

## Appendix 1

### Question to Area Managers

**Central Area Committee Meeting**  
**14<sup>th</sup> December 2021**

#### **Q1 Councillor Christy Burke**

To ask the Area Manager that the (details supplied) be cleaned given the developments in the area are new and the (details supplied) stands out as an eyesore.

#### **Reply**

The Councillor will be issued with a reply within the next 2 weeks.

**Contact:** Joseph Kelly, Senior Engineer. Road Design & Construction Division.  
**Email:** [joseph.kelly@dublincity.ie](mailto:joseph.kelly@dublincity.ie)

#### **Q2 Councillor Christy Burke**

To ask the Area Manager when zoom workshops will be set up to outline the traffic plan for East Wall area as residents in the area are seeking updates on the plan.

#### **Reply**

It has not been possible due to Central Area staff resourcing issues to advance this plan as it falls outside the core business of the Area Office.

With the imminent assignment of new administrative resources to Central Area, we will be in a better position to work with the Environment & Transportation Department, in accordance with the relevant processes, to assist at local level to prioritise and progress this long standing commitment over the coming months.

This will be done in consultation with the local public representatives.

**Contact:** Ursula Donnellan, A/Senior Executive Officer  
**Email:** [Ursula.donnellan@dublincity.ie](mailto:Ursula.donnellan@dublincity.ie)

The Environment & Transportation Department currently have no plans to hold zoom workshops on the East Wall Neighbourhood Transport Scheme. We are awaiting feedback on the Central Area Office's public awareness campaign around Residential Permit Parking Schemes and to see if residents on particular streets who want to deal with rat running/illegal parking wish to carry out surveys on their streets regarding possible pay and display schemes.

If and when any schemes come to pass the Environment & Transportation Department will continue to work with stakeholders including the Central Area Office, DCC Parks and Elected Members to agree next steps and deliver any additionality in terms of traffic calming and greening.

Further to the above, petitions for Residential Permit Parking Schemes have been received from the residents of Abercorn Road and Church Street East and two maps for separate schemes on these streets have been designed and recommended subject to the ballot of residents. These recommendations will go for approval at TAG 16/12/2021 and Central Area Committee 11/01/2021 as 'recommended subject to ballot of residents' and will then be referred to Parking Enforcement Section for the balloting of residents.

Notwithstanding this, contractors have been appointed to carry out improvement works as part of the East Wall Neighbourhood Transport Scheme on Ossory Road and Ossory Road/West Road junction.

Works include installation of new footpath, uncontrolled pedestrian crossings and a buildout on the Ossory/West Road junction to calm traffic and improve pedestrian facilities for pedestrians travelling from East Wall towards North Strand Road and vice versa. Works are due to be complete by February 2022.

**Contact:** Andrew Geoghegan, Covid Mobility Engineer (North City).  
**Email:** [andrew.geoghegan@dublincity.ie](mailto:andrew.geoghegan@dublincity.ie)

**Q3** **Councillor Christy Burke**

To ask the Area Manager that the double yellow lines be reinstated at (details supplied) after the road was repaired.

**Reply**

Roadstone will arrange to have the permanent road markings installed within the next week.

**Contact:** Ronan Connolly, Executive Engineer, Road Maintenance Services  
**Tel:** 222 2576.  
**Email:** [ronan.connolly@dublincity.ie](mailto:ronan.connolly@dublincity.ie)

**Q4** **Councillor Christy Burke**

To ask the Area Manager that the gutters be cleaned at (details supplied) as I was informed by Senior Management this work would be complete some months ago

**Reply**

The Area Maintenance Officer in Housing Maintenance had the gutters of the address provided cleaned on Monday 6<sup>th</sup> December 2021.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 2223517

**Q5** **Councillor Christy Burke**

To ask the Area Manager, that given a number of flat complexes in the NEIC are due for redevelopment, why is it the Department of Housing are approving funds to refurbish units that are empty. Residents in these complexes have made that point that such works will delay again redevelopment in their complexes.

**Reply**

Dublin City Council applies to the Department of Housing, Local Government and Heritage (DHLGH) for approval and funding for the regeneration of our estate projects in accordance with its 4 stage approval process.

The regeneration of our housing complexes takes time to advance through the 4 stage process and includes lengthy timeframes for procurement, final development design, community consultation, the Part 8 Planning process, tender issue and assessment and appointment of relevant contractors. Taking this into consideration, refurbishing some voids to allow for letting should not add any delay to

the redevelopment of the housing schemes and will go towards relieving the housing pressures in the area.

The Housing and Community Services Regeneration Section will continue to liaise with our colleagues in Housing Maintenance and the Local Area Office to ensure the reopening of these voids will not impact any regeneration plans in place.

**Contact:** Michelle Robinson

**Tel:** 087 4541126

**Email:** [michelle.robinson@dublincity.ie](mailto:michelle.robinson@dublincity.ie)

**Q6** **Councillor Christy Burke**

To ask the Area Manager if the (details supplied) can be upgraded as residents say the (details supplied) for the area is of small standard.

**Reply**

This tree has now been replaced with a larger tree.

**Contact:** Stephen Wearen, A/Public Domain Enforcement Officer

**Email:** [stephen.wearen@dublincity.ie](mailto:stephen.wearen@dublincity.ie)

**Q7** **Councillor Christy Burke**

To ask the Area Manager for an update on (details supplied)

**Reply**

The Housing Department have acquired 30 Part V units at (details supplied). Units are now being allocated according to the Scheme of Lettings.

**Contact:** Michelle Robinson, A/Executive Manager

**Telephone:** 222 6114

**Email:** [michelle.robinson@dublincity.ie](mailto:michelle.robinson@dublincity.ie)

**Q8** **Councillor Christy Burke**

To ask the Area Manager when the Old Age Persons Unit at (details supplied) will be in housing stock for letting.

