Re: September 2021 Meeting, Meath County Council

Dear Meeting Administrator

At its monthly meeting on September 6, 2021, members of Meath County Council adopted the following motion and requested that it also be forwarded to all other local authorities for information:

“That Meath County Council calls on the Department of Agriculture to put in place a policy to control Japanese Knot Weed on agricultural land and private property and to take responsibility for the eradication of this invasive species. Local authorities across the country have already invested heavily to eradicate this weed from the sides of the roads.”

Yours sincerely,

Robert Collins
Meetings Administrator
