issues including work on EU Programme Strategy development and participation opportunities for the next 7 year programme period.</p> <p>Two SPC Working Groups were established in 2020 – Tourism and City Markets including Night Time Economy; and EU Affairs & International Relations. These working groups included representative members and sectoral members from the Economic Development and Enterprise SPC and the Arts & Culture SPC. Outputs included an EU Programme Participation Strategy 2021 – 2027; and initial development of Night Time Economy Strategy which will be completed in 2021.</p>
	Publish the quarterly Dublin Economic Monitor (DEM).	4 editions of the DEM were published highlighting economic data and the impact Covid19 across the city economy. A tender procurement process was also complete in 2020 and contract awarded for 4 year period and editorial workshops established with 4 Dublin local authorities.

Goal 3: To continue to grow a strong, diverse economy		
Priority objective	Supporting Strategy	Progress 2020
Strengthen the competitiveness of the City Region through continued collaboration with our neighbouring authorities and building on our international connections.	Promote the city internationally as a place to invest, visit and live through Dublin.ie.	<p>Ongoing internal and external stakeholder engagement took place to build awareness of the dublin.ie place branding website.</p> <p>Multiple COVID-19 campaigns were delivered through Dublin.ie including supporting front line workers, support local business, showcasing Dublin as a staycation location, and Open for Christmas campaign with over 200,000 views on social media.</p> <p>International reach was increased through remote virtual events including support of business events and promotion of Hugh Lane Gallery's exhibitions and programmes.</p>
	Strengthen ties with our existing Sister Cities through mutually beneficial initiatives and exchanges and act as first point of contact for city, business and government visiting delegations.	<p>Lord Mayor Paul McAuliffe attended a Tourism Ireland promotion event in London where he was joined by the Lord Mayor of Belfast, approx. 70 key UK and Irish tourism leaders, diaspora contacts the Irish Ambassador to UK and various MP's and dignitaries from the House of Parliament.</p> <p>In early 2020, meetings were held with Embassy Ambassadors, the Lord Mayor's Offices, and the City Council As a result of the pandemic and the impact on international relations, all planned overseas delegation visits were cancelled.</p>
	Review the <i>Dublin Regional Enterprise Action Plan (DREAP) to 2020</i> .	Covid-19 impacted the delivery of some of the DREAP Actions which were outside of the City Council's control. The City Council led on 17 of 24 actions within the Plan throughout 2020, made contributions to DREAP progress reports which were submitted to Government and collaborated with DREAP on the delivery of Reset Summit 2020.
	Continue to lead the Dublin Bay UNESCO Biosphere Partnership to achieve eco-tourism and development goals.	A business charter for Dublin Bay biosphere businesses was supported in 2020.

Goal 4: To promote compact growth with connected infrastructure		
Priority objective	Supporting Strategy	Progress 2020
Take a leadership role in collaborating with city partners to expand and build a more integrated public transport system in the city.	Work with Transport Infrastructure Ireland and the National Transport Authority to progress MetroLink and to facilitate the Bus Connects project.	<p>The City Council has a Bus Connects Team in place to co-ordinate with the National Transport Authority (NTA) as well as internally, especially in the area of Public Realm and drainage requirements. Multiple workshops were held in 2020 to advance designs around each Metro Station and overall traffic management during the construction phase.</p> <p>During 2020, the City Council engaged regularly with Transport Infrastructure Ireland and the NTA to ensure their input to the development management process so that new development sites citywide take cognisance of and provide spatial reservations for Bus Connects and MetroLink projects.</p>
	Deliver cycling infrastructure as part of both Bus Connects and to connect to MetroLink.	The emphasis of the programme has evolved during 2020 to focus on active traffic management, which creates a new complex role for the City Council. The new five year cycle plan will enable better connectivity for cycling to the Metro and BusConnects projects.

Goal 4: To promote compact growth with connected infrastructure		
Priority objective	Supporting Strategy	Progress 2020
	Deliver the Dublin City Centre Transport Study to enable growth in public transport passengers and in active modes.	The City Council focused on College Green and significant delivery of COVID-19 mobility measures, including widening footpaths and trialling pedestrianisation of streets around Grafton Street.
Provide and support a range of alternative and emerging travel options, particularly focused on cycling and walking.	Implement the Dublin City recommendations from the Greater Dublin Cycle network.	<p>Works, both design and construction, continued on multiple projects. The Royal Canal Phase 2 was opened in June 2020 providing an important high quality link from Newcomen Bridge to the Canal Way Cycle Route.</p> <p>Preliminary and detailed designs were progressed on relevant public realm projects to deliver high quality improvements and enhancements to pedestrian space in the City Centre.</p> <p>The reservation of space on private development sites citywide for cycling projects was secured through the development management process.</p>
	Increase the amount of pedestrian space in the city centre and ensure that it is of high quality.	<p>Non-statutory consultation on the Dame Street approach to College Green was concluded during the year.</p> <p>Preliminary and detailed designs were progressed on relevant public realm projects to deliver high quality improvements and enhancements to pedestrian space in the city centre.</p> <p>As part of the development management process, the City Council secured that private developments citywide delivered expanded pedestrian space and high quality public realm.</p> <p>The corporate Public Realm Working Group focused on promoting multi-disciplinary, collaborative working towards implementation of the public realm masterplan for the City core, The Heart of the City.</p>

Goal 4: To promote compact growth with connected infrastructure		
Priority objective	Supporting Strategy	Progress 2020
	<p>Progress the use of mobility hubs and integration of all sustainable modes into a <i>Mobility as a Service</i> arrangement.</p>	<p>The on-street mobility hub remained in operation, now with appropriate bye laws to allow further expansion.</p> <p>During 2020 integrated mobility strategies were developed in collaboration with developers for large development sites/new city quarters across the City area. These strategies included provision of mobility hubs providing an integrated set of services and facilities including shared car and bike schemes, EV and E-bike charging. A similar strategy is in preparation for the City Council's Emmet Road site which is intended to be an exemplar model.</p>
	<p>Continue the development of our intelligent transport systems and the use of data driven decision making for transport planning, incorporating near real time city simulation, bus priority systems and SCATS.</p>	<p>The traffic control system (SCATS) in Dublin continued to be expanded with additional junctions being added. New technology in the form of contactless pushbuttons was introduced. The use of analytics and data driven decision making continued to be a key element in new projects.</p>
<p>Provide direction and vision around digital infrastructure provision to enable the city to capitalise on the opportunities provided by emerging technology.</p>	<p>Encourage and facilitate telecommunications and high-capacity ICT infrastructure in appropriate locations throughout the city as a means of improving economic competitiveness and contributing to sustainable movement by reducing the need to travel.</p>	<p>During 2020, the City Council partnered with the CONNECT Centre and Sligo County Council to publish a discussion document 5G and Future Connectivity: An Emerging Framework for Irish Cities and Towns, sketching options for the rollout of future connectivity in Ireland.</p> <p>In addition, the City Council engaged in market consultation to gather feedback on the development of 5G and future connectivity in Dublin and commenced work on examining ways the City Council can facilitate roll-out of telecommunications infrastructure in the City.</p>

Goal 4: To promote compact growth with connected infrastructure		
Priority objective	Supporting Strategy	Progress 2020
	Consolidate Smart Docklands as a test bed for new technology-related initiatives.	DCC is now supporting three smart districts, Smart DCU, Smart D8 and Smart Docklands. Smart Docklands hosted two Business Forum meetings and supported and participated in a number of innovation webinars in 2020 locally and internationally. The Docklands implemented four pilot projects to promote safer cycling and encourage people to take up cycling, including the Wing Lights project and the Cycle Buddy App. Smart Docklands have also been working with Trinity Connect to develop a Smart City and IOT education programme aimed at public sector and Transition Year students.
	Utilise the existing and new digital infrastructure to ensure that the main corridors into the city are operated in a connected ITS manner to provide managed corridors for buses and to ensure safe and efficient movement.	The use of Bus gates and other bus priority measures in the Bus Connects project, requires the City Council to provide active traffic management measures along each corridor. As part of the engagement with Bus Connects the City Council worked with the NTA regarding the new Automatic Vehicle Location requirements for the bus fleet and its integration with the DCC traffic systems.
	Put in place a trusted digital source for connected and autonomous vehicles and to ensure the presence of high quality digital mapping.	A pilot project with Transport Infrastructure Ireland (TII) on connected vehicles was planned during 2020 and is due to commence in 2021 with the aim of learning more about the technology and being ready to meet the new EU requirements.
Encourage and facilitate sustainable densities and best use of underutilised, vacant and brownfield land.	Review and implement the City Development Plan and related Local Area Plans to secure the best use of the city's land for future development.	The review of the City Development Plan was deferred by 3 months due to COVID-19 and commenced in December 2020. 59 projects were submitted for Urban Regeneration and Development Funding over four concept areas which consisted of the North Inner City, South Inner City, Cherry Orchard/Park West and Belmayne/Clongriffin.

Goal 4: To promote compact growth with connected infrastructure		
Priority objective	Supporting Strategy	Progress 2020
	Facilitate and drive the redevelopment of Docklands Strategic Development Zone (SDZ), Strategic Development and Regeneration Areas and the appropriate redevelopment of industrial land banks.	<p>Various studies, Variations to the City Development Plan and Economic Reports were completed in 2020.</p> <p>Permission was granted for enabling works to facilitate Phase 1 of former Irish Glass Bottle and Fabrizia sites in the Poolbeg West SDZ.</p>
	Promote the best use of land and buildings, including key sites in Dublin City Council ownership, through active land management approaches and effective management of the City Council's commercial property portfolio.	<p>A Disposal Protocol Criteria was approved by the City Council to assist in decision-making in the sale of Council property.</p> <p>The City Council approved a total of 103 disposals and renewed 31 leases/licences. 40 rent reviews and 18 disposals of Fee Simple were processed.</p>
	Encourage living in the city centre through the promotion of quality apartment living.	The City Council continued to promote the Living City Initiative including an advertisement campaign utilising Digi panels, bus shelters and social media and an online application facility was introduced.
Maintain and enhance our public realm providing a connected, universally accessible set of quality public spaces and connections.	Maintain and manage the city's street and footpath infrastructure, public lighting and street furniture to ensure a safe, accessible and quality public realm for all.	<p>Ongoing maintenance activity for public lighting continued and the new LED replacement project being implemented will reduce the number of outages, decrease energy use and also allow for the maintenance of Heritage lamp standards.</p> <p>The Road Maintenance Services' Annual Works Programme was delivered and carriageway resurfacing was completed on circa 25km of road network.</p> <p>Through the development management process, the City Council secured the upgrade/improvement of public footpaths and the delivery of high quality public realm throughout the city.</p>
	Implement the phased programme of projects in the City Centre Public Realm Masterplan 2016 – 2034.	A revised and restructured Public Realm co-ordination structure was put in place to progress project implementation and drive delivery of the Public Realm Strategy and City Centre Masterplan.

Goal 4: To promote compact growth with connected infrastructure		
Priority objective	Supporting Strategy	Progress 2020
	Advance the revised proposals for College Green Plaza	The review of this project is advancing and clarification has been received in respect of relevant transportation issues, including the impact of Bus Connects and the Bus Network Redesign. This will inform the preparation of a new College Green proposal and the re-submission of an appropriate planning application for a new and expanded public space.
	Lead the concept and design processes for key bridge infrastructural projects	Key bridge infrastructure was delivered through enhanced connectivity and permeability for traffic and pedestrian users. Environmental Impact Assessment Reports (EIAR) and other required documentation in support of the key bridge projects were prepared. All new bridges were checked for flood resilience.
In partnership with Irish Water, manage and improve Water Services infrastructure.	Manage the Service Level Agreement with Irish Water and deliver on the agreed programme of work	The City Council achieved the targets in Annual Service Plan under the Service Level Agreement with Irish Water for 2020

Goal 5: To support and engage active, inclusive communities		
Priority objective	Supporting Strategy	Progress 2020
Provide people with the opportunity to access outdoor recreation and natural environments through enhancing and expanding our network of parks and green spaces.	Implement the Dublin City Parks Strategy 2017 – 2022.	Parks have never been busier than in 2020. The City Council continued to provide all parks operations throughout the pandemic and projects/new works also progressed albeit delayed due to lockdowns.
	Continue to support the Dublin Mountains Partnership to achieve sustainable access to the mountains for the citizens and visitors to Dublin	A 10 year strategic plan was published and the Mountains Makeover Project commenced which saw the start of the replacement of coniferous woodland with native woodland.
Facilitate active citizenship in city communities and engagement with key stakeholders.	Develop local development and social inclusion initiatives through the Local Community Development Committee.	The Dublin City Local Community Development Committee (LCDC) was reconstituted in 2020 with a new Chair elected, additional new members from the Public Participation Network (PPN) and the representative sectors as required. The LCDC met 4 times in 2020, in-person in January and virtually/online thereafter.
	Support actions and identify work to progress under the Dublin City Local Economic and Community Plan (LECP) 2016 – 2021 and develop a new plan to commence in 2022.	<p>The LCDC continues to deliver initiatives under the LECP including:</p> <ul style="list-style-type: none"> • the Social Inclusion and Community Activation Programme (SICAP) with an overall budget in 2020 of €5.4 million • the Community Enhancement Programme with a budget of €594.2k • the Healthy Ireland Fund with a budget of €246k • the Community Resilience Fund worth €107k and • delivering COVID19 Emergency Funding to the value of €117k <p>Preparatory work was also undertaken on the follow-on LECP from 2022.</p>

Goal 5: To support and engage active, inclusive communities		
Priority objective	Supporting Strategy	Progress 2020
	Strengthen participation through the development of the Public Participation Network (PPN) and Comhairle na nÓg.	<p>The Dublin City PPN was successfully re-established in 2020 with a new host established under contract to the City Council and the recruitment of a dedicated resource worker.</p> <p>The Dublin City Comhairle na nÓg met regularly online throughout 2020 and delivered a successful online AGM in late 2020.</p>
	Empower and strengthen local community building through our community development and engagement programmes.	Despite the impacts of COVID-19, the City Council's Community Grants Programme funded 693 community and voluntary organisations across Dublin to the value of €572.5k.
	Make all of our public consultations available on the City Council's online consultation hub, as well as in traditional formats.	All City Council consultations were published on the website and using the Council's consultation hub. Webinars and virtual meetings were held in place of traditional in-person consultations, due to COVID-19 restrictions.
	Manage the Your Dublin, Your Voice platform to gain the views of people on a range of issues.	<p>4 Your Dublin Your Voice surveys were delivered during 2020:</p> <ul style="list-style-type: none"> • 2 specific surveys on COVID 19 dealing with the impact on Dublin residents and building back a stronger Dublin post COVID-19 • a specific survey on Night Time Economy which fed into a Night Time Economy Forum • a final survey on Dublin's biodiversity which will feed into Dublin's Biodiversity Action Plan 2021
Promote social inclusion and diversity by working with, and empowering, groups across all sectors of the community.	Review the Social Inclusion, Integration and Age Friendly Strategies.	<p>All strategies were reviewed in 2020 and a new, follow-on Age Friendly Strategy for the period 2020 to 2025 was developed.</p> <p>Preparation for a second Dublin City Integration Strategy was undertaken and resulted in early actions on adopting a new, revised strategy from 2021.</p>

Goal 5: To support and engage active, inclusive communities		
Priority objective	Supporting Strategy	Progress 2020
	Provide welcoming and inclusive spaces for all across the network of public libraries.	A range of library upgrading works were commenced or completed during 2020 including: <ul style="list-style-type: none"> • Refurbishment works at Central Library completed • Ballymun Library roof replacement underway; • Temporary library opened in Richmond Barracks and Inchicore Library Part 8 completed. • Design of access works at Marino Library were complete • Design work on the library and public domain at Coolock Library has been completed which will improve accessibility for the library and the surrounding footpaths • Sensory library facility installed in Coolock Library
	Continue to provide appropriate sites and buildings for community use.	During 2020, the City Council supported communities across the City by providing: <ul style="list-style-type: none"> • 8 Community Garden Licences • 18 licences/ renewals for buildings in community use • 5 disposals of buildings for community use • 2 new leases were issued
Improve the health and well-being of communities across the city by increasing access to participation in sports, recreation and healthy activity.	Review STRIDE: 2017–2020, the Dublin City Sport and Wellbeing Strategy.	The requirement to review the Strategy in 2021 has been brought to the attention of the Dublin City Sports and Wellbeing Partnership Board.
	Finalise and implement a new Dublin City Play Strategy.	A report on the review of the City Play Strategy was presented and noted at the May 2020 Arts Strategic Policy Committee (SPC). The final report will be published in 2021.