**Reply**

The unit, at the details supplied, should be available for re-letting within the next 2-3 weeks.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel: 2223517**

**Q9 Councillor Christy Burke**

To ask the Area Manager to secure the (details supplied)

**Reply**

When the residents move across to their new homes, the vacant flats will be made secure. When the blocks are fully decanted the entrances to each will be made fully secured. I will be in talks with Housing Maintenance to look at what options are available to prevent street drinking at this complex.

**Contact: Marion Foran, Area Housing Manager**  
**Email: [marion.foran@dublincity.ie](mailto:marion.foran@dublincity.ie)**

**Q10 Councillor Declan Meenagh**

To ask the Area Manager if additional (details supplied)

**Reply**

Parks, Biodiversity and Landscape Services have installed a number of picnic benches in (details supplied) over the last few years and intend to add to this during our 2022 NW Parks improvement program.

**Contact: Stephen Groome, NW District Parks Superintendent**  
**Tel: 222 3395**  
**Email: [parks@dublincity.ie](mailto:parks@dublincity.ie)**

**Q11 Councillor Nial Ring**

To ask the Area Manager to detail the number of current applicants on each housing list for area H and P.

**Reply**

See below as in the recently issued quarterly report.

<b>Band 1</b>	<b>Band 2</b>	<b>Band 3</b>
H- 180	688	630
P- 36	138	104

**Contact:** Cathal Daly, Allocations Officer, Housing Allocations & Transfers  
**Tel:** 2222639  
**Email:** [cathal.daly@dublincity.ie](mailto:cathal.daly@dublincity.ie)

**Q12 Councillor Nial Ring**

To ask the Area Manager for an update on the Stoneybatter Greening Strategy and to detail the future plans and timetable for the completion thereof.

**Reply**

Following the completion of the Stoneybatter Greening Strategy in July 2019, developed through a co-design process with local residents, Parks, Biodiversity and Landscape Services have been working to implement the list of projects identified.

Please see <https://www.dublincity.ie/residential/parks/strategies-and-policies/greening-strategies/stoneybatter-greening-strategy>

**Delivered to date**

- Murals on 1 Ben Edair Road, 21 Malachi Road, Aughrim Street Scouts Hall and Viking Place
- Planting projects at Drumalee Green and Stoneybatter Green
- Constructed pits and planting on Lucky Lane
- Tree & Herbaceous planting on Arbour Hill
- New planting at Halliday Square park
- Alton Lane planting pits

**Planned**

Contract in Place

- Q4 2021- Large specimen tree planting Drumalee Green, New planting Montpelier Drive entrance & Stoneybatter Green
- Q1 2022 - Tree planting on Harold Road, Ostman & Viking Place, Thor Place park improvements & Montpelier Gardens play pocket park

Detail Design - aim to complete in 2022

- Arbour Hill, N-S – Rain garden
- Green School Zone on Cowper Street

Feasibility - Consultation in Q1 2022

- Options for permanent tree planting on Niall Street, Sigurd Road, North Fitzwilliam Place, Swords Street & Montpelier Hill.
- Moira Road Planting with possible pocket park in one section.

€156,670.74 has been spent to date. By the end of Q1 2022, it is anticipated that €400,000 will be spent, assuming there are no delays associated with Brexit and supply issues that contractors have been experiencing in the last few months. Consultation will continue locally for all projects and an area wide update leaflet will be distributed in December.

**Contact:** Suzanne O' Connell CMLI | Executive Landscape Architect |  
**Email:** [Suzanne.oconnell@dublincity.ie](mailto:Suzanne.oconnell@dublincity.ie)

**Q13** **Councillor Nial Ring**

To ask the Area Manager for a progress report on the site at (details supplied)

**Reply**

A third party claim to the title is currently being examined by the Law Agent. When this legal issue is resolved further consideration will be given to proceeding with the disposal of the council's freehold interest in the property.

**Contact:** Oliver Hickey, Administrative Officer  
**Tel:** 222 3055  
**Email:** [oliver.hickey@dublincity.ie](mailto:oliver.hickey@dublincity.ie)

**Q14** **Councillor Nial Ring**

To ask the Area Manager if the (details supplied) and to further ask if findings/results will be made available to councillors and residents and, if so, on what basis and how often.

**Reply**

The air quality monitoring data for all Dublin City Council air quality monitoring stations, including (details supplied), can be viewed in real time at <https://dublincityairandnoise.ie/>

The site also has information on interpreting the data displayed and useful air quality and health advice.

**Contact:** Martin Fitzpatrick, Principal Environmental Health Officer, Air Quality Monitoring and Noise Control Unit.  
**Tel:** 222 3742.  
**Email:** [martin.fitzpatrick@dublincity.ie](mailto:martin.fitzpatrick@dublincity.ie)

**Q15** **Councillor Nial Ring**

To ask the Area Manager for a list of DCC units currently vacant in the Central Area (North Inner City side) and to indicate when these will become available for reletting (update on comprehensive answer given to my question No. 80, March 2021 CAC would be perfect)

## **Reply**

The following is a summary of the vacant properties currently in the North Inner City.

Property	No. Beds	No. Units	Total Units
Apartments	0	29	50
	1	18	
	3	3	
Houses	1	1	35
	2	10	
	3	24	
	4	0	
Senior Citizens'	0	7	16
	1	8	
	2	1	

The properties above are currently being refurbished through the Framework or by Direct Labour and are at various stages of completion. It is anticipated that the properties will be returned to productive use in two to twelve weeks' time.

In the year to date, 107 properties were refurbished in the Central Area. These were made up of 55 apartments, 26 houses and 26 Senior Citizens Units.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 222 3517

### **Q16 Councillor Nial Ring**

To ask the Area Manager for an update on progress of the proposed (details supplied). Also to include a high level and clear summary of the proposal which I can distribute to residents for their information.

## **Reply**

Dublin City Council (DCC) has received Stage 1 approval from the Department of Housing, Local Government and Heritage (DHLGH) for the regeneration of (details supplied). An integrated design team has been appointed and are currently progressing the design of the new housing scheme.

