Greening

The Public Domain unit in conjunction with the Parks department have been working on greening interventions to be implemented in the Ballybough Area. The suicide plot at the junction of Clonliffe Road and Ballybough Road was completed in June and was greatly improved by removing the grass and planting the whole area with shrubs.

Other similar projects are to be completed in the coming weeks at Croke Villas, Poplar Row and Ballybough House.

Stoneybatter Festival:

The Central Area Office assisted in the preparations for the Stoneybatter Festival June 18th – 20th. Power washing and scutching were carried out along with assistance from Waste Management who provided a blitz of the area.

Dog Fouling Trial

The implementation of the new dog fouling machine around the trial streets has resulted in a vast improvement. The trial has been extended with the list of streets to be increased to include a wider area. The unit is being branded and a cost -v- rental analysis will be carried out to establish what method will benefit DCC in the longer term.

Current Route: Buckingham Street Upper and Lower, Killarney Street, Sean Mac Dermott Street Lower, James Joyce Street, Foley Street, Beaver Street, Railway Street.