Goal 6: To sustain a vibrant cultural life		
Priority objective	Supporting Strategy	Progress 2020
Celebrate and promote the history, culture and literary traditions of the city to build on	Implement <i>Libraries Unlimited: A Strategic Direction for Dublin City Libraries 2019-2023</i> .	Implementation proceeded as planned with priorities and timeframes adjusted in response to COVID-19 closures.

Goal 6: To sustain a vibrant cultural life		
Priority objective	Supporting Strategy	Progress 2020
their value to the city's identity, to society and to the economy.		<p>The focus of service delivery shifted successfully to online and digital including the development of a dedicated home delivery service and an 'Ask-a-Librarian' online service.</p> <ul style="list-style-type: none"> • Borrowbox 125% increase • Pressreader 200% increase • Tumblebooks 555% increase • Universal Class 235% increase • Artist Works 125% increase • RBDigital Comics 126% increase • Naxos Music Library 62% increase
	Develop and implement a new three-year <i>UNESCO City of Literature strategic plan 2020 – 2022</i> .	The plan was completed and implementation is underway. The Dublin Literary Award was delivered online due to COVID-19 and in partnership with the ILFD.
	Promote and support awareness of the Irish language and recognise its unique place and contribution to the cultural diversity of our City.	<p>The City Council continued to ensure Irish language services are available to our customers, and provided Irish language training and language awareness training to staff to enhance the Irish language services we can provide.</p> <p>In order to create both a visible space and to highlight the importance of the language, Irish continued to be provided on signage, exhibitions, banners, hoarding and information boards etc. throughout the City.</p>
	Implement our programme of arts development.	<p>The City Council continued to deliver a comprehensive arts development programme including:</p> <ul style="list-style-type: none"> • Arts Grants of €550k awarded • Children's Art in Libraries Programme • Lab Gallery Exhibition Programme

Goal 6: To sustain a vibrant cultural life		
Priority objective	Supporting Strategy	Progress 2020
		<ul style="list-style-type: none"> • Dublin Chinese New Year • International Literature Festival • MusicTown • European Project on Visual Thinking Strategies.
	Protect and promote the city's architectural heritage and advance conservation best practice, including the adaptive reuse of historic buildings.	<p>North Great George's Street was designated as an Architectural Conservation Area. 5 additions to Record of Protected Structures were made and 1 clarification processed.</p> <p>35 Built Heritage Investment Scheme Grants were processed with €308,000 granted in funding. In addition, the following grants were awarded:</p> <ul style="list-style-type: none"> • 4 Historic Structures Funds Grants • 2 July Jobs Stimulus Package Grants • 1 Community Monuments Grant
	Continue to promote Dublin's unique history and heritage nationally and internationally through awareness raising of our Viking and Medieval archaeology, the Decade of Centenaries, digital projects and other events, publications and partnership projects.	<p>Conservation works to the City Wall at Wood Quay Venue Phase 1 works were completed in 2020. Phase 2 and 3 works are deferred until Level 5 restrictions ease. The Wood Quay Oral History Project (Phase 2) near completion.</p> <p>The Viking Dublin-York Axis Project was due to commence in October 2020 and was deferred to April 2021 due to Covid restrictions. In addition, the Norway/Dublin Viking exhibition in collaboration with Dublinia was paused due to COVID-19 restrictions.</p>
	Prepare a new five-year Dublin City Heritage Plan 2020-2025	Although initially delayed due to COVID-19, the process of preparing a new Dublin City Heritage Plan was commenced.
	Maintain the Hugh Lane Gallery's world-class programme of exhibitions of national and international artworks	The Lane Legacy' exhibition was very well received and numerous online education programmes enabled people to engage with the works.

Goal 6: To sustain a vibrant cultural life		
Priority objective	Supporting Strategy	Progress 2020
		The Worlds without End exhibition was closed due to COVID-19 Restrictions in December 2020. The exhibition, a visual dialogue on the impact of borders on individuals and communities, featured 12 Irish and international artists, many of whom were exhibiting in Ireland for the first time.
	Ensure that our civic, public and operational buildings are managed in a way that provides the highest quality facilities for, and maintains key historic buildings on behalf of, the public	<p>A planned schedule of works for City Hall was completed in 2020 including access works to the west entry, painting internally of lower ground floor public areas and external windows on east & west sides, upgrade to energy saving light fittings in Rotunda and light chemical washing of the building's exterior.</p> <p>The tender for the refurbishment of the Hugh Lane Gallery 1930's Wing was published.</p>
Enable diversity in access to arts and culture to give everyone the opportunity to participate	Identify and document diversity evident in current programmes and list the opportunities to increase access and diversity	<p>The City Council provided Intern opportunities for diverse applicants in arts initiatives and, although hampered due to COVID-19, an intern was placed in the Bram Stoker Festival.</p> <p>A review of Arts Grants is ongoing and a developmental programme is underway in the North Central and North West Areas to target the low take up of Arts Grants applications.</p>
	Deliver a schedule of projects and participatory education programmes that encourage participation in the visual arts among a range of target groups.	<p>Participation in Hugh Lane Gallery programming in 2020 included:</p> <ul style="list-style-type: none"> • 201 newly created online education programmes that were viewed on Hugh Lane social media platforms 31,673 times and have had 250,000 engagements on the Gallery's YouTube Channel • 850 participants in live online education programmes • 27 artists, guides and lecturers were commissioned to deliver talks/produce films as part of online programming • Online Sunday@Noon concerts averaged 2,000 views across Facebook and YouTube

Goal 6: To sustain a vibrant cultural life		
Priority objective	Supporting Strategy	Progress 2020
	Deliver a focused and creative programme across all of Dublin's primary schools engaging directly with the city art collection.	15 schools participated in zoom@hughlanegallery Online: City-wide project with primary schools in 2020. Since 2018, 46 schools have participated.
	Animate library spaces with diverse and inclusive programme of events.	The focus of service delivery shifted to online and digital and resulted in the production of 146 original videos with 324,512 views on social media, more than 238 (recorded) interactive events, a reach of 2,675,746 and countless invaluable interactions with our patrons.
Facilitate educational opportunity through programmes and funding	Deliver a diverse programme across the library branch network with a focus on promoting digital literacy and supporting the maker movement.	Right to Read events and book recommendations moved online for Spring into Storytime, Summer programme, Children's Book Festival and Family Time at your Library. Videos and events for families and children were viewed 146,397 times and were liked, shared and commented on 9,040 times.
Animate city spaces by providing and supporting a range of events, festivals and opportunities for people to celebrate and come together.	Develop, fund and support a diverse range of events, festivals and parks events.	<p>Due to COVID-19 and public health guidelines most, if not all, outdoor events/festivals were cancelled for 2020. Dublin City Council successfully delivered a programme of online/virtual events such as Hotter Than July, Wood Quay Summer Sessions, Busker Fleadh, Bram Stoker Festival (in partnership with Failte Ireland) and Sustainable Days.</p> <p>Winter Lights 2020 took place during the month of December lighting up buildings/landmarks around Dublin City and also included new landmarks such as the Docklands and Mater Hospital. For the second year in a row, Winter Lights 2020 saw Dublin City Council in association with Dublin City Council Culture Company engage with local community groups to design projections on Civic Offices, Hugh Lane Gallery, Samuel Beckett Bridge, City Hall and the Mater Hospital.</p>

Goal 6: To sustain a vibrant cultural life		
Priority objective	Supporting Strategy	Progress 2020
		Support was also provided for online/virtual events/festivals such as the Dublin Book Festival, GAZE International Film Festival, and International Literature Festival amongst others.
	Licence the city's on-street markets, casual trading and street performance in a manner that enhances people's city experience.	All licence renewal, Street Performance and Visitor Permit applications received were processed and daily inspection and enforcement was carried out, when COVID-19 guidelines permitted.
Support and encourage the provision of arts and cultural facilities to ensure that the cultural life of the city has the space to thrive.	Deliver Parnell Square Cultural Quarter on a phased basis.	An application for URDF funding for the project was submitted to Government and a Project Manager appointed.
	Conduct an audit of artists' workspaces identifying deficits and opportunities to transfer buildings to cultural use/workspaces.	The audit of artists' workspaces was completed, and a total of 540 artists were surveyed to establish design principles for Artists Workspaces. Full details of this work is available at https://www.artistworkspaces.ie/ .
	Continue a feasibility of sites in Dublin City Council ownership for artists' workspaces and work with developers to embed arts and cultural workspaces in new developments.	Feasibility of sites at Bridgefoot Street, Merchants Quay and Pelletstown were completed.
	Expand the Hugh Lane to include a new wing in Temple Bar for gallery and programming space.	Safety works were completed at 20/21 Parnell Square North and a feasibility study undertaken which will form part of the development plan for Hugh Lane Gallery. Temple Bar is now not being considered.

Goal 7: To become a more responsive, innovative City Council

Priority objective	Supporting Strategy	Progress 2020
<p>Support a culture of innovation, training and development.</p>	<p>Ensure our organisational design and structure is appropriate for the delivery of our corporate goals and objectives, in line with the Local Authority People Strategy.</p>	<p>35 recruitment campaigns were held in 2020 with all interviews being held virtually during the COVID-19 response. Over 400 internal and external appointments progressed. The City Council continued to engage with the Public Appointments Service in respect of Senior Management campaigns.</p> <p>The rapid move to remote working was facilitated with approximately 2,800 staff provided with the equipment, systems, tools and supports needed to continue to deliver services effectively in this new way of working.</p>
	<p>Foster an environment of continuous improvement and development for our staff.</p>	<p>Staff from across the organisation participated in programmes provided by the City Council including:</p> <ul style="list-style-type: none"> • Management Development Programmes for Grades 4 to 8 • Pre-retirement Seminars • Induction and Orientation Programmes • A-Z in local government programme • Return to Learning and Basic Computer Skills <p>In addition, staff in Finance, Law and Engineering services participated in Continuing Professional Development training.</p> <p>The City Council commenced a phased roll-out of a new e-learning platform that will facilitate a move to a blended learning approach, with an initial training programme on 'Building Resilience'.</p> <p>The management and monitoring of Safety, Health & Welfare at work performance was particularly important during 2020 and strong links were built between Business Continuity and Health & Safety in providing guidance, information and training in relation to protocols in relation to COVID-19 measures.</p>

Goal 7: To become a more responsive, innovative City Council		
Priority objective	Supporting Strategy	Progress 2020
	Facilitate staff to adopt innovative approaches in their work through the continued development of change management initiatives such as DCC BETA.	<p>A very successful series of webinars showcasing change initiatives across the organisation were organised for Public Sector Innovation Week.</p> <p>An Innovation Skills Series developed by the City Council in conjunction with David Ricketts, Fellow of Harvard University, was delivered to over 150 staff.</p> <p>DCC BETA process was used to develop and implement a number of projects including:</p> <ul style="list-style-type: none"> • BikeBunkers went live with approx. 50 customers using the service • 2 trials developed for the Dumping & Waste City Challenge • concept development of School Streets, with multiple suggestions from citizens received • developing a delivery model for parklets
Promote our vision, achievements and services through improved, proactive communication.	Redesign the City Council web-site to serve as an online portal and user-friendly information resource.	The redesigned website went live in October 2020. There were approximately 15.7 million page views for www.dublincity.ie during 2020.
	Capitalise on the reach and opportunity provided by social media to broaden communication and engagement with the public.	<p>The City Council continued to implement its Social Media Strategy during 2020, consolidating accounts to develop a more coherent message, and using channels more effectively through producing an extensive series of videos and campaigns for a range of Council services.</p> <p>Audience growth was achieved all social media channels 657,740 social media followers in 2020, up 12% on 2019.</p>
	Enhance tools for internal communication so that staff are easily kept abreast of all relevant developments.	A new staff newsletter was introduced and a staff information page was developed to engage with staff and provide essential information during the COVID-19 public health restrictions in 2020.

Goal 7: To become a more responsive, innovative City Council		
Priority objective	Supporting Strategy	Progress 2020
Strengthen our civic leadership role and make collaboration a fundamental part of the way we work.	Develop and implement systems and procedures to assist the Elected Members in their role.	<p>A tender for procurement of a new Citizen Hub and Customer Relationship Management System, including a Councillor Portal was issued in 2020.</p> <p>The Voter.ie system worked effectively for the general election.</p>
	Create effective collaborations with other local authorities and public sector organisations, academia, businesses, citizens and international partners.	<p>The City Council continued its strong tradition of partnership with City partners, a particularly important aspect of our work during the challenges of 2020. In addition to ongoing engagement with other local authorities, Universities, and other statutory and non-statutory partners, other examples included:</p> <ul style="list-style-type: none"> • Reopening the City initiative with the Chamber of Commerce, An Garda Síochána and other stakeholders • Ongoing engagement with management, staff and Trade Unions in addressing the organisational and business continuity challenges of COVID-19 • Cultural connections included loans from the Hugh Lane collection to major galleries in Ireland and internationally • Establishment of a Transportation Planning Forum with transportation teams in the other Dublin local authorities • A campaign to develop and support sustainable local government funding, involving stakeholders across the local government sector and businesses • Participatory Budgeting was advanced by examining the feasibility of Civic Crowdfunding to increase engagement with and strengthening the democratic process • Hosting the first online conference for the Local Authority Solicitors Bar Association (LASBA) dealing with topics such as conducting court cases online, long term leasing, GDPR

Goal 7: To become a more responsive, innovative City Council		
Priority objective	Supporting Strategy	Progress 2020
	Situate our work within a broader global framework by engaging with international partners and programmes that advance our goals for the City.	<p>The City Council continued to participate in a number of significant international initiatives including:</p> <ul style="list-style-type: none"> • Alignment of the Sustainable Development Goals to the Corporate Plan • Participation in the Bloomberg Philanthropies Digital Innovation Programme. • Hugh Lane education collaboration with US Fulbright programme to engage teens in arts education • Engagement with local authorities in the UK to examine the introduction of a Transient Visitor Levy (TVL) that would contribute to and support the tourism industry in Dublin • Work on examining the impact of digital trends on the retail sector was undertaken with the City Council contributing to a sectoral report produced by the CCMA • Engagement with Glasgow City Council on their 5G programme and potential learnings applicable to Dublin • The 4 Dublin Local Authorities signed up to WHO Breathe life campaign in February 2020
Continue to focus on providing Quality Customer Service to deliver the best service possible to citizens and customers.	Implement and renew the Customer Service Action Plan.	<p>The Customer Service Action Plan was used as the key document to highlight the service priorities up to the end of 2020. 20 of the actions set out in the plan have been complete. Customer complaints continue to be monitored closely. A new Customer Service Action Plan is to be developed for 2021 to 2024 to continue on this trend and to enhance service provision for customers.</p>

Goal 7: To become a more responsive, innovative City Council

Priority objective	Supporting Strategy	Progress 2020
<p>Continue to focus on providing Quality Customer Service to deliver the best service possible to citizens and customers</p>	<p>Improve and streamline customer contact channels to make it easier for the public to access their services when, where and how it is convenient for them.</p>	<p>Significant progress was made in streamlining customer contact channels. In the Civic Offices the number of public counters/touchpoints was reduced from 30 to 8, with the majority of customer interactions now taking place at ground floor level.</p> <p>An appointment system was put in place to enable delivery of public counter appointments in a safe manner for customers and staff during the COVID-19 response.</p> <p>The upgrade of the telephony system was significantly progressed and the telephony menu system streamlined. Call secure was introduced to allow for added security for financial transactions for customers.</p>
	<p>Enhance and expand the role of the Customer Services Centre as our main customer touchpoint when accessing services.</p>	<p>The reduction in the number of public counters in the Civic Offices saw an increased number of services delivered through the Customer Services Centre.</p> <p>The introduction of a meet and greet system at the two Reception Desks has improved the experience of people attending meetings.</p>
<p>Transform our use of technology and data in decision-making and service delivery.</p>	<p>Develop a Digital Strategy for the City, which includes expanding our range of digital and online services.</p>	<p>A new platform has been procured to develop a Citizen Hub and CRM which will enable delivery of user-friendly online services to citizens and businesses and facilitate digitisation and streamlining of service processes.</p>
	<p>Continue to expand the Smart City Initiative to explore and pilot use of new technologies in our service delivery.</p>	<p>The City Council led Ireland's first Public Procurement of innovative solutions challenge in collaboration with the three other Dublin local authorities to address the challenge of life buoy theft and removal across the region. Four companies are now working with the water safety officers in each LA to develop solutions. The innovative procurement process will allow local authorities to trial and test these solutions before committing to purchasing through a mini-competition procurement process.</p>

