

Revision 2 of Dublin City Council Strategic Policy Committees Scheme 2019 - 2024

Introduction

Under Section 48 Local Government Act 2001, (as amended by Section 41 of the local Government Reform Act 2014), a local authority shall establish by resolution committees to be known as Strategic Policy Committees (SPCs). These committees are to consider matters connected with the formulation, development, monitoring and review of policy which relates to the functions of the local authority and to advise the local authority on those matters.

Following the Local Elections, it is necessary for each local authority to establish new SPCs in line with the Guidelines published by the Department of Housing, Planning and Local Government in Circular LG07/2014.

At the Council Meeting held on 1st July the Members consented to the Draft SPC Scheme 2019 – 2024 going out for consultation. On 2nd September 2019 the Council approved the amended Draft SPC Scheme 2019 – 2024, the nominations included therein and consented to the invitation of expressions of interest from sectoral members who wish to participate in the SPC. At the City Council meeting on 2nd December 2019 Report No. 340/2019 confirmed the appointment of Sectoral and PPN nominations to the SPC Scheme 2019-2024.

Proposed revision:

Following organisational changes a number of areas have moved from the Environment and Transportation Department impacting on responsibilities of Assistant Chief Executives. These areas are the Control of Horses and Dogs and Casual Trading and Street Performers.

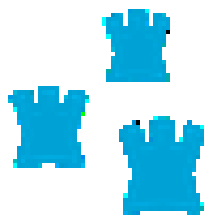

It was discussed at the CPG meeting on 18th June whether the SPC Scheme should be revised in line with these changes. The CPG recommended responsibility for the Control of Horses and Dogs should move from the Climate Action and Environment & Energy SPC to the Housing SPC and that Casual Trading and Street Performers moves to the Arts Culture Leisure and Recreation SPC.

Recommendation:

As the adoption of an SPC Scheme is a reserved function, the revised Dublin City Council Strategic Policy Committees 2019 – 2024 is hereby presented to the City Council for approval.