Consultation on regeneration proposals commenced informally with (details supplied) residents with the circulation of an information leaflet in April 2021. A more informative newsletter on proposals was distributed to all residents and local elected members in October 2021 which included an introduction from the new Area Housing Manager and provided information on the design team, the vision, and next steps in the consultation process with the residents.

A follow up to this newsletter is due to be issued in the coming week to all residents and local elected members.

Separately the Area Housing Manager and his team made house to house calls in (details supplied) on the 25<sup>th</sup> November 2021, where he spoke with residents on the regeneration plans and invited them to take part in future consultations on the new development designs. It is the intention of the Area

Housing Manager to agree a schedule of formal consultation meetings with residents, groups and elected members in early 2022, compliant with government Covid 19 guidelines.

**Contact:** Michelle Robinson

**Tel:** 087 4541126

**Email:** [michelle.robinson@dublincity.ie](mailto:michelle.robinson@dublincity.ie)

**Q17** **Councillor Nial Ring**

To ask the Area Manager for an update on progress of the proposed (details supplied). Also to include a high level and clear summary of the proposal which I can distribute to residents for their information.

**Reply**

The Housing and Community Services Department are liaising with the A/Area Manager and her staff to review and finalise the feasibility study for the redevelopment of (details supplied).

The regeneration plans for (details supplied) are currently at proposal stage and are linked with the former depot site at Portland Row. A decision is due soon on the delivery mechanism of public housing at Portland Row and this may have an impact on the redevelopment plans for (details supplied).

Dublin City Council (DCC) applies for social housing capital funding from the Department of Housing, Local Government and Heritage (DHLGH) in accordance with its 4 stage approval process. In order to achieve initial project approval and funding, DCC are required to submit a Stage 1 application. This submission to the DoHLGH will be the next step in the regeneration plans for (details supplied).

Upon receipt of further information, the residents and local elected members will be updated through the local Area Office.

**Contact:** Michelle Robinson

**Tel:** 087 4541126

**Email:** [michelle.robinson@dublincity.ie](mailto:michelle.robinson@dublincity.ie)

**Q18** **Councillor Nial Ring**

To ask the Area Manager for an update on the proposed public realm improvement work at (details supplied). Also to include a high level and clear summary of the proposals which I can distribute to residents for their information.

## **Reply**

Confirmation was received from the Department of Housing, Planning and Local Government on 24th August 2021 of preliminary approval for the inclusion of Dublin City Council's North Inner City Concept Area 1 proposal in the URDF supported capital programme and approval to move to the next stage of the project lifecycle, preliminary business case stage.

The overall funding approval for the North Inner City Concept Area (€121.2M) includes the proposed public realm improvements in the (details supplied) area in the sum of €4.8 M

On foot of this approval City Architects Department has assigned professional resources to work with the Central Area Office to progress the project within an overall vision for the area that sets out a clear path to achieving a high quality integrated public realm that supports the objectives of the (details supplied) Masterplan Report by Urban Agency, the NEIC Greening Strategy, and the Dublin City Public Realm Strategy 2012.

Work is currently underway on drafting of the Project Scope and Brief, this phase will involve

1. Analysis and Survey Mapping
2. Vision & Design Proposals for the Local Public Realm Plan
3. Implementation Plan and Phased Programme

When the **Project Scope and Brief** has been agreed it will be presented to the Area Committee in Q1 2022 with a view to ongoing public engagement and consultation with local residents as the project moves to implementation stage over the period 2022 – 2025.

A reply will issue to the Councillor within the next two weeks with regards to the proposed refurbishment of the library.

**Contact:** Ursula Donnellan, A/Senior Executive Officer,  
**Email:** [Ursula.donnellan@dublincity.ie](mailto:Ursula.donnellan@dublincity.ie)

## **Q19 Councillor Nial Ring**

To ask the Area Manager for an update on the (details supplied)

**Details:** issue below and specifically to ask when a survey of residents will be commissioned, undertaken and reported on and ultimately the results analysed and acted upon. Also, to ask the Area Manager if the Central Area office is agreeable to the engagement of a professional market survey company in order to guarantee independent, unbiased and nonpartisan results.

I refer to my Motion (Item 2) discussed at the April Central Area Committee meeting which read as follows:

### **Motion in the name of Councillor Nial Ring**

That this Central Area Committee, noting the findings of the Neighbourhood Transport Scheme Preliminary Phase 3 Report and the proposals on how the East Wall Neighbourhood Scheme could be delivered, agrees that Central Area, rather than local Councillors, should arrange a survey of all residents in the East Wall Area to ascertain the support or otherwise of residents to implement Residential Pay & Display And Permit Parking Schemes on specific streets (or group of streets for smaller streets) in East Wall. Furthermore, if necessary, the Central Area should assist residents generating any petition which seeks a vote on the introduction of a new P&D scheme with signatures from at least 25% of residents who live on each road. In addition, the survey should also ask residents for their suggestions

on any other traffic calming measures they would like to be assessed, such as build outs, trees, ramps or filtered permeability at specific locations.

The report thereon is also reproduced below:

The Central Area Office will work with public representatives to drive awareness of the need to hold relevant surveys/plebiscites to gauge the interest/desire to have pay and display schemes introduced on streets in the East Wall area. If and when any schemes come to pass the area office will work with our Environment & Transportation Department/Parks Division etc to deliver any additionality in terms of build outs/ greening.

The Central Area Office Public Domain and Community teams will start working with the numerous community/environmental groups in East Wall to organise an awareness campaign around pay and display and to see if residents on particular streets who want to deal with rat running/illegal parking wish to carry out surveys on their streets regarding possible pay and display schemes.

### **Reply**

Further to the reply issued at the July meeting (Q26), it has not been possible due to Central Area staff resourcing issues to advance this plan as it falls outside the core business of the Area Office.