Goal 7: To become a more responsive, innovative City Council		
Priority objective	Supporting Strategy	Progress 2020
	Develop a Data Management Strategy for the organisation that improves how our data is managed, used and reused, and that service quality is enhanced through its use.	<p>Work on the development of the Dublinked Open Data Portal continued in 2020, including commencement of an audit of potential open datasets across the range of Council services.</p> <p>Historical rain gauge, river level sensor data and pedestrian footfall and shared bike data have been uploaded to the open data platform.</p>
Work to place human rights and equality at the core of how we perform our functions.	Implement our Public Sector Duty Action Plan over the lifetime of this Corporate Plan.	<p>The implementation of the Public Sector Duty Action Plan was progressed during 2020 with action on:</p> <ul style="list-style-type: none"> • Preparation of a Public Sector Duty Action Plan specific to Dublin Fire Brigade • Alignment of the new Integration Strategy and City Development Plan processes with the Public Sector Duty Implementation Framework • Continued engagement with Technical University (TU) Dublin's Access to Apprenticeship Programme, facilitating work placements for programme participants • Continued engagement with the Council's LGBT+ Staff Network Committee on the LGBT+ Strategy and policies
	Progress the actions in the Disability Implementation Plan.	<p>Work progressed on ensuring accessibility to public consultations. All consultations are published online with documentation compatible with assistive technologies, including screen readers and alternative formats, available on request.</p> <p>Implementation of UN CRPD progressed including consultation with disabled persons organisations in decision making processes.</p>

Principal Services	Achievements/Highlights for 2020
	<ul style="list-style-type: none"> • St. Andrews Court (43), • Belcamp B, Dublin 17 (12), • Rafter's Road, Crumlin (45), <p>Completed 240 acquisitions and delivered 81 Part V units</p> <p>Approved Housing Bodies (AHBs) delivered the following projects:</p> <ul style="list-style-type: none"> • Jamestown Court (12), • Lough Conn Road, Dublin 10 (4), • Dorset Street, Dublin 1 (9), • Willow Park, Dublin 11 (2), • Dominic Place, Dublin 1 (9), • St. Agnes Avenue, Dublin 12 (53), • Cromwellsfort Court, Dublin 12 (11), • Dorset Street, Dublin 1 (9) • Aughrim Street, Dublin 7 (4) • North Strand Road (3) • Camac Park, Bluebell, Dublin 12 (5)
<p>Enforcement of standards in the private rented sector</p>	<p>From March, in order to continue to inspect properties and ensure that they met the required standards a new and innovative Virtual Inspection Programme was developed and implemented.</p> <p>Throughout the year 2,224 dwellings were inspected of which 1,737 were found to be non-compliant on 1st inspection. A total of 3,020 inspections, including re-inspections were carried out of which 1,794 were physical and 1,226 virtual.</p> <p>In all cases where non-compliance was identified appropriate enforcement action was undertaken. As a first step 1,761 Improvement Letters were sent and this was followed up with 465 Improvement Notices being served where required. 10 Prohibition Notices were also served.</p> <p>By the end of the year 3,446 dwellings were brought up to standard, ensuring safer, healthier homes for tenants.</p>
<p>Housing Assistance Payment (HAP) Programme</p>	<p>The City Council supported an additional 1,655 households through the HAP Programme in 2020. The total number of HAP tenancies created from March 2017 to end December 2020 was 5,630. More than 6,000 amendments to HAP tenancies were processed and 374 rent supplement recipients were transferred to HAP.</p> <p>While the demand for HAP support increased during 2020 processing times reduced from 4-6 weeks pre-COVID-19 to 2-3 weeks by end 2020</p>
<p>Housing assessment, allocation and transfer</p>	<p>On average 150 Social Housing Applications were assessed and created per week. A total of 1,735 units were allocated.</p> <p>The annual Social Housing Needs Assessment identified over 15,000 individual housing applicants.</p>
<p>Housing management rent</p>	<p>The City Council Housing Rental model was reviewed and adopted during 2020. The full assessment of 24,800 rent accounts over a two year period continued in 2020. Rent arrears rose by less in 2020 than in the previous year.</p> <ul style="list-style-type: none"> • €92,273,801 rental income collected

Principal Services	Achievements/Highlights for 2020
	<ul style="list-style-type: none"> • 36,937 warning letters were issued • 3 orders for possession obtained • 52 Tenancy warnings were issued • 125 accounts were referred to the Law Department to seek Possession Orders
Traveller specific accommodation	<p>9 capital projects under the 2019 - 2024 Traveller Accommodation Programme were completed. Traveller Accommodation Condition Surveys of all houses were completed. An application has been sent to the Sustainable Energy Authority of Ireland for assessment for works identified. Fire safety equipment on all sites has been serviced, replaced or renewed.</p> <p>2 temporary self-isolation sites were provided for the Traveller community, 16 homes to Traveller families and 9 void properties were allocated under the Traveller Specific Voids Programme.</p> <p>Running water supplies were provided to over 70 Traveller families and new electrical connections to 38 families. A comprehensive waste removal programme is currently in place on all 18 sites.</p>
Social Work	<p>The Duty Social Work Service, provided exclusively by phone throughout the COVID-19 lockdown, received 2,883 calls. Social Workers held an average of 35-40 cases each with each team holding a waiting list. A total of 596 Exceptional Social Grounds applications were received in 2020.</p> <p>A Senior Social Worker continues in the role of National Local Authority Representative in the National Sex Offender Risk Assessment & Management (SORAM) Office working in partnership with Gardaí, Probation Service, TUSLA and the Prison Service with a brief to manage high risk sex offenders in the community</p>
Rental Accommodation Scheme (RAS) and Social Leasing Programme	<p>Dublin City Council maintained 879 RAS properties during 2020 and carried out 224 inspections including Contract Renewals and Tenant complaints.</p> <p>Changes to the Rent Supplement saw an increase in the number of payments made to Approved Housing Bodies in lieu of Rent Supplement for Tenants residing in properties funded under the Capital Assistance Scheme. Recipients have risen from approximately 670 at the end of 2019 to in excess of 1000 at year end 2020.</p>
Housing Loans and Tenant Purchase	<ul style="list-style-type: none"> • 99 mortgages issued to a value of €20,691,190 • 55 Tenant Incremental Purchase Scheme Applications were received and 25 tenants completed the purchase of their home under this Scheme • 230 Rebuilding Ireland Home Loan Scheme Applications received and 99 were approved
Housing Grants	<p>A total of 976 grants were paid out to a value of €7,207,302.80 across the Housing Adaptation, Mobility Aid and Housing Aid for Older People grant schemes. A further 575 applications were approved to an approximate value of €4,432,726.</p>
Homeless Services	<p>At end of December 2020 there were 755 families in emergency accommodation, the lowest monthly figure since December 2015. The number of families residing in hotels at end of December was 181, the lowest number of families in hotel accommodation since September 2014.</p>

Principal Services	Achievements/Highlights for 2020
	<p>42 individuals (2 couples) residing in emergency accommodation were supported by Housing Support Officers to move into Homeless HAP (20) and Social Housing (20) tenancies.</p> <p>In Quarter 4 2020, a total of 2,900 adults residing in emergency accommodation had an active support plan in place. A total of 1,557 households in 2020 were prevented from entering homelessness.</p> <p>Shielding from COVID-19 was provided for most at-risk homeless persons along with a dedicated testing service, referral and transportation to isolation facilities.</p> <p>The change in the property market as a result of COVID-19 has given the Dublin Region Homeless Executive (DRHE) an opportunity to source a significant number of self-contained apartments in the city on short-term contracts which has allowed the DRHE to move families out of hotels into more suitable accommodation.</p>
Social Inclusion and Integration	<p>The total value across all City Council community grants originally approved and recommended for 2020 was €879,650. The annual Community Grants Scheme was reviewed to take account of the impacts of COVID-19 on opportunities to deliver the range of services, activities and events originally recommended for decision in early 2020. The review identified viable grants for services, activities and events and concluded that a final recommended sum of €572,476 be distributed across 691 grantees.</p>
Local Community Development Committee (LCDC)	<p>During 2020 the five SICAP Programme Implementers met and worked with 4,795 individuals and 523 local community groups across the City. The LCDC oversaw and administered the Community Enhancement Programme and COVID-19 Emergency Fund.</p> <p>In late 2020, Dublin City Council LCDC was allocated €117,246 under the second round of the COVID-19 Emergency Fund launched by the Department of Rural and Community Development. This second round of funding will provide grants to applicant groups under two categories (a) adapt services and operations in response to the new COVID-19 reality in 2021 and (b) become more involved with the Government's 'Keep Well' campaign.</p> <p>The LCDC was successful in securing €246,050 under the Healthy Ireland Fund and Community Mental Health Fund 2019-2021. Healthy Ireland actions under designated Health Service Executive (HSE) parameters were successfully executed across Dublin City. The <i>Change for Life</i> initiatives were fully embraced by the local communities and completed their full programme prior to COVID19 restrictions in March 2020.</p> <p>Under the <i>Community Mental Health</i> action fund, Pavee Point were awarded funding. Throughout the COVID-19 restrictions they reached out to the Traveller community in Dublin City disseminating critical safety materials. <i>Community Engagement's</i> physical initiatives were rolled out in early 2020, then turned to online support during tighter COVID-19 restrictions.</p> <p>Later in 2020 a <i>Healthy Ireland Coordinator</i> was appointed by the City Council and joined the National Network of Healthy Ireland coordinators. In</p>

Principal Services	Achievements/Highlights for 2020
	<p>November 2020 new government funding was released as the <i>Community Resilience Fund</i> through Healthy Ireland and Dublin City LCDC were awarded €107,560. Critical initiatives throughout the city were identified under the designated parameters set out by HSE Sláintecare and many of these commenced in late 2020 and will continue into 2021.</p>
Safety of Structure & Places	<p>The Dangerous Buildings Section continued to provide an uninterrupted service throughout 2020 365 / 24-7.</p> <ul style="list-style-type: none"> • 197 dangerous building (DB) incidences / event attended to • 61 DB Notices resulted
Civil Defence	<ul style="list-style-type: none"> • 7,200 volunteer hours were provided by over 120 Civil Defence volunteers to support COVID-19 efforts • 312 Volunteer hours were provided by 42 Civil Defence Volunteers in Searches for Missing Persons. • 2,122 Volunteer hours were provided by over 90 Civil Defence Volunteers for Community events within the Local Authorities. <p>The expenditure incurred by Civil Defence in 2020 was €1,412,129</p>
Operation of the Fire Service	<p>The initial impact of the pandemic in March 2020 saw a large increase in medical related calls. This resulted in the East Region Communications Centre (ERCC) processing 15,572 calls in March making it the busiest month of activity during the year and a 13% increase on calls processed during March 2020.</p> <p>The ERCC processed 173,961 112/999 emergency calls and mobilised resources to 96,289 incidents resulting in the mobilisation of 142,651 appliances during the year.</p> <p>Dublin Fire Brigade's social media platforms won two awards at National Social Media awards</p> <ul style="list-style-type: none"> • Best use of Twitter by a State Body • Best Social Media by a State Body
Fire Prevention	<p>1,136 Fire Safety Certificate applications were received and processed. The Building Control Management System (BCMS), created by the National Building Control Office, went live in July 2020 to enable online applications of Fire safety Certificate applications.</p> <p>In 2020, most Community Fire Safety activities were carried out on Dublin Fire Brigade (DFB) social media platforms. DFB promoted Community Fire safety throughout the year with an extra emphasis for National Fire Safety Week 2020. A joint campaign between DFB's Communications Unit and the Fire Prevention Section for National Fire Safety week saw over 70 prominent buildings and structures in Dublin city and county light up red at night for the week, to highlight fire safety.</p> <p>A joint Halloween Safety video was commissioned with An Garda Síochána which was promoted online and made available to schools nationwide. A joint road safety campaign was filmed with the Road Safety Authority to combat the rise in road fatalities</p>
Dublin City North	<p>The North City Area Offices continued to provide core services relating to Housing Estate Management, Community Development, Public Domain Management, services to Councillors and City Council service coordination at local level.</p>

Principal Services	Achievements/Highlights for 2020
	<p>Both Housing Estate Management and Public Domain Management continued to provide a normal service while encountering additional issues around anti-social behavior and increased dumping respectively. The Area Office provided supports for the most vulnerable in society affected by COVID-19 including:</p> <ul style="list-style-type: none"> • Community Call • City Reopening – June and December • Social Media Communications Strategy North City • Public realm interventions – sustainable transportation and street furniture
Dublin City South	<p>The South City Area Offices continued to provide core services relating to Housing Estate Management, Community Development, Public Domain Management, services to Councillors and City Council service coordination at local level.</p> <p>Through mobilization of community contacts the Area Offices responded to the new needs identified within the community, particularly the older and more vulnerable members of the community. Activities switched online, with programmes such as Holding it Together Apart, a community development project aimed at helping people to maintain their physical, spiritual and mental well-being while isolated and at home with COVID-19.</p> <p>Public Domain staff were particularly busy during the year.</p>

DRAFT

Principal Services	Achievements/Highlights during 2020
Roads Maintenance	<p>Delivered an Annual Works Programme to the value of €12.5m: resurfaced and/ or reconstructed 25km of carriageway; repaired/ and renewed 14km of footpaths, circa 4km of shared bus and cycle lanes.</p> <p>The City Council resolved over 6,700 customer enquiries and roads maintenance service requests and repaired over 5,200 defects and hazards on the road network. 416 critical defects and hazards were repaired and/or made safe within 24-hours of being recorded.</p> <p>As part of the Winter Maintenance Programme 300 kilometres of the road network was gritted on thirty-one separate occasions.</p> <p>The use of 'glyphosate' based herbicide in the treatment of weeds on the road network was eliminated.</p>
Public Lighting	<p>2,809 public lighting faults were reported and an average of 82.5% of repairs were carried out within the 10-day timeframe.</p> <p>Tender documents were issued to begin a major upgrade programme of Public Lighting throughout the city and replacement of existing lights with energy efficient LED lamps.</p>
Roads Capital Programme	<ul style="list-style-type: none"> • Balbutcher Lane junction reconfiguration completed in December 2020. • Sillogue infrastructure contract awarded • Belmayne Main Street and Belmayne Avenue Scheme - Main Contract is expected to commence Q2 2021 and complete Q3 2023. • Dodder Public Transport Opening Bridge - preliminary design and draft Environmental Impact Assessment Report (EIAR) is near completion. The National Transport Authority (NTA) is amalgamating this project with the BusConnects project. • The Point pedestrian and cycling bridge - Tender Assessment has commenced. • Grafton Street Quarter Clarendon Street works completed in July 2020. • Liffey Street Improvement Works - Detailed design complete and tender documents being reviewed. • Temple Bar Square - preliminary enabling works, replacing water mains, were completed in July 2020

Principal Services	Achievements/Highlights during 2020
Traffic Management & Road Safety	<ul style="list-style-type: none"> • Opening of Royal Canal Phase 2 in June 2020 for pedestrians and cyclists including new linear park and pontoon feature • Responded to the mobility challenges caused by COVID-19 by implementing measures across the city for social distancing and provision of safe protected cycle routes • Organised a series of pedestrian trials in the Grafton Street area to facilitate the city reopening • Worked with businesses to provide additional footpath space for outdoor dining • Installation of new school zones at multiple schools across the city • Tender issued for the Clontarf to City centre walking, cycling, public transport and public domain enhancement project • Elements of the interim Liffey Cycle route scheme installed along the North Quays • Public consultation on making 30 kph the default speed limit in Dublin City • 91.74% of vehicles were declamped within one hour of payment and 99.7% were declamped within two hours

