

To the Chairperson and Members
Of the Central Area Committee

9th November 2021

Community Development Matters in the Central Area:

North Inner City Area:

Wolfe Tone Place

New planters and trees have been installed at Wolfe Tone Place. The Community Section is working with local residents to ensure that the plants are maintained. East Wall Men's Shed are constructing two additional planters to complete this project.

This project has been funded by the Councillors Discretionary Fund.

Stirrup Lane

The Community Section arranged for the East Wall Men's Shed to build three new planters for the residents of Stirrup Lane. The units have been planted up professionally but will be maintained into the future by local residents with assistance from the Community Section.

This project has been funded by the Councillors Discretionary Fund.

Clonliffe Road Three Lanes Project

Work is continuing on the Three Lanes Project in the Clonliffe Road Area.

The Community Section facilitated the removal of 40 bags of waste. Tools and funding were provided.

This ongoing project is funded by the NEIC Grant.

Halloween

The Central Area Office / NEIC Programme Office delivered an extensive programme of community events for Halloween. This included local events in Housing Complexes and major events including the Big Scream ten day Halloween Festival and the inaugural Canalaphobia event along the Royal Canal Greenway. At the time of writing, the Central Area had a minimal number of small bonfires and no major incidents have been reported.

A full report on Halloween activities will be prepared for the December meeting.

Brian Mongey

A/Area Community Officer – North Inner City