With the imminent assignment of new administrative resources to Central Area, we will be in a better position to work with the Environment & Transportation Department, in accordance with the relevant processes, to assist at local level to prioritise and progress this long standing commitment over the coming months.

This will be done in consultation with the local public representatives and may include the engagement of an external resource to conduct the relevant residents surveys as suggested.

**Contact:** Ursula Donnellan, A/Senior Executive Officer

**Email:** [Ursula.donnellan@dublincity.ie](mailto:Ursula.donnellan@dublincity.ie)

### **Q20 Councillor Declan Meenagh**

To ask the Area Manager what plans, if any, there are to install electric vehicle charging points in the vicinity of (details supplied) and the adjoining streets, to cater for demand there.

### **Reply**

Dublin City Council is aware of the transition to electric vehicles as set out in the Climate Action Plan as we prepare to respond to the needs of the citizens of the City by providing a sustainable urban mobility strategy. The Council is also aware that technology is changing rapidly and that a range of different solutions will be required to successfully address current and future mobility demand, not only in the City, but also across the wider Dublin Metropolitan Area.

This requires careful consideration and planning to ensure that the Council can play their part to facilitate the provision of a comprehensive, reliable and interoperable electric vehicle-charging infrastructure. This is so that members of the public and business community can be confident in making decisions to purchase electric vehicles and to use electric vehicles for personal, leisure and business use, for use on both short and long journeys.

In order to inform the four local authorities of the type and number of chargers required, the four Dublin Local Authorities, together with SMART Dublin and CARO, have commissioned a strategic study. This will allow us examine how the four Councils can best facilitate the provision of electric vehicle-charging infrastructure across the Dublin region and the scale of investment required.

The study sets out modelled EV uptake and consequent grid capacity requirements (ESBN are looking to pilot a number of new technical innovations). It also details numbers and recommended types of chargers required together with suitable business models, capital costs (including anticipated leveraged private sector capital), and areas more suited to Charge Points.

The Dublin Local Authority Electric Vehicle Charging Strategy is now practically complete. The consultants are currently finalising some additional inputs from stakeholder engagement and we expect delivery of the final report in the weeks before year end.

The working group are now moving forward with the next steps of the project, which will include a procurement plan required for the roll out of the strategy in balance with the Council's wider sustainable mobility policies. However this will be subject to resources & availability of funding from the Department of Transport.

In addition, variations to the City Development Plan 2016-2022 introduced new objectives such that all new parking for new (or extensions to) housing, apartments and places of employment that provide car parking shall be electric charge enabled.

Dublin City Council shall work closely with the ESB and other stakeholders to increase the number of EV charge points across the city. All new (or upgraded) commercially operated car parking developments shall be required to provide a minimum of 50% of spaces with EV charging facilities.

The preparation of the new City Development Plan 2022-2028 will provide an opportunity to review the implementation of the revised objectives from the previous plan and also incorporate the relevant outcomes of the above mentioned study.

This is a pressing matter for us in the Council and indeed with our colleagues in the Dublin Metropolitan area that we may enable and facilitate the transition to more sustainable mobility.

**Contact:** Cormac Healy, Energy Management Lead.  
**Email:** [cormac.healy@dublincity.ie](mailto:cormac.healy@dublincity.ie)

**Q21 Councillor Darcy Loneragan**

To ask the Area Manager to consider putting measures in place (such as benches, planters) outside (details supplied) to prevent cars from being on the path outside. The cars are proving to disturb the accessibility of pedestrians, those with buggies, wheelchairs etc.

**Reply**

There are a number of bollards and cycle stands provided on the public footpath which prevent parking on the footway at the location, however from inspection of the GIS mapping system, it is noted that this section of footpath is a private landing and is in not in charge of Dublin City Council Roads & Traffic Department. Dublin City Council would therefore not have any jurisdiction to install any street furniture at the location.

**Contact:** Seán Callaghan, Central Area Engineer, Transport Advisory Group.  
**Tel:** 222 6397.  
**Email:** [sean.callaghan@dublincity.ie](mailto:sean.callaghan@dublincity.ie)

**Q22 Councillor Ray McAdam**

To ask the Area Manager to provide a report into (details supplied); whether the property is in the ownership of Dublin City Council, if not, is it on the Register of Derelict Sites, if so, when was it entered and when was it last inspected? Has the property been inspected for addition as a building for the Vacant Sites tax; and if she will make a statement on the matter?

## **Reply**

This building was acquired under the Derelict Sites legislation. However, ownership of the building is the subject of dispute between Dublin City Council and another party and is the subject of legal proceedings. It had been hoped to have the matter before the Courts early in 2020 but this was not possible due to lengthy delays as a result of the pandemic. The Law Agent has advised that until a Court date is set and the matter heard the details of the case must remain sub-judice.

The building has been surveyed on a number of occasions by City Architects Division (Structural Engineering Section) and certain works are planned to address water ingress on the roof and to prevent further deterioration to the building. Works carried out to date comprise the following:

- An Invasive Species survey has been completed.
- Works to remove vermin and overgrowth to allow a full structural survey of the building and determine essential works to prevent further water ingress to the building and adjoining property have been completed.
- Electrical Services has de-energised the building which will allow internal surveys to be carried out safely.
- Asbestos survey has been completed.
- Apex Surveys was engaged to carry out a topographic and measured survey of the building which is required to inform the tender documents for the refurbishment works.
- The project requires a Civil & Structural Engineer, Quantity Surveyor and Conservation Specialist to move it forward (A PSDP has already been appointed). The Structural Engineering Section has appointed McCrae Consulting Engineers for this work.
- The brief for the Design Team also includes for the carrying out of condition / dilapidation surveys of the adjoining buildings and it is proposed to do this during Stage 1 of the process which will be commencing in the near future.