Water Services

Principal Services	Achievements/Highlights during 2020
Irish Water	Satisfactory completion of targets in the Annual Service Plan under the Service Level Agreement with Irish Water
Surface Water Operations and Maintenance	The Council continued to repair and maintain the surface water network and deliver an effective gully cleaning service with 987 service requests received during 2020 and 100% of gullies inspected within the 4 / 5 day timeframe
Flood Risk Management	<ul style="list-style-type: none"> • South Campshires Flood Protection Scheme €5m operational • Dodder RDS flood wall €2m operational • Dodder Phase 3 Clonskeagh to Orwell Bridge Consultants appointed • Poddle flood Alleviation Scheme at Part 10 Planning Permission Stage • Wad River Phase 2 Consultants appointed. Estimated climate change adaption to year 2100 incorporated into all flood schemes • Flood Warning and monitoring improved with over 50 monitors in Greater Dublin area • Closer liaison with Met Eireann and neighbouring local authorities
Surface Water Quality	<p>Working to ensure statutory obligations are met under relevant pollution legislation, and to maintain and improve water quality.</p> <p>In 2020:</p> <ul style="list-style-type: none"> • 216 complaints were received and responded to • 1,500 trade effluent samples were taken • 804 pollution samples were taken • 17 Water Framework Directive groups of samples taken on 5 rivers • 40 wastewater incidents were reported and responded to • 150 pollution investigative samples were taken • 110 Grand Canal samples were taken • 1,174 misconnections were investigated

Principal Services		Achievements/Highlights during 2020
Bathing Quality	Water	<p>Sandymount and Dollymount Strand are designated for bathing under the regulations and 20 samples are scheduled to be taken at each location during the bathing season (1st June – 15th September). Approximately 180 scheduled samples were taken, analysed and reported to the EPA.</p> <p>There were 7 Temporary Bathing Prohibitions and 2 Prior Warnings erected during the 2020 bathing season. Dublin City Council liaised and consulted with the EPA and HSE during each bathing water quality incident.</p>
Licensing		<p>Dublin City Council had 12 facilities licenced under Section 4 (discharges directly to waters) and Section 16 (discharges to surface water sewer) of the Water Pollution Act 1977, as amended.</p> <p>Dublin City Council received a total of 19 trade effluent applications from Irish Water. The Council assessed and made 15 recommendations to Irish Water in relation to Section 16 licence applications (for discharge to foul sewers). There were a total of 1,500 trade effluent samples undertaken and assessed to ensure compliance with the license conditions.</p>

DRAFT

Principal Services	Achievements/ Highlights for 2020
<p>Recovery & Recycling Facilities Operation</p>	<p>Civic Amenity sites and Bring Centres largely remained open throughout the pandemic enabling citizens to continue to recycle responsibly.</p> <p>Over 22,000 tonnes of recyclable materials were processed at DCC facilities, of which 12,300 tonnes was glass. Increased capacity Textile Recycling Banks were introduced at 3 bring centre locations and the acceptance of small waste electrical and electronic equipment (WEEE) was introduced to 7 bring centre locations. The animation of Bottle Banks continued at 7 locations throughout the city.</p>
<p>Litter Management</p>	<p>During 2020, continued initiatives to tackle litter in the City included:</p> <ul style="list-style-type: none"> • initiatives to combat the issue of dog fouling including a Dog Fouling Awareness media campaign • enforcement of Litter Pollution Acts and Bye-Laws for the Prevention and Control of Litter • implementation of the recently amended Bye Laws for the Storage, Presentation and Segregation of Household and Commercial Waste • promotion and development of projects within the Department of the Environment, Climate and Communications Anti-Dumping Initiative, with 5 projects funded and co-ordinated in the City • litter education and awareness programmes • co-ordination of Halloween Response Programme which resulted in over 600 tonnes of material diverted from potential bonfire sites. <p>An on street recycling initiative ‘Circle City’ was launched in the city providing 25 recycling bins in the city centre in conjunction with the environmental charity Hubbub.</p> <p>Engagement with communities on environmental initiatives saw the City Neighbourhoods Competition successfully completed by moving to Area Based Format due to COVID-19 restrictions, and 2 winners in the Pride of Place competition - Donnybrook Tidy Towns and St Patricks Cathedral.</p> <p>A New Litter Management Plan 2020 – 2022 was introduced for Dublin City and collaboration with Third Level institutes on research into waste, dumping and litter issues commenced.</p>

Principal Services	Achievements/ Highlights for 2020
<p>Street Cleaning</p>	<p>The Street Grading programme continued with improvements made in grades awarded citywide. 1,317 surveys were undertaken. Grade A and B scores were achieved in over 80% of streets graded. The programme has also been extended to recycling bank locations.</p> <p>Leaf composting project continued with over 800 tonnes of material diverted to compost.</p> <p>Two new electric side-loaders vehicles and three additional electric supervisors vans introduced. All petrol leaf blowers replaced with electric models, replacement of diesel power washers in depot with electric power washers and a trial of electric handvacs was carried out</p> <p>Use of Social media was enhanced to promote and raise awareness of all issues relating to waste management and services. @dubcityenviro twitter account published in excess of 700 tweets gathering over 2 million public impressions on waste / litter and recycling topics</p> <p>Over 4,500 community clean ups were supported throughout the city and 95% of the 35,000 customer service requests received by Waste Management Services were closed and completed at the end of 2020.</p>

DRAFT

Principal Services	Achievements/ Highlights for 2020
Waste Management Planning	<p>A range of education and awareness campaigns were successfully delivered during 2020 including:</p> <ul style="list-style-type: none"> • National Awareness Campaigns (COVID-19, Anti-Dumping, Waste Prevention) • National Reuse Month • MODOS Circular Economy Training Programme for Business • Conscious Cup Campaign to encourage elimination of single use coffee cups <p>Other key achievements were:</p> <ul style="list-style-type: none"> • Co-ordination of Business Continuity in Waste Sector during COVID-19 • Programme to advance remediation of Historic Landfills • Publication of Civic Amenity Sites National Study • Publication of Construction & Demolition Waste National Capacity Report <p>During 2020 the National Transfrontier Shipment Office (NTFSO) worked closely with Industry, the Department of Environment, Climate and Communications, and other competent authorities throughout Europe to ensure shipments of waste were able to operate without interruption as a result of COVID-19. The NTFSO continued port inspections through a combination of remote inspection procedures and on-site visits where considered necessary. The NTFSO partook on a High Level Waste Action Group set up by Government to oversee issues arising throughout the pandemic</p> <p>In 2018 the NTFSO were nominated the lead authority for a European project on the Effects of the Chinese Import Ban on the Environmentally Sound Management of Plastic Waste. The 2nd phase of this project was scheduled for 2020 and targeted site inspections in international destinations. As a result of the pandemic, these facility inspections had to be deferred. The NTFSO used the time allotted to this work to draft up a new guide for inspectors which can be used for competent authorities throughout Europe for inspections in relation to the new requirements for the export of plastic waste under the Basel accord.</p> <p>Throughout 2020 preparatory work on the impact of Brexit was carried out and culminated in exporters able to continue to export with the correct paperwork in place post January 1st 2020.</p>
Waste Regulations, Monitoring & Enforcement	<p>Audits were carried out with regard to the various producer responsibility initiative schemes for Waste Tyres, Waste Electrical, Packaging and End of Life Vehicles. 385 Construction and Demolition Waste Plans were reviewed and responded to ensuring proper practice from a waste enforcement and planning enforcement perspective.</p> <ul style="list-style-type: none"> • 25 Fixed Penalty Notices issued • 326 complaints received and investigated • 288 complaints closed • 38 complaints outstanding • 6 enforcement court files and 2 TFS court files submitted, no court appearances due to COVID-19

Principal Services	Achievements/ Highlights for 2020
Air and Noise Pollution	<p>Four local authorities in Dublin are signed up to the World Health Organisation (WHO) Breathe Life Campaign committing to meet WHO air quality guideline levels by 2030</p> <p>A dedicated Dublin City Council website for real time access to ambient air and noise monitoring in Dublin City was launched consolidating all air monitoring carried out by the EPA and the Dublin City Council air monitoring network which was expanded during 2020.</p>
Fleet Management	<p>Fleet Management continued to migrate the Council's diesel light commercial fleet to electrical vehicles where feasible and viable to do so. Of the 25 vehicles procured in 2020, 21 were electric vehicles. The Council now has 41 electric vehicles in its fleet.</p>
Climate Change	<p>The City Council won the 2020 SEAI Energy Award for 'Leadership in the Public Sector', in recognition of the support from Dublin City Council's Senior Management Team and progress made by the organisation in addressing the 5 key Climate Action Areas: Energy and Buildings, Transport, Flood, Nature and Resources.</p> <p>By the end of 2019 the City Council had delivered energy savings of 36.5% since beginning its energy journey, surpassing its 2020 target of 33% one year early. Innovative contracts to achieve objectives included pioneering the use of Energy Performance Contracts. The Council continued to refine its energy management practices, organising and putting in place systems for the better measurement of our Carbon footprint as we begin to plan for our 2030 targets. 2020 also saw the establishment of SPC Subcommittees on Climate Action and Air Quality.</p>
Climate Action Regional Office (CARO)	<p>Key achievements under the CARO work programme in 2020 included:</p> <ul style="list-style-type: none"> • Assisted the four Dublin Local Authorities' Climate Action teams to complete the first annual progress reports for Climate Change Action Plans in conjunction with Codema • Roll out of Local Authority (LA) Climate Action Training programme in conjunction with Local Government Management Agency (LGMA) /LA National Training Steering Group • Assisted local authorities in the development of regional climate action projects e.g. Dublin local authorities Electric Vehicle Strategy • Prepared relevant Climate Action guidance and documents such as Climate Action Funding, Decarbonising Zones, Electric Vehicle Fleet and charging • Assisted County and City Management Association (CCMA) /LGMA in the preparation of a detailed LA Climate Action Strategy and associated Business Case • Represented the local government sector in relevant sectoral and National Climate Adaptation for a, implementation meetings and Research projects • Developed National CARO communication channels including CARO website (formal Launch 2021) • Developed citizen engagement initiatives at national and local levels for example GAA Green Clubs Programme
Street Performance Licensing	<p>204 street performers' permits and 14 visitor permits were issued in 2020. 25 warning notices were issued in 2020.</p>

Principal Services	Achievements/ Highlights for 2020
Operation of Dog Warden Service	<p>The total number of dogs to enter the pound from the City Council area was 182.</p> <ul style="list-style-type: none"> • 103 were sent to rescues • 7 were rehomed • 56 were reclaimed • 4 were euthanised • 1 died of natural causes
Control of Horses Service	<p>42 horses were seized in 2020</p> <ul style="list-style-type: none"> • 29 were euthanised • 3 were reclaimed • 6 rehomed • 4 are currently being held due to ongoing Garda investigations
Operation of Markets & Casual Trading	<p>There are approximately 260 Casual Trading designated pitches in the City Council. Approximately 23% of designated traders renewed their licences in 2020.</p>
Stationless Bike Operations	<p>Stationless bike hire operations saved the equivalent of almost 200 tonnes in carbon emissions in 2020.</p> <p>Moby were granted the second stationless bike hire operator's licence. Moby now have a fleet of 140 electric bikes available for public hire. Bleeper continue with their successful operations with 450 bikes available for public hire and membership increased by 125% to c.76, 000.</p> <p>744 additional on-street cycle parking stands were provided at 152 locations delivering an additional 1,488 new cycle parking spaces and 406 abandoned bikes were removed from the City's streets.</p>
Street Furniture	<p>All existing street furniture licences (187) were granted an initial free 6-month extension together with ongoing extensions for the duration of COVID-19 restriction periods.</p> <p>Free temporary COVID-19 street furniture permits were issued to 62 businesses which were facilitated through innovative public realm interventions such as new footpath build outs and the use of parking bays.</p> <p>Over 750 individual inspections were carried out in 2020 resulting in 34 warning notices being served, 4 removals of unauthorised street furniture and 1 refusal of a licence renewal</p>
Licensing of Ad Boards	<ul style="list-style-type: none"> • 4 licences have been granted since September 2019 • 3,000 + individual inspections and interventions • 276 official warning notices issued • 18 Ad Boards were seized from 16 businesses

Principal Services	Achievements/ Highlights for 2020
<p>Forward Planning</p>	<p>2020 saw the commencement of the review of the current Development Plan and the preparation of the new Development Plan for 2022 to 2028. Throughout 2020, background research took place to shape the preparation of the Strategic Issues paper and to establish a communications strategy for the consultation process.</p> <p>Two strategic issues papers and two background papers were published to highlight the review in the public sphere. Also on the website is an information video clip on what is a development plan, and a second showing how to make a submission. Alongside this was the continual use of the Council's social media accounts to draw regular attention to the consultation process and the five scheduled webinars for January 2021.</p> <p>The delivery of housing and the granting of permissions consistent with Development Plan policy, continued to produce upwardly positive outcomes. A comparison of Q3 2019 with Q3 2020 shows increases across all categories. The City Council saw an 18% increase in sites with permission, a 65% increase in units with permission, a 103% increase in active sites (from 33 to 67) and a 110% increase in units under construction from 2,497 units to 5,249 units. This scale of increase equals and / or exceeds the rates of increase seen for the same time period across 2018 to 2019 demonstrating that, despite COVID-19, the City has seen increasing levels of activity in meeting housing demand in 2020.</p>
<p>Local Area Plans (LAP) /Strategic Development Zones (SDZ) /Other Plans</p>	<p>Implementation of the North Lotts and Grand Canal Dock Strategic Development Zone (Docklands SDZ) Planning Scheme continued with DCC as Development Agency.</p> <p>Planning application granted for enabling works to facilitate Phase 1 of the former Irish Glass Bottle and Fabrizia sites, Poolbeg West. The proposed development consists of streets, transportation, water services and utilities infrastructure, public realm, public amenity spaces and temporary landscaping of a school site.</p> <p>The Grangegorman SDZ Scheme continued to scale up the volume of development with a number of large quadrants now under construction.</p> <p>Implementation of the Cherry Orchard/Park West Local Area Plan got underway in 2020 with the establishment of the Cross Departmental Implementation Group (CDIG) to support the delivery of 2,200 to 3,000 new homes, employment and enterprise space, community and recreational facilities.</p> <p>The Clongriffin/Belmayne LAP is continuing to be implemented with a range of new permissions granted in 2020, including:</p> <ul style="list-style-type: none"> • Town Centre • 1,000 pupil secondary school and temporary primary school • Malahide Road –construction on 150 apartments

Principal Services	Achievements/ Highlights for 2020
	<p>The Kilmainham Inchicore Development Strategy (KIDS) was undertaken. The Ballymun LAP continues to be implemented to complete the regeneration of the area.</p> <p>The City Council submitted four applications to the Department of Housing, Local Government and Heritage for funding under Call 2 of the Urban Regeneration and Development Fund (URDF) for four Concept Areas.</p> <p>There are currently five Public Realm plans focused on specific areas of the City- the Grafton Street Quarter Plan, the Docklands Public Realm Plan, the City Centre Masterplan, the Temple Bar Public Realm Plan and the draft Markets Area Public Realm Plan.</p> <p>Just Eat dublinbikes entered its 11th year of operation, with over 65,000 long term members.</p>
Development Management	<p>A total of 2,286 planning decisions were issued in 2020 of which 82% were made within 8 weeks of receipt of application. Decisions to grant were issued in 88% of cases while refusals accounted for 12% of decisions.</p> <ul style="list-style-type: none"> • 2,470 planning applications received • 265 pre-application consultations were held • 90 pre- application consultations were held with developers relating to proposed Strategic Housing Developments (SHD) • A further 40 pre-application consultations were held with An Bord Pleanála relating to SHD developments • 31 SHD applications were accepted by An Bord Pleanála
Planning Enforcement	<p>The City Council continued to provide a prompt and effective response to complaints received in relation to unauthorised development across the city as well as implementing and enforcing the new Short Term Letting legislation.</p> <p>General Enforcement</p> <ul style="list-style-type: none"> • Files opened – 1,003 • Number of inspections carried out – 1,368 • Warning Letters Issued - 928 • Enforcement Notices Issued - 155 • Legal Proceedings Initiated – 43 • Cases resolved - 849 <p>Short Term Letting</p> <ul style="list-style-type: none"> • Files opened – 573 • Number of inspections carried out - 969 • Warning Letters Issued - 573 • Enforcement Notices Issued - 10 • Legal Proceedings Initiated - 3 • Cases resolved – 399
Building Control	<p>Maintaining a high level of inspection of new building projects and ensuring compliance with building control requirements and building regulations, the City Council dealt with:</p> <ul style="list-style-type: none"> • 1,038 commencement notice submissions

