1	7019401		TAG General Engineer Query	BALLYMUN ROAD (NW)	Dublin 9	More road markings...something to keep people from veering into left lane	Not Recommended	Upgrades are prosed to the junction at Ballymun Rd / Collins Ave as part of the Bus Connects Project, therefore no changes are recommended at this time. Submissions may be made directly to the NTA at <a href="mailto:info@busconnects.ie">info@busconnects.ie</a>	Member of the Public	09/03/2021	0
2	7019913		TAG General Engineer Query	DUNSINK DRIVE (NW)	Dublin 11	Marked Car Spaces	Not Recommended	Parking arrangements are usually based on common courtesy between neighbours, however problems can arise when there is a deficit of on street parking. The appropriate measure to deal with the issues raised is the residents from Dunsink Drive may apply for the introduction of a Pay and Display and Residents' Permit Parking scheme in the area at <a href="https://www.dublincity.ie/residential/parking-dublin-city-centre/start">https://www.dublincity.ie/residential/parking-dublin-city-centre/start</a> . Instances of illegal parking should be reported directly to Dublin Street Parking Services, or the Gardaí as they occur.	Member of the Public	12/04/2021	0
3	7022351		Disab Park Bay Residential	GATEWAY CRESCENT (NW)	Dublin 11	Disabled parking bay for 20 Wad River Close.	Not Recommended	Wad River Close is not in charge of Dublin City Council Transport Department and regrettably, a disabled parking bay at this location cannot be recommended. Two disabled parking bays have already been installed on Gateway Crescent in order to support the people from Wad River Close.	Member of the Public	27/08/2021	2
4	7023142		TAG General Engineer Query	SHANGAN ROAD (NW)	Dublin 9	lack of proper footpath and markings opposite the side of the Aspen building in Ballymun where cars are parking and blocking access for those with accessibility needs.	Recommended	Following a site inspection it is recommended to install parking restriction in form of single yellow line (24 hour operation Mon-Sun), on Balbutcher Ln opposite Aspen building, in order to improve safety for pedestrians. STAT: Single Yellow Line (RRM 007) to be installed on Balbutcher Ln, on the South-West side starting 20 metres from the junction with Silloge Rd / Balcurris Rd and extending South-East for a total length of 111 meters. (No parking to be permitted 24 hour operation Mon-Sun).	Councillor	13/10/2021	0