**Contact:** Oliver Hickey, Administrative Officer  
**Tel:** 222 3055  
**Email:** [oliver.hickey@dublincity.ie](mailto:oliver.hickey@dublincity.ie)

## **Q23 Councillor Ray McAdam**

To ask the Area Manager to confirm whether an inspection under Planning Enforcement legislation has taken place yet of (details supplied); what actions have been ordered and the timeline for their implementation; and if she will make a statement on the matter?

## **Reply**

Inspections by the Planning Enforcement Officer for the Area have revealed that the property concerned is being structurally renovated. There is no evidence of unauthorised development or use of the property at this time. The Planning Enforcement Section will continue to monitor the property in the coming months.

**Contact:** John Downey, A/Planning Enforcement Manager  
**Tel:** 222 3465  
**Email:** [john.downey@dublincity.ie](mailto:john.downey@dublincity.ie)

**Q24** **Councillor Ray McAdam**

To ask the Area Manager to support the efforts of householders in (details supplied) to relocate the bus-stop outside the complex due to continuing anti-social behaviour and criminal behaviour; and if she will make a statement on the matter?

**Reply**

Unfortunately Dublin City Council would not be in the position to relocate any of the bus stops along (details supplied). These bus stops are very busy and were strategically located at their present position as part of the NTA Bus Connect project. There are no alternative locations in the area for these bus stops. Also there was a lot of planning and capital invested in locating these bus stops in their present location. The issue with anti-social and criminal behaviour is a matter for the Gardaí.

**Contact:** Will Mangan, Acting Senior Executive Engineer,  
**Email:** [will.mangan@dublincity.ie](mailto:will.mangan@dublincity.ie)

**Q25** **Councillor Ray McAdam**

To ask the Area Manager to provide a comprehensive report into plans for the redevelopment of Dalymount Park, Phibsborough, Dublin 7 the indicative timeframe for each phase; the projected costs for each stage and what is planned for each phase of the redevelopment; and if she will make a statement on the matter?

**Reply**

The plan for the redeveloped Dalymount Park which will become the home of Bohemian FC and Shelbourne FC is

- UEFA Category 3 Stadium with a capacity of 6000
- Community Facilities including a new library and flexible community facilities

A preliminary design for the Dalymount Park Redevelopment Project was completed in November by the appointed architect led design team. The Quantity surveyors are currently drawing up an initial cost report for the preliminary design which will be the baseline cost for the project going forward.

There is funding in place to get the project up to the construction stage via a grant from the Large Scale Sports Infrastructure Fund (LSSIF) stream 1 and internal DCC funding. The current plan is to lodge a Part 8 Planning Permission Applicant at the end of April/early May 2022.

The further progress of the project following the planning process is uncertain until the City Council receive further clarity about the application process for Steam 2 of LSSIF. An update on the project will presented to Councillors of the Central Area early in 2022.

**Contact;** Don Daly, Project Manager, Dalymount Park  
**Email:** [don.daly@dublincity.ie](mailto:don.daly@dublincity.ie)  
**Tel:** 222 7733

**Q26 Councillor Ray McAdam**

To ask the Area Manager to provide a specific update on plans for the delivery and implementation of East Wall Road cycle lane; the work undertaken to date; the indicative timeframe for the delivery of same; and if she will make a statement on the matter?

**Reply**

Progress on the Point Junction Upgrade and East Wall Road Cycleway was delayed by the Exo development and the requirement to co-ordinate with Dublin Port's Liffey-Tolka Greenway proposal which is currently waiting a planning decision. Following a decision on the Port's scheme it is proposed to advance the DCC scheme in two phases. The first phase will involve the delivery of the signalised junction to replace the existing roundabout in order to improve safety for pedestrians and cyclists as quickly as possible. The second phase will include the delivery of cycling facilities and will require the advancement of a Part 8 proposal. Both phases will be progressed in 2022.

**Contact:** Karen Kennedy, Senior Executive Engineer, Road Design & Construction Division.

**Email:** [karen.kennedy@dublincity.ie](mailto:karen.kennedy@dublincity.ie)

It is intended to make a presentation on interim proposals for the East Wall Cycle Lane to the Central Area Committee at their meeting in December 2021.

**Contact:** Alec Dundon, A/Senior Executive Engineer.

**Email:** [covidmobility@dublincity.ie](mailto:covidmobility@dublincity.ie)

**Q27 Councillor Ray McAdam**

To ask the Area Manager to specify the projects located within the Central Area included in Fiveer Year Walking and Cycling Intrastructure Programme; the work undertaken to date on each; the indicative route for each; the works involved in each; the cost of each and the timeframe for delivery of each; and if she will make a statement on the matter?

**Reply**

The table below outlines details of the Five Year Walking & Cycling Infrastructure Programme projects within the Central Area:

<b>Project Code</b>	<b>Project Name</b>	<b>Delivery Phase</b>	<b>Indicative Route</b>	<b>Project Cost To Date</b>
DCC/12/0007	Royal Canal Greenway Phase 3	5: Detailed Design & Tender	Along the Royal Canal, from North Strand Road to Prospect Road	€938,513
DCC/12/0008	Liffey Cycle Route (part)	3: Preliminary Design	Parkgate Street, Wolfe Tone Quay, Sarsfield Quay, Ellis Quay, Arran Quay, Inns Quay, Ormond Quay Upper, Ormond Quay Lower, Bachelors Walk, Eden Quay, Custom House Quay	€835,271

DCC/12/0018	Point Junction	3: Preliminary Design	East Wall Road, from North Wall Quay to Sheriff Street Upper	€454,259
DCC/12/0033	Clontarf to City Centre (part)	5: Detailed Design & Tender	Amiens Street, North Strand Road	€2,729,744
DCC/13/0014	Royal Canal Greenway Phase 4	4: Planning & Statutory Approvals	Along the Royal Canal, from Prospect Road to Ashtown Road. Includes parts of Broombridge Road & Ashtown Road	€1,657,746
DCC/18/0002	Point Pedestrian & Cycle Bridge (part)	2: Concept & Options	Across the River Liffey, adjacent to Tom Clarke Bridge	€362,020

DCC/21/0030	Chesterfield Avenue	1: Scope & Purpose	From Conyngham Road to Castleknock Road	€0

Due to the high level of detail involved, it is not possible to provide information on the work undertaken to date and the works involved for each project at this time. This information would best be provided on a project-by-project basis by the relevant project engineers. An update on the projects is covered in the Chief Executive Report 346/2021.