Principal Services	Achievements/ Highlights for 2020
	<ul style="list-style-type: none"> • 468 Certificates of Compliance on Completion submitted • 379 disability access certificate applications <p>Over 69% of all new buildings notified as commencing were inspected on site involving 608 inspections of active construction sites with 226 focussed on fire safety. 2 enforcement notices were served and 1 summary prosecution was initiated.</p>
Property Management & Property Disposal	<p>The Council continued to effectively manage its property portfolio and rental yield through:</p> <ul style="list-style-type: none"> • Management of 2,600 leases, with annual rental of €9m approximately • Continued promotion of disposal of Domestic Ground Rents • Active engagement with bad debtors to reduce arrears by means of instalment agreements • A small number of cases referred to Law Department for issue of legal proceedings • Engagement with lessees affected by the COVID-19 pandemic to grant relief of rent for periods when normal trading was not possible <p>Key achievements in relation to property disposals and acquisitions:</p> <ul style="list-style-type: none"> • Protocol for the disposal of sites deemed surplus to City Council requirements was agreed with the Elected Members. • Rationalisation programme to reduce the number of actively managed leases continued. • Preparatory work on the transfer of common areas in the Ballymun Neighbourhood Centres to their Management Companies in accordance with the Multi-Unit Developments Act 2011 continued, including the programme of necessary remedial works identified in Condition Surveys. • The transfer of the common areas of the Rathmines Square development to the Management Company in accordance with the Multi-Unit Developments Act 2011 was completed. • The proposed disposal of the Pigeon House Hotel and Power Station progressed to Phase 2.
Archaeology, Conservation and Heritage	<ul style="list-style-type: none"> • 12 structures were added or are in the process of being added to the Record of Protected Structures (RPS) • Assessed and reported on 456 planning application files • Engagement at Strategic Housing Development pre-planning meetings (30) and preparation of reports on eight applications to An Bord Pleanála • Provided conservation input on key infrastructure projects including Metrolink, Bus Connects and Dart Extension <p>Of the 118 Protected Structures on the Buildings at Risk Register.</p> <ul style="list-style-type: none"> • 30 buildings subject to inspection • 4 Endangerment Notices issued • 12 buildings where the owner is engaged in discussions with the Council • 4 proposals have been lodged • 21 buildings have a live planning permission granted

Principal Services	Achievements/ Highlights for 2020
	<ul style="list-style-type: none"> • 3 new buildings have been added to the register • 3 were refurbished following service of an Endangerment Notice <p>The process of preparing a new Heritage Plan for the City commenced.</p> <p>Conservation works to the City Wall at Wood Quay were tendered and contracts awarded, with Phase 1 works (samples) carried out and statutory and stakeholder consultations held. The Wood Quay Oral History Phase 2 stakeholder event was held online.</p>
Active Land Management	<p>In proactively striving to eradicate dereliction in the City the Council issued 201 notices of proposed entry to include a site on the Vacant Sites Register and received and processed 157 submissions in relation to these proposed entries. 54 sites were on the Vacant Sites Register.</p> <p>The Council acquired compulsorily 37 Thomas Court, Thomas Street, Dublin 8 which brings the total number of sites acquired compulsorily since 2017 to 24. In addition strategic property acquisitions by agreement were made at a 2.8 acre site at Bannow Road, Cabra, Dublin 7 for the development of public housing and the Abbey Theatre Redevelopment.</p>
National Building Control & National Market Surveillance Office	<p>Dublin City Council expanded its role as the lead local authority for the National Building Control Office to also become the National Market Surveillance Office.</p> <p>11,796 Commencement Notices were processed through the NBCO building control management system (BCMS), along with the processing of 5,317 customer queries and the circulation of quarterly newsletters to the sector.</p>
Details on the City Council Development Contribution Scheme and contributions collected in 2020	<p>Section 48 of the Planning & Development Act, 2000, as amended, enables a Planning Authority to attach conditions to planning permissions granted requiring the payment of a contribution in respect of public infrastructure and facilities benefiting the development.</p> <p>The current Dublin City Council Development Contribution Scheme 2020-2023 was adopted by the City Council in March 2020 following the review of the previous scheme. The new scheme applies to all planning permissions granted after 1st April 2020 and to existing permissions granted before this date which have not yet commenced.</p> <p>In 2020 a total of €22 million was raised from development contributions towards public infrastructure and facilities</p>

Principal Services	Achievements/Highlights for 2020
Leisure Facilities Operations	Under Level 3 COVID-19 restrictions the centres opened with a restricted service and restricted numbers. Under level 5 restrictions all the centres closed with the exception of access for Childminding and Youth Services (where provided in our facilities).

Principal Service	Achievements/Highlights for 2020
Administration of Rates	<p>The Rates Office implemented the government commercial rates waiver schemes to support rate payers due to COVID-19 restrictions. The scheme applied to 92% of rate accounts (18,845 ratepayers) and the value of the rates credit to accounts was €159.7 million.</p>
Revenue Budget	<p>The City Council Revenue Budget for 2021 was adopted by the City Council on the 26th November 2020 and provides for the delivery of services across all programmes. The budgeted expenditure is €1.079 billion. The Capital Programme 2021-2023 will be considered by the City Council in the 1st Quarter 2021.</p>
Motor Taxation	<p>The Motor Tax Office was responsible for the issuing of 98,300 tax discs with a value to the exchequer of €21.2m.</p>
IS Department	<p>99.95% service delivery achieved</p> <p>In excess of 2,500 staff were set up and supported to work remotely during 2020 and key projects delivered included the Rates Rebate Grant system, Development Plan system and a HR eLearning system.</p> <p>Strengthening of our technical environment was undertaken including additional security measures across our infrastructure and Office 365 was deployed across the organisation</p>

Principal Service	Achievements/Highlights for 2020
<p>Customer Services</p>	<p>The Customer Services Centre answered over 200,000 calls with 49.2% of these calls being answered within 30 seconds. The average delay for answering a call was 132 seconds. There was a 61% First Contact Resolution Rate (customers being dealt with, without the need to transfer them to anybody else).</p> <p>In 2020 Customer Services Centre:</p> <ul style="list-style-type: none"> • Processed 47,000+ payments • Dealt with 16,000+ Parking Permit applications • Responded to 36,000+ emails • Logged 23,000+ requests for Housing Maintenance during 2020 • Logged 25,000+ other service requests • Greeted 18,500 visitors to the Civic Offices Reception Desks • Completed in excess of 400,000 transactions and services across a range of customer access channels <p>The customer services centre worked with the Area Offices and other staff across the City Council to provide a local response to the national Community Call Initiative. The COVID-19 Community helpline operated 12 hours a day from 8am to 8pm, 7 days a week for the first three months and has continued during the various level of lockdown, providing vulnerable customers with a contact point with staff of the City Council and voluntary and community bodies delivering essential food and medicines to citizens across the city.</p> <p>Customer Services Centre retained its “Q-mark” for the 12th consecutive year in 2020, with its highest ever score. In addition, the Customer Services Centre was shortlisted for the annual Q Mark Award, for the 12th consecutive year.</p>
<p>An tAonad Forbartha Gaeilge (Irish Development Unit)</p>	<p>In our efforts to increase the skill, standard and number of staff able to deal with the public through Irish, Irish language training at NFQ levels 3, 4, 5 & 6 were arranged for employees. Other practical methods were utilised throughout the year to help expand the skill and understanding of all staff in Irish including language awareness training sessions.</p> <p>In order to create both a visible space and to physically highlight the importance of the language in our city’s culture, Irish continues to be provided on signage, exhibitions, banners, hoarding and information boards etc. in the open public spaces throughout the city.</p>
<p>Facilities Management</p>	<p>With the onset of COVID-19 in March 2020, Facilities Management were a critical unit in keeping the Civic Offices open and operational for essential staff and key services to the public. Safe systems and protocols were put in place across Civic Offices and critical teams such as post room and security revised their operations to provide a service to staff and the public.</p>

Principal Service	Achievements/Highlights for 2020
Transformation Unit	<p>Work continued on organisational change projects to improve service delivery and enhance citizen access to, and experience of, services including:</p> <ul style="list-style-type: none"> • implemented a public appointments system to ensure that Dublin City Council could continue to provide face to face services in a safe environment during COVID-19 • continued upgrading and redesigning citizen-facing telephony systems to improve access for customers who deal with the council by phone • procured a platform to provide a Citizen Hub to enable the delivery of digital services to citizens, businesses and Councillors • reviewed customer complaints to identify areas for service improvements • delivered a programme highlighting the innovative responses in service delivery implemented by the Council during COVID-19 for Innovation Week. • participation in the Bloomberg Philanthropies Digital Innovation Project for European Cities, including a service design project to co-design an innovative approach to improving the housing maintenance service for the organisation and for our customers. • Continued work on the process for procurement of a Works Contractor for the North City Operations Depot (NCOD), Ballymun. City Council approval was received for the NCOD funding strategy in May 2020 and agreement to proceed with awarding the construction contract was granted in October 2020. The tendering process was successfully completed and the Works Contractor has been appointed.

Principal Service	Achievements/Highlights for 2020
<p>Smart Cities</p>	<p>2020 saw an expansion in the roll out of Smart Districts which aim to position Dublin as one of the best places in the world to pilot new technologies. Smart Docklands, providing a platform for start-ups, big tech, the City Council, and academia to come together to accelerate innovation, was ranked No.1 globally for FDI strategy for Smart Locations of the Future by the FDI magazine. The partnership with CONNECT for Smart Docklands has been extended to cover 2020-2022 and build on the success to date.</p> <p>Following on from the success of the Smart Docklands, another 2 districts have been established by Dublin City Council including Smart DCU and Smart D8.</p> <p>Academy of the Near Future is a Smart City Education Programme aimed at Transition Year secondary school students and the local government sector. Over 2020 a number of workshops targeting local schools and City Council employees were delivered while moving the programme and content to online web-based delivery www.nearfuture.ie</p> <p>A 2-year partnership with Dublin City Council Culture Company and Failte Ireland was established to identify future trends relevant to the tourism industry and understand how these might inform current and future projects in all local authority areas. The aim is to position Dublin as a world leader in the development of new technology led solutions for tourism.</p> <p>In 2020 Dublin City Council launched a Public Procurement of Innovative Solutions process to address the challenge of Life Buoy theft/vandalism. The four Dublin local authorities and Water Safety Ireland are currently working with four companies to trial their solutions with an opportunity for the successful solutions to enter a framework with 19 other Local Authorities.</p> <p>The focus on smart technology for mobility continued in 2020 with a number of initiatives including;</p> <ul style="list-style-type: none"> • The Small Business Innovation Research (SBIR) programme (in partnership with Enterprise Ireland) supported roll out of the Smart Mobility Hub shared e-bikes and e-car services across the City Council in partnership with Bleeper Bikes, Nissan, Sixt and UCD and the launch of an innovative sustainable logistics cargo bike and walker solution in Dublin’s city centre with UPS • Delivery of a roadmap focused on ways to introduce mobility as a service across the Dublin region in partnership with the National Transport Agency and Urban Foresight • Participation on a European Funded H2020 project “Senator” which will promote sustainable last mile delivery and development of living labs in Dublin and Zaragoza. Local partners include An Post, UCD and Dublin City Council.

Principal Service	Achievements/Highlights for 2020
Resourcing and Recruitment	<p>Active recruitment was paused in early March while the focus shifted to supporting business continuity across the Council and on-boarding new starts remotely. In April, a class of 45 firefighters were on-boarded, who received full firefighter and paramedic training in the O'Brien Institute and were operational firefighters by year-end.</p> <p>Recruitment recommenced in June and focused on roles that were directly required to meet the critical needs of the Council. Over the remainder of year circa 30 campaigns were run. Technology was utilised to enable interviews to be conducted remotely across all categories of vacancies. This was supported by the development of best practice guidelines and protocols for candidates and board members alike.</p> <p>Numbers employed by the City Council remained steady; the headcount for the Council on 31st December 2020 was 5,933 whole time equivalent (WTE) of 5,618 compared to the previous year where it was 5,961 WTE of 5,641, representing a decrease of less than 0.5 per cent.</p>
Business Continuity	<p>Corporate co-ordination of business continuity planning and management was undertaken to ensure consistent and appropriate responses across the organisation throughout the COVID-19 public health response. New working arrangements and team structures were developed across all service areas. A range of protocols and measures were developed in collaboration with the Health & Safety Office to implement measures to ensure safety of staff while enabling continuity in the delivery of our services.</p>
Equality Office	<p>During 2020 the implementation of the Public Sector Duty Action Plan commenced with its roll-out to Dublin Fire Brigade (DFB) and the preparation of a Public Sector Duty Action Plan specific to the Brigade.</p> <p>Preparations for a new City Integration Strategy and the consultation on the next City Development Plan were aligned with our Public Sector Duty Implementation Framework.</p> <p>The Council also continued its engagement with TU Dublin's Access to Apprenticeship Programme and facilitated work placements for programme participants.</p> <p>Engagement continued with the Council's LGBT+ Staff Network Committee on the Gender Identity and Expression Policy.</p>
Employee Relations & Industrial Relations	<p>Engagement was ongoing between management, employees, Trade Unions and relevant external bodies in addressing organisational change, resolving industrial disputes and ensuring compliance with corporate and employee policies, and also dealt with matters relating to the serious issue of COVID-19. Issues of employees' wellbeing and health & safety were foremost throughout 2020.</p> <p>The City Council continued to progress a number of change proposals under the Public Service Stability Agreements 2018-2020 and worked to ensure the achievement of productivity measures. The management of attendance remained a high priority.</p>

Principal Service	Achievements/Highlights for 2020
Workplace Safety, Health and Welfare	<p>Monitoring the Safety, Health and Wellbeing performance of the Council against international standards was a key priority throughout 2020. The COVID-19 global pandemic generated significant new, unforeseen demands on the Council and employees.</p> <p>A collaborative approach to business continuity and health and safety led to the production of a full range of resources and processes for management and employees to ensure that the Council continued to provide essential public services, whilst ensuring the health and safety of our employees and the public. Such measures included:</p> <ul style="list-style-type: none"> • Development of DCC-specific resources for safe working during COVID-19, in line with prevailing public health and government advice, • Development of a series of resilience webinars for both managers and employees; • Conducting COVID-compliance checks on DCC workplaces; • Overseeing, coordinating and ensuring suitable communication processes with nominated City Council Lead Worker Representatives; • Monitoring and advising on COVID related PPE and related requirements and issues for employees; • Coordinating, with relevant sections, the sanitisation and contract tracing arrangements for operational workplaces affected by COVID-19; • Development and delivery of corporate procedures, systems and processes, including Temporary Remote Working Policy and Toolkit and a corporate e-learning system. • Contributed significantly to the development of COVID-19 related policies and Standard Operating Procedures for the sector. <p>A Health and Wellbeing Unit was established to provide resources, training and initiatives focused initially on the wellbeing and resilience of all employees.</p> <p>Over 640 mandatory health and safety training days were completed. In excess of 70 occupational health surveillance and referral cases were managed with the occupational health service provider.</p>
Learning, Development and Performance Management	<p>A suite of modern training rooms was opened in 2020 to facilitate the delivery of learning and development programmes. The phased roll out of an e-learning platform was commenced which will further facilitate the move to blended learning in 2021.</p>
Core HR Project	<p>The City Council continued the preparatory work required to facilitate the implementation of phase 1 of an integrated Human Resources and Payroll system which is part of the National HR and Payroll Shared Services Programme.</p>
Protected Disclosures	<p>Dublin City Council received 4 protected disclosures in 2020. The current status of the 4 disclosures is as follows:</p> <ul style="list-style-type: none"> • Response Issued: 2 • Under Investigation: 1 • Correspondence Ongoing: 1

Annual Financial Statements

Introduction

I am pleased to present the Annual Financial Statements of Dublin City Council for the financial year ended 31st December 2020. Comparative figures are given for 2019.

