

**The Chairman and Members of
North West Area Committee.**

Meeting: 15th June 2021

Item No: 11

PUBLIC DOMAIN REPORT

Waste Management and Illegal Dumping

No figures for Illegal Dumping were available for May at the time of this report but will be available at the Area Committee Meeting. Anecdotally the levels of dumping are at the lowest they have been in months. However, an increase in incidental litter has been noted and an increase in overflowing bins has been an issue in particular over the weekends. The Public Domain Team is working with Waste Management in order to resolve these issues

Laneway Project Poppintree

A public consultation with the residents of Druid Court took place on 19th May with a great turn out from the residents. We are currently working with a contractor with regard to upgrading the fencing to create a more aesthetically pleasing one and are arranging for a workshop with the residents to work on a plan for long term planting project for the laneways in Druid Court.

Mattress and WEEE Amnesty Days

There will be two mattress and WEEE amnesty days in the month of June. Dates to be given at the NWAC meeting.

City Neighbourhoods Awards

The Public Domain Team has notified all our groups of the 2021 City Neighbourhoods Competition. The closing date is 24th June at 4pm. The competition format will be exactly the same as in 2020 where results were released through social media and prizes were delivered to individual winners.

Anti-Dog Fouling Poster Competition

The Public Domain Team ran a local Anti-Dog Fouling Poster competition with local groups and the winners were announced week ending 6th June. Each winning entry will be printed and the posters will be given to local residents groups to erect in their own locality.