In addition, it is not possible to provide delivery timeframes for all projects at this time, as most of them are unable to progress due to having no project teams in place. Additional staff are to be recruited to fill these positions.

**Q28    Councillor Ray McAdam**

To ask the Area Manager to provide a comprehensive update into plans to redevelop (details supplied); the number of units to be built; the indicative plot ratio and site coverage of the proposed development; the indicative cost of same; the likely timeframe for the preparation and presentation of a Part VIII planning application; and if she will make a statement on the matter?

**Reply**

The former (details supplied) has already been approved by the DoHLGH for the development of general need social housing, under Bundle 3 of the Government's Public Private Partnership Programme. The design team is currently finalising the drainage design for the proposed development and will be making a presentation on the proposed design to the Elected Members at the January 2022 Central Area Committee meeting.

It is currently envisaged that the proposed development will deliver 68 apartments, comprising a mix of 1, 2 and 3 bed units including a small number of apartments to be constructed to Universal Design standards. We are currently targeting the end of Q1 2022 for formal lodgement of the planning application.

**Q29    Councillor Ray McAdam**

To ask the Area Manager to provide a comprehensive report into plans to redevelop (details supplied); the number of units to be provided in the redeveloped complex; the results of site surveys undertaken to date; the indicative timeframe for the preparation and presentation of a formal Part VIII planning application; and if she will make a statement on the matter?

**Reply**

Dublin City Council (DCC) applies for social housing capital funding from the Department of Housing, Local Government and Heritage (DHLGH) in accordance with its 4 stage approval process.

DCC has received Stage 1 approval from the DHLGH for the regeneration of (details supplied). The project approval was for the construction of 92 apartments, however this number may change as the design development progresses to allow for design efficiencies.

Site investigation surveys are due to commence onsite in early January 2022.

The Housing and Community Services Department anticipates a Stage 2 application (approval to seek planning permission) will be submitted to the DHLGH in July 2022, followed by Part 8 lodgement in September 2022(subject to DHLGH approval).

**Q30 Councillor Ray McAdam**

To ask the Area Manager to specify and detail the improvements undertaken this year in (details supplied) with regards to (1) housing maintenance, (2) public realm or public domain and by the (3) Parks Department; and if she will make a statement on the matter?

**Reply**

1. Housing Maintenance:

Housing Maintenance deals with over 60,000 service requests across our 26,000 housing units each year. A tenant with a housing maintenance service request can call the Housing Maintenance section by phone on 01-222 2222 or they can email [maintenance@dublincity.ie](mailto:maintenance@dublincity.ie) to assist with their queries. Equally, public representatives can email Housing Maintenance a list of maintenance issues for individual properties to be logged/recorded onto our system and any follow up on the requests. To process a request, we would require the tenants name, address, relevant details of the maintenance issue and their contact details, in order for the depot to arrange an appointment with the tenant.

All jobs are logged on a system called Anite, which every depot has access to this. On receipt of jobs by the depot, they are allocated to the relevant personnel in each depot.

It is important that maintenance requests are recorded on Anite by contacting Housing Maintenance, the Local Area Offices or via a public representative. On occasion, in response to representations, we have found that maintenance requests have not been logged/recorded onto our Anite system and the Housing Maintenance section has no knowledge of works that may be required, therefore repairs can remain undone.

The existing Anite system that Housing Maintenance uses has limited functionality and it is challenging to capture the works that we have done in a particular area. However, if there are any queries about a particular property or properties, we can provide specific details in relation to those housing units. Furthermore, Housing Maintenance has begun the process of replacing our current computer system and so we will be in a better position to answer similar queries when this is complete.

**Tel:** 2223517

2. The following works have been carried out within the (details supplied) :

- There was damage caused to the MUGA pitch as a result of Anti-Social Behaviour. Fencing was repaired and replaced around the pitch to make this area secure.
- Pedestrian concrete steps and walkways were repaired.
- A couple of alleyways were opened, cleaned out and secured again.
- Three sets of steel panels were erected and completed around the boundary wall of (details supplied). This was requested by the residents for security reasons.

**Q31 Councillor Ray McAdam**

To ask the Area Manage to provide a list of Stage 1 funding applications lodged with the Department of Housing, Heritage and Local Government by the Housing Section for projects located within the Central Area; to specify whether each has been approved; the value of each; the current status of each; the number of units to be provided in each; whether an Approved Housing Body is being considered to manage any or if an AHB has been selected to manage any; and if she will make a statement on the matter?

**Reply**

Project	Department of Housing, Local Government & Heritage (DHLGH) Approval	Current Status of Project	Number of Units
Constitution Hill, Dublin 7	Stage 1 initial project approval and funding received for extended, retrofitted and new build apartments	Integrated design team appointed and scheme design is progressing.  Community consultation has begun with the issuing of a newsletter to the residents & local elected members from the Housing Area Manager in November 2021	130
		Integrated design team appointed and scheme design is progressing.	92

<p><b>Matt Talbot</b> <b>Court</b> <b>Dublin 1</b></p>	<p>Stage 1 initial project approval and funding received for full demolition of existing flat complex and construction for a new build development</p>	<p>Community consultation has commenced, a newsletter was issued to residents &amp; local elected members from the Housing Area Manager in October 2021</p>	
--	--	---	--

Dublin City Council (DCC) applies for social housing capital funding from the Department of Housing, Local Government and Heritage (DHLGH) in accordance with its 4 stage approval process.