Dublin City is the economic hub of the Dublin Region, which in turn is the economic hub of the State. Dublin City has a diverse economy, a source of employment and income for an area well beyond the City itself. Dublin is a centre for retail, financial, higher education, medical, cultural and entertainment activities.

The impact of the Covid 19 pandemic, both tangible and intangible has been considerable. For many businesses, the trading environment was heavily restricted owing to public health measures. For many people, employment ceased as footfall and business activity declined. For many communities the pandemic has resulted in further strain and concern, often heightened among communities already vulnerable. Dublin City Council that is, Elected Members, management and staff alike, showed commitment to making every effort to abide by government advice, ensuring the continuation of essential services and responding to resourcing the delivery of public services.

Review of Dublin City Council's Financial Performance in 2020

Dublin City Council had an overall surplus for the year of €10.9m, which when added to our opening general reserve of €23.8m gave a closing reserve of €34.7m. The Council's bank position at the end of 2020 was a credit balance of €5.73m, and the Council operated in credit for 365 days in 2020. At the year-end, the Council had €280m invested with financial institutes on our behalf and on joint deposit. The City Council's bank/investment balance included a negative €8m relating to Loan Redemptions and Relending, €2.9m received from Irish Water in relation to the operation of the Service Level Agreement, and €17m refundable deposits. Further detail is available in the Statement of Funds Flow.

The value of trade debtors at year-end 2020 decreased to €353.5m gross from €360.8m in 2019, and to €211m net of bad debt provision from €246.6m in 2019. This relates largely to a decrease in government debtors at the end of 2020 of €28.6 m, and an increase in commercial debtors of €19m (see note 5, page 19).

Dublin City Council adjusts and matches both operational day to day spend and its long-term capital investment programme with available funding and resources. Central to all of Dublin City Council's services is the objective to maintain and support businesses and households, more than ever through the pandemic.

Financial Management Measures 2020

The pandemic dominated everyday life during 2020 and in turn the activities of Dublin City Council. During the year, Dublin City Council engaged with government over the severe trading environment that curtailed the capacity of businesses to meet rating liabilities. The loss of non-rates income such as parking charges, planning fees etc. was highlighted as being critical to be addressed so that Dublin City Council could maintain service provision. The spend incurred by Dublin City Council on Covid related issues such as PPE, enabling remote working, DFB etc. was also highlighted. In tandem, Dublin City Council reviewed its cost base, engaging with the Elected Members as part of this process, to ensure that resources were targeted at measures to support everyone in our City during this difficult time.

Three specific government funding support measures in 2020 were key to the capacity of Dublin City Council to maintain service provision:

- The Rates Waiver Scheme
- Funding for lost non-rates income
- Funding for Covid Related additional demands

Accounting Statements, Notes and Appendices

The aim of the Annual Financial Statement is to fairly present the financial position of Dublin City Council as at the end of 2020. This is achieved through the production of Statements, Notes and Appendices, as required by the regulatory accounting framework set by the Minister for Housing, Local Government and Heritage. The purpose of each of these documents is set out in the glossary.

Changes to Accounting Policies

There were no changes to accounting policies effective for the 2020 Annual Financial Statement.

Revenue Expenditure

During 2020, revenue (i.e. day to day operations) expenditure amounted to €1,280.7m with income of €1,291.6m, giving an excess of income over expenditure of €10.9m (see Table 1). This demonstrates an increase in General Reserves of €10.9m.

Table 1: Revenue Expenditure 2020

	€m
Revenue Expenditure on City Council Service	1,280.70
Revenue Income (Government Grants, Service Charges & Rates)	1,291.60
Excess of Expenditure over Income	10.9

See note 16

Transfers to Reserve Fund

As required by the regulatory accounting framework set by the Minister for Housing, Local Government and Heritage, expenditure shown in the 2020 Statement of Comprehensive Income is net of transfer to reserves (i.e. transfer to reserves are excluded). Note 14 “Transfers from / (to) Reserves” provides greater detail on these transfers. The movement from gross expenditure to net expenditure indicated in the AFS is set out in Table 2.

Table 2: Analysis of Expenditure 2020

	€m
Expenditure	1,215.40
Transfers to Capital A/c	50.2
Transfers to Reserve-loans	15.1
Final Expenditure	1,280.70

See Note 14

Income is also expressed in the AFS net of transfers from reserves, as presented in Table 3.

Table 3: Analysis of Income 2020

	€m
Income	908.7
Rates Income	357.7
Local Property Tax	23.1
Income before Transfers	1,289.50
Plus Transfers from Reserves	2.1
Final Income	1,291.60

See Note 15

Capital Expenditure

Expenditure in 2020 on Capital projects and investment net of internal transfers was €347m. This spend forms part of the Capital Programme 2020 to 2022 of €2,647m. This expenditure of €347m was funded through income net of transfers of €343.5m and net transfers of €48.1m, giving an excess of income over expenditure of €44.6m. (See Table 4).

Table 4: Capital Account 2020

	€m
Opening Balance (Credit)	121.7
Expenditure as at 31 st December 2020	347.0
Income	343.5
Net Transfers (€50.2 - €2.1)	48.1
Closing Balance 31 st December 2019 (Credit)	166.3

See Appendix 5

Accounting Policies

The Accounting Policies used in the preparation of the AFS are set out in the Statement of Accounting Policies. Dublin City Council is fully compliant with the regulatory accounting framework as determined by the Department of the Housing, Local Government and Heritage.

Statutory Audit

Dublin City Council undergoes an annual audit, required by statute, carried out by the Local Government Audit Service (LGAS). The Audit for the financial year 2020 commenced in January 2021. This Audit provides an independent review to help assure a fair presentation of Dublin City Council's financial position. Dublin City Council is also subject to audit in relation to EU funding, NRA funding, tax compliance and audits with a Value For Money objective through the LGAS.

Development Contributions

Section 48 of the Planning & Development Act, 2000, as amended, enables a Planning Authority, when granting planning permission under Section 34 of the Act, to attach conditions requiring the payment of a contribution in respect of public infrastructure and facilities benefiting the development of the administrative area of the Planning Authority. This relates to public infrastructure and facilities that are provided, or that it is intended will be provided, by or on behalf of the Local Authority (regardless of other sources of funding for the infrastructure and facilities).

Section 48 (2) specifies that the basis for the determination of the contribution shall be set out in a Development Contribution Scheme. Dublin City Council's first Development Contributions Scheme under the 2000 Act came into operation on 1st January 2004. The current Dublin City Council Development Contribution Scheme 2020-2023 was adopted by the City Council in March 2020 following the review of the 2016-2020 scheme. The Annual Financial Statement for the financial year 2020 includes values for development contributions debtors as set out in Table 5.

Table 5: Development Contributions Debtors 2020

	€m
Development Contributions Outstanding at the Year End	46.4

See Note 5

Rates

Rates are levied by Dublin City Council on the occupiers and owners (in some cases) of commercial properties in Dublin City. Rates income in 2020 amounted to €357.7m, and accounts for 28% of Dublin City Council's funding for day-to-day services.

Rates are based on rateable valuations of properties as set by the Commissioner of Valuation, and the Annual Rate on Valuation (the multiplier) is determined each year by Reserved Function of the Elected Members of Dublin City Council (see Table 6).

Table 6: Rates Income 2017 – 2020

	2017	2018	2019	2020
Commercial Rateable Valuation of City	1.246b	1.256b	1.296b	1.335b
ARV (multiplier)	0.258	0.258	0.261	0.268
Rates Income	321.5m	324.3m	338.3m	357.7

Commercial rates underpin all services provided by Dublin City Council. The City Council exercises restraint in setting commercial rate charges in order to support competitiveness in the economy, nationally and locally, and to sustain the commercial rate base within the City. It should be noted that commercial rates are a significant funding source for Dublin City Council services and therefore the performance on rate collection is critical. Two key issues influenced the 2020 rate collection outcome. These are the financial impact of Covid 19 on ratepayers and the lower level of collection on the incoming arrears from prior years given that the majority of those ratepayers were significantly impacted by business closures. Arrears at the end of 2020 have increased by €11.1m to €34.1m. Dublin City Council’s collection of the current year charge has decreased in 2020 to 84%.

Table 7: Rates arrears 2016 – 2020

2016	2017	2018	2019	2020
€m	€m	€m	€m	€m
41.1	32.4	27.8	23.1	34.1

Dublin City Council carries out a delicate balancing act in ensuring that local businesses pay rates while conscious of supporting those businesses where financial pressures present. The council operates its rates policy on a consistent basis, with flexibility and reasonableness, seeking to ensure that where financial difficulties exist, arrangements can be put in place which allows rates to be paid on a basis that facilitates businesses to continue trading.

Table 8: Commercial Rate Payer Bands 2020

CHARGE 2020	No Of Accounts	Cumulative total	% per band	Cumulative Total	Total debit per band	% of Debit	Cumulative Total
€1 - €999	1910	1910	9.39%	9.39%	€ 1,163,696.73	0.33%	0.33%
€1,000 - €3,000	5776	7686	28.39%	37.78%	€ 11,268,967.78	3.15%	3.48%

€5,000 - €10,000	3978	15316	19.55%	75.29%	€ 27,936,285.55	7.81%	15.27%
€10,000 - €25,000	2880	18196	14.16%	89.45%	€ 44,394,650.34	12.41%	27.69%
€25,000 - €50,000	1098	19294	5.40%	94.84%	€ 38,553,349.96	10.78%	38.46%
€50,000 - €75,000	402	19696	1.98%	96.82%	€ 24,299,505.28	6.79%	45.26%
€75,000 - €100,000	168	19864	0.83%	97.65%	€ 14,493,943.04	4.05%	49.31%
€100,000 - €500,000	413	20277	2.03%	99.68%	€ 81,408,666.66	22.76%	72.07%
€500,000 -	66	20343	0.32%	100.00%	€ 99,909,229.37	27.93%	100.00%
TOTAL	20343		100.00%		€ 357,693,512.41	100.00%	

Details of commercial ratepayers in Dublin City by band in 2020 are set out in Table 8 above. 75% of commercial ratepayers had a rates charge in 2019 of €10k or under, 55% had a 2019 rates charge of €5k or less while almost 38% had a rates charge in 2020 of under €3k. By contrast, over 50% of the total rates debit was paid by 2% of commercial rate payers or 479 accounts. The Annual Rate on Valuation was held stable in the 2021 Budget.

Rates Waiver Scheme 2020

A commercial rates waiver effective for nine months from the 27th March was introduced by the Minister for Housing, Local Government & Heritage. The scheme was intended to enhance the supports available for enterprise and in recognition of the fact that, not only had many ratepayers been forced to close business due to the public health requirements, but many others who remained open suffered significant reductions in turnover. The scheme provided for certain categories of businesses to be excluded. The 100% waiver for 9 months was applied to 18,783 accounts which represented 92% of total rate accounts. The value of the waiver as applied was €159.5M which was 60% of the charge for the 9 months period. (See Table 9)

Table 9: Rates Waiver by Charge Range

Charge 2020	No. of Accounts	No. of Rates Waiver Accounts	% of Accounts Waiver Applied	Rates Waiver Credit €m
0.00-999	1,910	1,699	89.0%	0.8
1,000-2,999	5,776	5,461	94.5%	8.0
3,000-4,999	3,652	3,496	95.7%	10.3
5,000-9,999	3,978	3,794	95.4%	20.0
10,000-24,999	2,880	2,675	92.9%	30.7
25,000-49,999	1,098	981	89.3%	25.7
50,000-74,999	402	330	82.1%	15.0
75,000-99,999	168	146	86.9%	9.4
100,000+	479	201	42.0%	39.6
Total	20,343	18,783	92.3%	159.5

Non-rates Income and Additional Service Provision Costs 2021

In November 2020 Government confirmed that Dublin City Council would receive funding in respect of lost non-rates and additional Covid related service provision costs. This funding was confirmed in March 2021 and is set out in Table 10.

Table 10: 2020 Covid Funding

	€m
Non-rates income shortfall	23.6
Additional Covid related costs	10.5
Total Funding received	34.1

Government Assistance to Businesses: Restart Grant 2020

A national €250m Restart Grant Scheme was launched in May 2020, giving direct grant aid to micro and small businesses. It was intended to help businesses with costs associated with re-opening and re-employing workers following COVID-19 closures. Businesses with a turnover of less than €5m and employing 50 people or less, which were closed or impacted by at least a 25% reduction in turnover between 1st April and 30th June 2020 were eligible.

The Restart Grant Plus Scheme commenced in August 2020. Businesses that received a Restart Grant were eligible to re-apply to receive additional funding under this scheme. The Restart Grant Plus Scheme was based on the amount of the rates assessment for the premises for 2019 with a new minimum grant of €4,000 and a maximum grant of €25,000 up from €2,000 minimum and €10,000 maximum in the Restart Grant Scheme.

Further changes were made from October to payments made to businesses who were approved the Restart Grant Plus Scheme, arising from localised lockdowns. In Dublin, businesses received two top up payments, 30% due to the September move to level 3 lockdown and 20% in October due to a move to level 5 lockdown. Overall all businesses received an additional 50% top up on their original Restart Grant Plus awarded amount

Table 11 below sets out the number of grants approved and the value of grants paid by Dublin City Council. The total amount dispersed by the Council is €98,114,609. This was paid to 6,368 businesses and involved 24,499 separate payments.

Financial Management

System of Internal Controls

The Executive of Dublin City Council acknowledges its responsibility for systems of internal control in Dublin City Council including putting in place processes and procedures for the purpose of ensuring that control systems are effective. These systems can provide reasonable and not absolute assurance that assets are safeguarded, transactions are authorised and properly recorded, and that material errors or irregularities are either prevented or detected in a timely period. Effective internal control systems enable Dublin City Council to meet its responsibilities for the integrity and accuracy of its accounting records.

Dublin City Council has taken steps to ensure an appropriate control environment is in place by:

- Clearly defining and documenting management's responsibilities and powers
- Strengthening a strong culture of accountability across all levels of the organisation
- The work of Internal Audit
- The work of the Central Procurement Office
- The work of the Risk Management Unit
- The work of the Ethics Officer
- The work of the Audit Committee
- The work of the Corporate Projects Support Office
- The Public Spending Code
- External Audit and scrutiny through many channels including NOAC.

Financial management reporting in Dublin City Council is robust and thorough. A rigorous system of monthly financial monitoring ensures that any significant budget variances are identified and appropriate actions are taken to minimise any adverse financial impact. The system of internal financial control is based on a framework of regular management information, administrative procedures including segregation of duties, and a system of delegation and accountability. In particular it includes:

- A comprehensive budgeting system with an Annual Budget which is reviewed and agreed by the Elected Members
- Regular financial reviews; weekly, monthly and quarterly financial reports which indicate financial performance against forecasts on both expenditure and income and variance analysis evaluation
- Setting targets to measure financial and other performances
- Clearly defined capital investment control guidelines
- Formal project management disciplines
- Strict policies and procedures for the receipt, recording and control of monies. These procedures are regularly reviewed and audited.

Internal Audit

The primary role of Internal Audit is to provide assurance to Senior Management and to the Audit Committee that the various risks facing the Council have been identified and appropriate internal controls are in place to manage those risks.

Internal Audit is a key player in the Corporate Governance process and makes a valuable contribution to the effective management of Dublin City Council. The concepts of accountability and transparency are important principles in responsible governance, implying openness to scrutiny and a requirement to report on performance. Internal Audit facilitates this process by providing an independent review function to management, to assure that services are being provided in an efficient, effective and

economic manner and in conformity with legal requirements. In 2020, 6 Internal Audit Reports were completed, including 3 “In Depth” Check Reports as required under the Public Spending Code.

Management and Staff

Over the course of 2020, the resilience, ingenuity, determination and dedication of Dublin City Council staff has shone through. Staff have shown agility, enthusiasm in achieving a purpose, shared with management and the Elected Members, of securing the best outcome for our City and those who use our services.

Dublin City Council is fully committed to the development of staff, including the strengthening of staff wellbeing reflecting the specific context of the pandemic based work environment. The health and safety of staff is an absolute priority and all work activities have been guided by public health advice and the best interests of staff and customers.

The Council is an equal opportunities employer. Finance Department and other Departments operate a Continuing Professional Development Support Scheme for staff to assist in retaining and developing professional skills and knowledge.

Finance Strategic Policy Committee (SPC) 2020

The Finance Strategic Policy Committee provides leadership and direction on key areas relating to the financing of Dublin City Council. Key topics pursued during 2020 were:

Funding issues:

- Transient Visitor Levy
- Funding for Rates and Local Authority Services
- Funding the Maintenance of Dublin City Council's Road Network
- Rates Debtors year end 31st December 2019
- Provision for Rates Alleviation Schemes - Briefing Note
- Review of the feasibility of the implementation of Crowdfunding and/or Participatory Budgeting
- Rates Waiver Scheme
- Crowdfunding

Governance Issues:

- Audit Committee – Agreed Minutes for review

Presentations/Reports to the Committee included:

- Housing Rent Arrears
- Rates Act 2019
- Factors Impacting on the Maintenance of Dublin City Council's Roads Network
- Dublin City Council's ICT Transition and Response to Covid 19
- Restart Grant and Restart Grant Plus Updates

Motions on:

- Seeking the supply of tenders by Dublin City Council for a citywide community insurance scheme.
- Overview of Spending - leaflet/videos for public circulation

Overview of Priorities for 2021

Covid Measures

Dublin City Council will continue to adapt services to businesses and communities so that, when safe, people deemed can work, meet, shop and socialise in our City again. Preparations are being made so that when the existing (March 2021) Level 5 restrictions are eased, Dublin City Council will swiftly provide services and supports to businesses and communities.

Post pandemic Dublin

2020 was a unique year owing to the health, social, financial and economic impacts of the Covid 19 pandemic. There is evidence that the pandemic has had a disproportionate impact on the Dublin economy, given the importance of key service sectors (retail, tourism, hospitality, arts/culture and transport) and especially the economy of the City Centre, our nation's Capital. Apart from the direct impact on businesses, Covid 19 restrictions, which curtailed public transport capacity, have seriously restricted access to the City Centre and further undermined City Centre retail and associated business activity.

The pandemic resulted in a behavioural shift to remote working and encouraged the wholesale relocation of what were previously City Centre based employees in parallel with increased online retail activity, both to Dublin's detriment. Dublin is not unique in this regard, as evidence from around the world is pointing to a more severe pandemic impact for Cities as against small towns and rural areas.

Local Property Tax

Central to developing sustainable local government funding necessary for the post pandemic environment is a major overhaul of the Local Property Tax (LPT). This tax was introduced in July 2013 and since then discretionary LPT funding available to Dublin City Council for consideration as part of the budgetary process has been below expectations and most disappointing. The LPT framework as applied to Dublin City Council, has not had a favourable outcome in supporting service provision. In each successive year, the net additional funding through the LPT, to be allocated at the discretion of the Elected Members, is typically about 5% or in 2021 €4.1m of the total LPT Dublin City basic liability of €81.6m.

The LPT outcome is that other local authorities and the exchequer are the major recipients of the LPT tax yield of Dublin City householders. For example in 2021 €16.3m or 20% of the basic liability is removed to the National Equalisation Fund for allocation to local authorities as determined by the Department. Dublin City Council has not, as yet, received funding from the national equalisation process. The Elected Members voted for and applied a 15% reduction to the basic LPT rate for Dublin City, thereby reducing householder's liability but in turn potential City Council funding for services by €12.2m.

The Department then informs Dublin City Council of an amount of LPT receipts to be used for for the 'self-funding' of housing and roads. 'Self-funding' is a term used by Government in the context of LPT using a needs and resources approach. It implies that local authorities categorized as 'self-funding' have enough resources to meet their needs. In the context of LPT, 'self-funding' local authorities have LPT receipts allocated as a substitute for previous grant funding. Dublin City Council has been informed that in 2021 €29.9m LPT receipts will fund housing and roads services, previously grant funded. In addition, LPT receipts are applied to baseline funding, specifically pension related deductions and the General Purpose Grant. As described above, both matters were previously funded by the Department but are now funded by LPT receipts. These involve a further €19.1m. The net residual €4.1m is funding yield to Dublin City Council for Elected Members to have discretion on how

those funds are applied. This represents 5% of the total value of potential LPT funding. See Table 12 below.

Table 12 – Discretionary LPT Allocation

LPT allocations of LPT Funding Y2020 & Y2021			
	2020	2021	Movement
	€	€	€
Dublin City LPT - 100%	80,298,493	81,654,541	1,356,048
Equalisation Fund - 20%	16,059,699	16,330,908	271,210
LPT Retained Locally - 80%	64,238,794	65,323,633	1,084,838
15% Reduction (Passed by council resolution)	12,044,774	12,248,181	203,407
LPT Funding	52,194,020	53,075,452	881,431
			-
<i>Distribution of LPT Funding</i>			
Self Funding - Housing & Roads	29,083,504	29,897,133	813,629
Pension Related Deduction (PRD)	16,428,262	16,428,262	-
Historic Funding (General Purpose Grants)	2,667,330	2,667,330	-
Discretionary Funding	4,014,924	4,082,727	67,802
	52,194,020	53,075,452	881,431

Conclusion

Dublin City Council staff made a huge effort in 2020 to maintain council services to the greatest possible extent, while complying with public health guidelines. Staff have worked in ways so as to reduce the spread of the virus. The commitment of staff and management of all City Council services who, with the support of the Elected Members, provided services for the citizens of Dublin is very much recognised and appreciated.

I would like to thank the staff of all departments for their co-operation and especially my colleagues in the Finance Department for their work in producing the Annual Financial Statement, in particular Antoinette Power, Head of Financial Accounting and the staff of the Financial Accounting Unit. I also wish to thank the members of Dublin City Council in relation to their consideration in resolving the many financial issues which arose during 2020.

I wish to recognise the work of the members of the Finance Strategic Policy Committee and the Audit Committee. In making their contribution, they give generously of their time, skills and experience.

I would like to thank Louise Ryan, Chairperson of the Audit Committee for her commitment to governance and accountability. I would also like to thank Councillor Séamas McGrattan, Chairperson of the Finance Strategic Policy Committee for his commitment to securing funding for Dublin City Council.

Kathy Quinn, FCPFA
Head of Finance

Statement of Accounting Policies

1. General

The accounts have been prepared in accordance with the Accounting Code of Practice ACoP on local authority accounting, as revised by the Department of Housing, Local Government and Heritage (DHLGH) at 31st December 2020. Non-compliance with accounting policies as set out in ACoP must be stated in the Policies and Notes to the Accounts.

2. Statement of Funds Flow (Funds Flow Statement)

A Statement of Funds Flow has been introduced as part of AFS 2011. While the guidance of International Accounting Standard 7 Statement of Cash Flows has been followed, the business of local authorities is substantially different to most private sector organisations and therefore some minor changes to the format have been agreed to ensure the data displayed is meaningful and useful within the local government sector. For this reason the statement is being referred to as a 'Statement of Funds Flow'. The financial accounts now include a Statement of Funds Flow shown after the Statement of Financial Position (Balance Sheet). Notes 17 – 22 relate to the Statement of Funds Flow and are shown in the Notes on and forming part of the Accounts section of the AFS. Note 19 details Project/Non Project/Affordable/Voluntary balances, which can be either a debit or a credit balance. The funds flow assumes that these are debit balances and bases the (Increase)/Decrease description on this.

3. Accruals

The revenue and capital accounts have been prepared on an accrual basis in accordance with the Code of Practice.

4. Interest Charges

Loans payable can be divided into the following two categories:

- Mortgage related loans
- Non- mortgage related loans

4.1 Mortgage Related Loans

Mortgage related loans have a corresponding stream of income from long term advances (i.e. monies lent by the local authorities to borrowers), for the purchase of houses. Only the interest element is charged or credited to the Statement of Comprehensive Income (Income and Expenditure Statement).

4.2 Non Mortgage Related Loans

Note 7 to the accounts sets out the types of borrowing under this heading. Loans relating to assets/grants, revenue funding will not have a corresponding stream of income. Bridging finance will eventually become part of permanent funding. Loans in respect of the other headings will have a corresponding value in Note 3.

5. Pensions

Payments in respect of pensions and gratuities are charged to the revenue account in the accounting period in which the payments are made. The cost of salaries and wages in the accounts includes deductions in respect of pension contributions (including Widows and Orphans) benefits under the Local Government Superannuation Scheme and the Single Public Service Pension Scheme.

The Single Public Service Pension Scheme ("Single Scheme") commenced with effect from 1 January 2013. Employee contributions for the Single Scheme continue to be deducted by local authorities but are remitted centrally to DPER.

6. Agency and Other Services

Expenditure on services provided or carried out on behalf of other local authorities is recouped at cost or in accordance with specific agreements.

7. Provision for Bad & Doubtful Debts

Provision has been made in the relevant accounts for bad & doubtful debts.

8. Fixed Assets

8.1 Classification of Assets

Fixed assets are classified into categories as set out in the Statement of Financial Position (Balance Sheet). A further breakdown by asset type is set out in note 1 to the accounts.

8.2 Recognition

All expenditure on the acquisition or construction of fixed assets is capitalised on an accrual basis.

8.3 Measurement

A Statement of Financial Position (Balance Sheet) incorporating all of the assets of the local authority was included for the first time in the Annual Financial Statement for 2003. The assets were valued based on the 'Valuation Guideline' issued by the DHPLG. All assets purchased or constructed from 1/1/2004 have been included at cost. Accounting policies relating to leases are currently being developed and will be reflected in the financial statements at a future date.

8.4 Revaluation

As set out in a revision to the Accounting Code of Practice it is policy to show fixed assets at cost. Maintenance and enhancement costs associated with Infrastructure assets are not currently included in fixed assets but will be reviewed at a future date. Due to their physical nature the vast majority of assets are unique to local authorities and are not subject to disposal. Any loss or gain associated with the net realisable value of the remaining general assets subject to disposal, are accounted for at time of disposal.

8.5 Disposals

In respect of disposable assets, income is credited to a specific reserve and is generally applied in the purchase of new assets. Proceeds of the sale of local authority houses are to be applied as directed by the DHLGH.

8.6 Depreciation

Under the current method of accounting, the charge for depreciation is offset by the amortisation of the source of funding the asset. This method has a neutral impact on Income & Expenditure and consequently the charge for depreciation and the corresponding credit from amortisation is excluded from the Statement of Comprehensive Income (Income & Expenditure Statement).

The policies applied to assets subject to depreciation are as follows:

Asset Type	Bases	Depreciation Rate
Plant & Machinery		
- Long life	S/L	10%
- Short life	S/L	20%
Equipment	S/L	20%
Furniture	S/L	20%
Heritage Assets		Nil
Library Books		Nil
Playgrounds	S/L	20%
Parks	S/L	2%
Landfill sites (*See note)		
Water Assets		
- Water schemes	S/L	Asset life over 70 years
- Drainage schemes	S/L	Asset life over 50 years

The Council does not charge depreciation in the year of disposal and will charge a full year's depreciation in the year of acquisition.

* **The value of landfill sites has been included in note 1 under land. Depreciation represents the depletion of the landfill asset.**

9. Government Grants

Government grants are accounted for on an accrual basis. Grants received to cover day-to-day operations are credited to the Statement of Comprehensive Income (Income & Expenditure Statement). Grants received, relating to the construction of assets, are shown as part of the income of work-in-progress. On completion of the project the income is transferred to a capitalisation account.

10. Development Debtors & Income

Short term development levy debtors are included in note 5. Income from development contributions not due to be paid within the current year is deferred and not separately disclosed in the financial statements.

11. Debt Redemption

The proceeds from the early redemption of loans by borrowers, are applied to the redemption of mortgage related borrowings from the HFA.

12. Lease Schemes

Rental payments under operating leases are charged to the Statement of Comprehensive Income (Income & Expenditure Statement). Assets acquired under a finance lease are included in fixed assets. The amount due on outstanding balances is shown under current liabilities and long-term creditors.

13. Stock

Stocks are valued on an average cost basis.

14. Work-in-Progress & Preliminary Expenditure

Work-in progress and preliminary expenditure is the accumulated historical cost of various capital related projects. The income accrued in respect of these projects is shown in the Statement of Financial Position (Balance Sheet) as 'Income WIP'.

15. Interest in Local Authority Companies

The interest of Dublin City Council in companies is listed in Appendix 8.

16. Related Parties

- I. A related party transaction is a transfer of resources, services or obligations between the local authority and a related party. The main related parties for a local authority include the following:

- i. Management and Personnel
- ii. Council members
- iii. Government Departments
- iv. Local Authority Companies

Local Authority council members and key personnel are bound under the relevant sections of the Local Government Act 2001 and subsequent amending legislation to:

- a. furnish an annual declaration of 'declarable interests' set out in section 175 of the Act;
- b. disclose under sections 167, 178 and 179 any beneficial interests that they or a connected person has; and
- c. follow a code of conduct issued by the Minister for Housing, Local Government and Heritage under section 169 of the Local Government Act 2001 in 2004.

'Declarable interests' cover both financial and certain other interests such as land etc. Local authority management and personnel salary and remuneration is determined by the Department of Housing, Local Government and Heritage in line with central government policy on rates of pay. Local Authority interests in companies and joint ventures are disclosed in Appendix 8 to the Annual Financial Statements. Local Authority transactions with government departments are governed by central government controls and procedures driven by government accounting rules.

2020 Annual Financial Statements and General

STATEMENT OF COMPREHENSIVE INCOME (INCOME & EXPENDITURE ACCOUNT STATEMENT)					
FOR YEAR ENDING 31st DECEMBER 2020					
The Income and Expenditure Account Statement brings together all the revenue related income and expenditure.					
It shows the surplus/(deficit) for the year. Transfers to/from reserves are shown separately and not allocated by service division.					
Note 16 allocates transfers by service division in the same format as Table A of the adopted Local Authority budget.					
Expenditure by Division

Performance Indicator Report 01 January 2020 – 31st December 2020

Topic	Indicator	Value
Housing: H1, H2 & H4	A. No. of dwellings in the ownership of the LA at 1/1/2020	26,150
	B. No. of dwellings added to the LA owned stock during 2020 (whether constructed or acquired)	TBC
	C. No. of LA owned dwellings sold in 2020	25
	D. No. of LA owned dwellings demolished in 2020	28
	E. No. of dwellings in the ownership of the LA at 31/12/2020	26,479
	F. No. of LA owned dwellings planned for demolition under a DHPLG approved scheme	439
	A. The percentage of the total number of LA owned dwellings that were vacant on 31/12/2020	2.64 %
	The number of dwellings within their overall stock that were not tenanted on 31/12/2020	688
	A. Expenditure during 2020 on the maintenance of LA housing compiled from 1 January 2020 to 31 December 2020, divided by the no. of dwellings in the LA stock at 31/12/2020, i.e. the H1E less H1F indicator figure	€2,439.93
	Expenditure on maintenance of LA stock compiled from 1 January 2020 to 31 December 2020, including planned maintenance and expenditure that qualified for grants, such as SEAI grants for energy efficient retro-fitting works or the Fabric Upgrade Programme but excluding expenditure on vacant properties and expenditure under approved major refurbishment schemes (i.e. approved Regeneration or under the Remedial Works Schemes).	€63,535,817
	Housing: H3 & H5	A. The time taken from the date of vacation of a dwelling to the date in 2020 when the dwelling is re-tenanted, averaged across all dwellings re-let during 2020
B. The cost expended on getting the dwellings re-tenanted in 2020, averaged across all dwellings re-let in 2020		€21346.12
The number of dwellings that were re-tenanted on any date in 2020 (but excluding all those that had been vacant due to an estate-wide refurbishment scheme)		715
The number of weeks from the date of vacation to the date the dwelling is re-tenanted		10,849 wk
Total expenditure on works necessary to enable re-letting of the dwellings		€15,262,478
A. Total number of registered tenancies in the LA area at end of June 2020		75,103
B. Number of rented dwellings inspected in 2020		2,224
C. Percentage of inspected dwellings in 2020 that were found not to be compliant with the Standards Regulations		78.10 %
D. Number of dwellings deemed compliant in 2020 (including those originally deemed non-compliant)		3,446
Housing: H6	A. Number of adult individuals in emergency accommodation that are long-term homeless as a % of the total number of homeless adult individuals in emergency accommodation at the end of 2020	16.93 %