Stage 1 approval from the DoHLGH gives initial project approval and funding which enables the Housing and Community Services Department to procure and appoint a design team to the project. The integrated design team is responsible for developing the design of the new housing scheme to bring it to Stage 2 (Part 8 planning). Budget approvals and unit numbers at Stage 1 are indicative and may vary as the regeneration projects move through the four stage approval process as a result of design efficiencies, costs and development.

No decision on the management of these complexes has been made to date.

**Q34** **Councillor Joe Costello**

To ask the Area Manager if a final sweep of leaves from footpaths on the (details supplied) can be arranged.

**Reply**

Waste Management Services commenced the leaf clearing programme on the 20<sup>th</sup> September 2021. This activity operates throughout the city over the autumn and winter months. Priority is given to tree-lined streets with heavy pedestrian use and areas particularly prone to flooding. We will ensure that the (details supplied) continues to be included as often as possible during the course of this programme.

**Contact:** Mick Boyle, Senior Staff Officer, Waste Management Services,

**Tel** 222 4240,

**Email:** [mick.boyle@dublincity.ie](mailto:mick.boyle@dublincity.ie)

**Q35** **Councillor Joe Costello**

To ask the Area Manager when the cold weather strategy started and what plans there are for the Central Area.

**Reply**

In order to meet the increase in demand for homeless services and to have the appropriate contingency plans in place for cold weather conditions (or an emergency event), the Cold Weather Strategy 2021/ 22 was activated last month in the Dublin Region. The Cold Weather Strategy focuses on expanding current capacity to meet increasing demand for emergency accommodation whilst also providing a targeted response for people who are long-term rough sleeping.

The strategy focuses on the Dublin Region as a whole.

Full details of the Cold Weather Strategy 2021/2022 can be found:

[www.homelessdublin.ie/our-work/news/cold-weather-strategy-2021-2022](http://www.homelessdublin.ie/our-work/news/cold-weather-strategy-2021-2022)

To ask the Area Manager to state why (details supplied) has been boarded up for several months and what plans are in place for it to be refurbished for letting

**Reply**

Dublin City Council has checked this account and according to our records there is a tenant presently living at the details supplied. However, we will conduct a site visit to clarify the matter and ensure there is no confusion in relation to the specific address.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 2223517

**Q37 Councillor Joe Costello**

To ask the Area Manager to improve public lighting in the vicinity of the (details supplied 1.) and to repair the bollards on the (details supplied 2.) which have been damaged

**Reply**

1. Public Lighting Services do not provide lighting within the (details supplied) itself.

However, on Grangegorman Upper, there is existing public lighting located immediately outside the (details supplied) entrance and also directly opposite the entrance.

An inspection of this lighting has been carried out and all lights on Grangegorman Upper are currently operational.

This lighting will be upgraded to LED as part of a future lighting upgrade project, however we cannot give an exact timeframe at present for when this will be done.

**Contact:** *Karen Leeson, Executive Engineer, Public Lighting & Electrical Services Division.*

**Email:** [karen.leeson@dublincity.ie](mailto:karen.leeson@dublincity.ie)

2. We will investigate damage to the bollards and have them repaired as soon as possible.

**Contact:** **Andrew Geoghegan, Neighbourhood Transport Engineer (North City).**

**Email** [andrew.geoghegan@dublincity.ie](mailto:andrew.geoghegan@dublincity.ie)

**Q38 Councillor Joe Costello**

To ask the Area Manager (a) how many HAP tenancies there are in the Central Area, (b) how many of these premises have been inspected, (c) how many were found to be satisfactory; (d) how many were found to need repair work carried out; (e) how many landlords carried out repair works within specified period; (f) and how many fines have been issued to landlords who failed to comply with repair notices.

**Reply**

There are a number of different computer systems used within the City Council to record various aspects of HAP. However none of these systems are configured to produce reports based on the Dublin City Council area structure.

HAP commenced in 2015 and currently there are 8647 HAP tenancies in the City Council area. Inspections of these properties and all rented properties are carried out by Environmental Health Officers under the Housing (Standards for Rented Houses) Regulations 2019. The following is a breakdown of the citywide inspections and actions taken under the Regulations:

<b>CITYWIDE</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021 (to end September)</b>
Number of Dwellings inspected	3,560	5,606	2224	2676
Number of Private Rented Inspections/re-inspections undertaken	5,830	9,099	3020	2711
<i>(Of which were HAP)</i>	<i>2973</i>	<i>4049</i>	<i>1620</i>	<i>1841</i>
Number found to be non-complaint on 1 <sup>st</sup> inspection	3,387	4,973	1737	1753
COMPLIANT. (i.e. Total number of Dwellings inspected that were deemed COMPLIANT in year, including those where initial inspection was carried out in the previous year but compliance was achieved in the current year).	2,195	4,189	3446	2649
Improvement Letters served ( <i>Improvement Letters are included under Improvement Notices up to 2018</i> )	N/A	4,562	1761	1530
Improvement Notices served	3,367	1,118	465	64
Prohibition Notice's served	46	61	10	0
Legal actions initiated	28	55	0	0

**Q39 Councillor Joe Costello**

To ask the Area Manager if she can have the door installed and the weather glaze windows installed as a matter of urgency for the elderly tenant at (details supplied)

**Reply**

An order has been placed with the Joinery Workshop to have new windows installed in the address provided. Due to the impact of COVID-19, the workshop is behind on its delivery schedule and at this time Dublin City Council are unable to give an exact installation date.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 2223517

**Q40 Councillor Joe Costello**

To ask the Area Manager when the paid parking scheme for (details supplied) will become operational.

**Reply**

The Parking Policy and Enforcement Section hope to introduce a parking scheme on (details supplied) in the first quarter of 2022.

**Contact:** Dermot Stevenson, Parking Enforcement Officer.

**Tel:** 222 2017.

**Email:** [dermot.stevenson@dublincity.ie](mailto:dermot.stevenson@dublincity.ie)

**Q41 Councillor Declan Meenagh**

To ask the Area Manager for a list of the Christmas tree recycling facilities in the Central Area and to check if (details supplied) can be one.