	The number of adult individuals classified as homeless and in emergency accommodation on the night of 31 December 2020 as recorded on the PASS system	4,058
	The number out of those individuals who, on 31/12/2020, had been in emergency accommodation for 6 months continuously, or for 6 months cumulatively within the previous 12 months	687
Roads: R1 & R2	A. (a) The % of Regional road kilometres that received a PSCI rating in the 24 month period prior to 31/12/2020	7.40 %
	A. (b) The % of Local Primary road kilometres that received a PSCI rating in the 24 month period prior to 31/12/2020	83.90 %
	A. (c) The % of Local Secondary road kilometres that received a PSCI rating in the 24 month period prior to 31/12/2020	67.60 %
	A. (d) The % of Local Tertiary road kilometres that received a PSCI rating in the 60 month period prior to 31/12/2020	87.00 %
	B. (a.1) The % of total Regional road kilometres with a PSCI rating of 1-4 at 31/12/2020	9.30 %
	B. (a.2) The % of total Regional road kilometres with a PSCI rating of 5-6 at 31/12/2020	33.20 %
	B. (a.3) The % of total Regional road kilometres with a PSCI rating of 7-8 at 31/12/2020	20.80 %
	B. (a.4) The % of total Regional road kilometres with a PSCI rating of 9-10 at 31/12/2020	31.20 %
	B. (b.1) The % of total Local Primary road kilometres with a PSCI rating of 1-4 at 31/12/2020	14.10 %
	B. (b.2) The % of total Local Primary road kilometres with a PSCI rating of 5-6 at 31/12/2020	39.60 %
	B. (b.3) The % of total Local Primary road kilometres with a PSCI rating of 7-8 at 31/12/2020	15.50 %
	B. (b.4) The % of total Local Primary road kilometres with a PSCI rating of 9-10 at 31/12/2020	21.70 %
	B. (c.1) The % of total Local Secondary road kilometres with a PSCI rating of 1-4 at 31/12/2020	11.20 %
	B. (c.2) The % of total Local Secondary road kilometres with a PSCI rating of 5-6 at 31/12/2020	49.50 %
	B. (c.3) The % of total Local Secondary road kilometres with a PSCI rating of 7-8 at 31/12/2020	12.30 %
	B. (c.4) The % of total Local Secondary road kilometres with a PSCI rating of 9-10 at 31/12/2020	14.80 %
	B. (d.1) The % of total Local Tertiary road kilometres with a PSCI rating of 1-4 at 31/12/2020	18.90 %
	B. (d.2) The % of total Local Tertiary road kilometres with a PSCI rating of 5-6 at 31/12/2020	35.10 %
	B. (d.3) The % of total Local Tertiary road kilometres with a PSCI rating of 7-8 at 31/12/2020	27.00 %
	B. (d.4) The % of total Local Tertiary road kilometres with a PSCI rating of 9-10 at 31/12/2020	10.60 %
	A1. Kilometres of regional road strengthened during 2020	10.4 km
	A2. The amount expended on regional roads strengthening work during 2020	€3,402,931.00
	A3. The average unit cost of regional road strengthening works per square metre (€/m ²)	€55.11

	B1. Kilometres of regional road resealed during 2020	-
	B2. The amount expended on regional road resealing work during 2020	-
	B3. The average unit cost of regional road resealing works per square metre (€/m ²)	-
	C1. Kilometres of local road strengthened during 2020	14.5 km
	C2. The amount expended on local road strengthening work during 2020	€4635927.00
	C3. The average unit cost of local road strengthening works per square metre (€/m ²)	€57.23
	D1. Kilometres of local road resealed during 2020	-
	D2. The amount expended on local road resealing work during 2020	-
	D3. The average unit cost of local road resealing works per square metre (€/m ²)	-
Motor Tax: R3	A. The percentage of motor tax transactions which were dealt with online (i.e. transaction is processed and the tax disc is issued) in 2020	92.01 %
Water: W1 & W2	% of Private Drinking Water Schemes in compliance with statutory requirements in respect of the monitoring of the quality of private drinking water supplies during 2020	-
	The number of registered schemes monitored by each local authority as a percentage of total schemes registered	-
	The number of registered schemes monitored in 2020	0
	Total number of registered schemes in 2020	0
Waste: E1	A. The number of households, based on the 2016 Census, who are situated in an area covered by a licensed operator providing a 3 bin service at 31/12/2020	118,516
	B. The % of households within the local authority that the number at A represents (based on agglomerations of more than 500)	67.12 %
Environmental Pollution: E2	A1. Total number of pollution cases in respect of which a complaint was made during 2020	27,191
	A2. Number of pollution cases closed from 1/1/2020 to 31/12/2020	26,689
	A3. Total number of cases on hands at 31/12/2020	887
	The opening number of cases carried forward from the year end 2019	TBC
Litter Pollution: E3	A1. The % of the area within the LA that when surveyed in 2020 was unpolluted or litter free	22 %
	A2. The % of the area within the LA that when surveyed in 2020 was slightly polluted	52 %
	A3. The % of the area within the LA that when surveyed in 2020 was moderately polluted	20 %
	A4. The % of the area within the LA that when surveyed in 2020 was significantly polluted	6 %
	A5. The % of the area within the LA that when surveyed in 2020 was grossly polluted	1 %

Green Flag Status: E4	A. The % of schools that have been awarded/renewed green flag status in the two years to 31 December 2020	34.23 %
	Schools which attained a Green Flag for the first time in 2020	5
	Schools which renewed their Green Flag in 2020	42
	Schools which held a Green Flag from 2019 and therefore do not require renewal until 2021	55
Energy Efficiency: E5	A. The cumulative % of energy savings achieved by 31/12/2020 relative to baseline year (2009)	TBC (SEAI)
Public Lighting: E6	A. Total billable wattage of the public lighting system	20407.00 MWh
	B. Average billable wattage of the public lighting system	105.00 W
	C. Percentage of the total system that LED lights represent	22.00 %
	Number of LED lights in the public lighting system	10340
	Number of SOX-SON lights in the public lighting system	36660
Planning: P1	A. Buildings inspected as a percentage of new buildings notified to the local authority	70.03 %
	Total number of new buildings notified to the local authority i.e. buildings where a valid Commencement Notice was served in the period 1/1/2020 to 31/12/2020 by a builder or developer on the local authority	387
	Number of new buildings notified to the local authority in 2020 that were the subject of at least one on-site inspection during 2020 undertaken by the local authority	271
Planning: P2 & P3	A. Number of LA planning decisions which were the subject of an appeal to An Bord Pleanála that were determined by the Board on any date in 2020	338
	B. % of the determinations at A which confirmed (either with or without variation) the decision made by the LA	81.07 %
	Number of determinations confirming the LA's decision (either with or without variation)	274
	A. Total number of planning cases referred to or initiated by the local authority in the period 1/1/2020 to 31/12/2020 that were investigated	1,443
	B. Total number of investigated cases that were closed during 2020	1,202
	C. % of the cases at B that were dismissed as trivial, minor or without foundation or were closed because statute barred or an exempted development	43.18 %
	D. % of cases at B that were resolved to the LA's satisfaction through negotiations	0 %
	E. % Cases at B that were closed due to enforcement proceedings	56.82 %
	F. Total number of planning cases being investigated as at 31/12/2020	3,290
	Number of cases at 'B' that were dismissed under section 152(2), Planning and Development Act 2000	519
	Number of cases at 'B' that were resolved to the LA's satisfaction through negotiations	0

	Number of cases at 'B' that were closed due to enforcement proceedings	683
Planning: P4 & P5	A. The 2020 Annual Financial Statement (AFS) Programme D data divided by the population of the LA area per the 2016 Census	€30.37
	AFS Programme D data consisting of D01 - Forward Planning, D02 - Development Management, D03 - Enforcement (inclusive of the relevant Programme D proportion of the central management charge) for 2020	€16,843,103
	A. The percentage of applications for fire safety certificates received in 2020 that were decided (granted or refused) within two months of their receipt	26.99 %
	B. The percentage of applications for fire safety certificates received in 2020 that were decided (granted or refused) within an extended period agreed with the applicant	44.29 %
	The total number of applications for fire safety certificates received in 2020 that were not withdrawn by the applicant	289
	The number of applications for fire safety certificates received in 2020 that were decided (granted or refused) within two months of the date of receipt of the application	78
	The number of applications for fire safety certificates received in 2020 that were decided (granted or refused) within an agreed extended time period	128
Fire Service: F1	A. The Annual Financial Statement (AFS) Programme E expenditure data for 2020 divided by the population of the LA area per the 2016 Census figures for the population served by the fire authority as per the Risk Based Approach Phase One reports	€87.21
	AFS Programme E expenditure data consisting of E11 - Operation of Fire Service and E12 - Fire Prevention for 2020	€118567684
Fire Service: F2 & F3	A. Average time taken, in minutes, to mobilise fire brigades in Full-Time Stations in respect of fire	1.48 min
	B. Average time taken, in minutes, to mobilise fire brigades in Part-Time Stations (retained fire service) in respect of fire	6.32 min
	C. Average time taken, in minutes, to mobilise fire brigades in Full-Time Stations in respect of all other (non-fire) emergency incidents	1.44 min
	D. Average time taken, in minutes, to mobilise fire brigades in Part-Time Stations (retained fire service) in respect of all other (non-fire) emergency incidents	6.41 min
	A. % of cases in respect of fire in which first attendance at scene is within 10 minutes	73.44 %
	B. % of cases in respect of fire in which first attendance at the scene is after 10 minutes but within 20 minutes	23.79 %
	C. % of cases in respect of fire in which first attendance at the scene is after 20 minutes	2.77 %
	D. % of cases in respect of all other emergency incidents in which first attendance at the scene is within 10 minutes	71.61 %
	E. % of cases in respect of all other emergency incidents in which first attendance at the scene is after 10 minutes but within 20 minutes	24.63 %

	F. % of cases in respect of all other emergency incidents in which first attendance at the scene is after 20 minutes	3.76 %
	Total number of call-outs in respect of fires from 1/1/2020 to 31/12/2020	7,540
	Number of these fire cases where first fire tender attendance at the scene is within 10 minutes	5,537
	Number of these fire cases in which first fire tender attendance at the scene is after 10 minutes but within 20 minutes	1,794
	Number of these fire cases in which first fire tender attendance at the scene is after 20 minutes	209
	Total number of call-outs in respect of all other emergency incidents (i.e. not including fire) from 1/1/2020 to 31/12/2020	1,624
	Number of these non-fire cases in which first fire tender attendance at the scene is within 10 minutes	1,163
	Number of these non-fire cases in which first fire tender attendance at the scene is after 10 minutes but within 20 minutes	400
	Number of these non-fire cases in which first fire tender attendance at the scene is after 20 minutes	61
Library Service: L1	A. Number of visits to libraries per head of population for the LA area per the 2016 Census	1.20
	B. Number of items issued to library borrowers in the year	1,308,548
	C. Library active members per head of population	0.11
	D. Number of registered library members in the year	117,314
	Number of visits to its libraries from 1/1/2020 to 31/12/2020	663,278
Library Service: L2	A. The Annual Financial Statement (AFS) Programme F data for 2020 divided by the population of the LA area per the 2016 Census	€44.11
	B. The annual per capita expenditure on collections over the period 1/01/2020 to 31/12/2020	€2.68
	A. AFS Programme F data consisting of F02 - Operation of Library and Archival Service (inclusive of the relevant proportion of the central management charge for Programme F) for 2020	€24,463,062
	B. The annual expenditure on new stock acquired by the library in the year	€1,487,154
Youth and Community: Y1 & Y2	A. Percentage of local schools involved in the local Youth Council/Comhairle na nÓg scheme	37.18 %
	Total number of second level schools in the LA area at 31/12/2020	78
	Number of second level schools in the LA area from which representatives attended the local Comhairle na nÓg AGM held in 2020	29
	A. Number of organisations included in the County Register and the proportion who opted to be part of the Social Inclusion College within the PPN	32.08
	Total number of organisations included in the County Register for the local authority area as at 31/12/2020	773

	Total number of those organisations that registered for the first time in 2020	52
	Number of organisations that opted to join the Social Inclusion Electoral College on whatever date they registered for the PPN	248
Corporate: C1, C2, C4 & C5	A. The wholetime equivalent staffing number as at 31 December 2020	5,618.30
	A. Percentage of paid working days lost to sickness absence through medically certified leave in 2020	2.78 %
	B. Percentage of paid working days lost to sickness absence through self-certified leave in 2020	0.21 %
	Total Number of working days lost to sickness absence through medically certified leave in 2020	36,237 day
	Total Number of working days lost to sickness absence through self-certified leave in 2020	2,712 day
	Number of unpaid working days lost to sickness absence included within the total of self-certified sick leave days in 2020	0 day
	Number of unpaid working days lost to sickness absence included within the total of medically certified sick leave days in 2020	740 day
	If any staff are on long-term sick leave (i.e. a continuous period of more than 4 weeks), include a text note of the number of staff on long-term sick leave	306 224 staff had continuous sick leave for 4 weeks to 3 months. 44 staff had continuous sick leave from 3 months to 6 months. 38 staff had continuous sick leave of more than 6 months.
	A. All ICT expenditure in the period from 1/1/2020 to 31/12/2020, divided by the WTE no.	€2,658.64
	Total ICT expenditure in 2020	€14,937,031
	A. All ICT expenditure calculated in C4 as a proportion of Revenue expenditure	1.23
	Total Revenue expenditure from 1/1/2020 to 31/12/2020 before transfers to or from reserves	1,215,346,836
Corporate: C3	A. The per capita total page views of the local authority's websites in 2020	28.42
	B. The per capita total number of followers at end 2020 of the local authority's social media accounts (if any)	1.19
	The cumulative total page views of all websites operated by the local authority for the period from 1/1/2020 to 31/12/2020 obtained from a page tagging on-site web analytics service or equivalent	15,762,301

	The total number of social media users who, at 31/12/2020, were following the local authority on any social media sites	657,740
	The number of social media accounts operated by the local authority	140
	Indicate if there was a change to the cookie policies on the local authority sites and the date this came into effect	New opt in cookie policy has been used since October 2020
Finance: M1 to M4	A. Cumulative surplus/deficit balance at 31/12/2016 in the Revenue Account from the Income & Expenditure Account Statement of the AFS	€26,101,486
	B. Cumulative surplus/deficit balance at 31/12/2017 in the Revenue Account from the Income & Expenditure Account Statement of the AFS	€23,240,144
	C. Cumulative surplus/deficit balance at 31/12/2018 in the Revenue Account from the Income & Expenditure Account Statement of the AFS	€21,641,583
	D. Cumulative surplus/deficit balance at 31/12/2019 in the Revenue Account from the Income & Expenditure Account Statement of the AFS	€23,784,693
	E. Cumulative surplus/deficit balance at 31/12/2020 in the Revenue Account from the Income & Expenditure Account Statement of the AFS	€34,747,188
	F. Cumulative surplus or deficit at 31/12/2020 as a percentage of Total Income in 2020 from the Income and Expenditure Account Statement of the AFS	2.69 %
	G. Revenue expenditure per capita in 2020	€2,191.58
	H. Revenue expenditure per capita in 2020 excluding significant out of county / shared service expenditure	€1,905.51
	The 2020 Total Income figure from the Income and Expenditure Account Statement of the AFS	€1,289,540,944
	The 2020 Total Expenditure figure from the Income and Expenditure Account Statement of the AFS	€1,215,346,836
	The 2020 Revenue expenditure excluding county / shared service expenditure for the service providers of HAP, MyPay, DRHE and Dublin Fire Services	€1,056,709,826
	A. (a) Collection level of Rates in Appendix 7 of the AFS for 2016	90.0 %
	A. (b) Collection level of Rent & Annuities in Appendix 7 of the AFS for 2016	78.0 %
	A. (c) Collection level of Housing Loans in Appendix 7 of the AFS for 2016	66.0 %
	B. (a) Collection level of Rates in Appendix 7 of the AFS for 2017	91.0 %
	B. (b) Collection level of Rent & Annuities in Appendix 7 of the AFS for 2017	76.0 %