**Reply**

In the Central Area, Christmas trees can be disposed of free of charge at Grangegorman Bring Centre from 6<sup>th</sup> to 23<sup>rd</sup> January 2022. A full list of Christmas tree recycling locations is available at [www.dublincity.ie/residential/environment/waste-and-recycling/christmas-tree-disposal](http://www.dublincity.ie/residential/environment/waste-and-recycling/christmas-tree-disposal).

A number of these sites are in close proximity to the Central Area.

In relation to (details supplied), it will not be possible to add this as a new location for this year's program as arrangements and our advertising campaign have already been finalised at this point. Waste Management Services will raise the suggestion with Parks & Landscaping Services for future years, however as the car park at (details supplied) is quite small it is unlikely that sufficient space will be available to construct the necessary cage systems for the collection of trees at this location.

**Contact:** Sid Daly, Public Domain Enforcement Officer, Waste Management Services.

**Email:** [sid.daly@dublincity.ie](mailto:sid.daly@dublincity.ie)

**Q42 Councillor Eimer McCormack**

To ask the Area Manager if she is aware of (details supplied):

**Reply**

An approval for a new heating system has been granted. Housing Maintenance will contact the tenant to make arrangements to commence these works. The Area Maintenance Officer will carry out an inspection of the address provided and all necessary works will be done.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 2223517

**Q43 Councillor Eimer McCormack**

To ask the Area Manager to report on any plans to address the 200 year old footpaths on (details supplied), as they are in a hazardous and unsafe condition in many areas.

**Reply**

Further to an inspection of the footpaths on Lindsay Road, Road Maintenance Services shall add the tree trip defects to the annual footpath works programme for 2022.

**Contact:** Ronan Connolly, Executive Engineer, Road Maintenance Services

**Tel:** 222 2576.

**Email:** [ronan.connolly@dublincity.ie](mailto:ronan.connolly@dublincity.ie)

**Q44 Councillor Eimer McCormack**

To ask the Area Manager to provide a report on plans to combat the extensive littering and illegal dumping on (details supplied) ? Inadequate bins and lack of enforcement have led to the area becoming a littering blackspot of late.

**Reply**

The following actions have been put into action:

1. A litter warden will be inspecting the street and removing illegally dumped bags.
2. Temporary CCTV will be installed on the street.
3. The bin declaration process has commenced on the street. All houses/flats will be asked to declare and provide evidence on how they dispose of their waste.

**Contact:** Stephen Wearen, A/Public Domain Enforcement Officer

**Email:** [stephen.wearen@dublincity.ie](mailto:stephen.wearen@dublincity.ie)

**Q45 Councillor Eimer McCormack**

To ask the Area Manager to report on when a segregated cycle route will be provided on (details supplied)

**Reply**

There are currently no plans to install segregated cycle lanes along this section of (details supplied). The current arrangement has cyclists sharing the inbound and outbound bus lanes. The route was

identified for intervention in the *Interim Mobility Programme for Dublin City May 2020*. However providing protected cycle lanes in this area would involve very significant alterations to the current layout and is beyond what can be currently delivered by the Covid Mobility Unit.

The Bus Connects proposals for the Swords to City Centre include for dedicated cycle lanes to be provided on (details supplied) in both directions.

**Contact:** Alec Dundon, Senior Executive Engineer  
**Email:** [COVIDMOBILITY@dublincity.ie](mailto:COVIDMOBILITY@dublincity.ie)

**Q46 Councillor Cieran Perry**

To ask the Area Manager, in relation to Halloween, to provide the following details:-

- a) What events were carried out in the Cabra area over the Halloween period, excluding the day/evening?
- b) What events were carried out in the Cabra area on Halloween day/evening?
- c) Can the Manager detail the expenditure by DCC on the Halloween festivities in the Cabra area?
- d) Can the Manager detail the expenditure by DCC on the Halloween festivities in the four other administrative areas in Dublin?

**Reply**

**Cabra Area Office**

- a) Spring Bedding and Bulbs were distributed to over 40 residents groups for planting over the Halloween Period.  
In addition, street parties were supported at 15 locations and also 4 mini festivals.  
The combined effect resulted in local residents taking more control of their neighbourhoods, diverting people away from negative behaviour.  
Fortunately, one bonfire was discouraged at the rear of Faussagh Avenue shops.
- b) 15 street parties, some very brief, due to inclement weather.
- c) Bedding Plants and bulbs. €12,000  
Party goods €2,150  
Financial Contributions to local groups organising festival events. €3,500  
    St. Finbarr's G.A.A. (€1,000)  
    St Oliver Plunkett's G.A.A. (€1,000)  
    Cabra Youth Services. (€1,000)  
    Cabra Community Development. (€500 Euro)

**Total** €17,650

Note: One large bonfire and one small bonfire were held at Killala Road and Dunard Estate.  
These areas will be targeted for special attention in 2022.

**Reply**

A reply will be forwarded to the Councillor within the next 2 weeks.

**Contact:** John McPartlan, A/Senior Executive Officer  
**Email:** john.mcpartlan@dublincity.ie

**Q48** **Councillor Cieran Perry**

Can the Manager provide a detailed report on the outstanding maintenance works in (details supplied), as detailed by the residents, the local area office and myself?

**Reply**

Dublin City Council's Housing Maintenance is fully committed to changing the windows in (details supplied). However, due to the building being listed, we are having to go through a detailed planning process. We have also had a number of staff changes in our Planned Maintenance Engineering Unit in Housing Maintenance and this has added to what can already be a lengthy process.

As it stands, we are waiting on Part 8 Planning approval, once we receive this we can then proceed to a tendering process and issue out the work.

Part 8 Planning on listed buildings can be time consuming and also involves essential inputs from other departments.

Housing Maintenance has three projects citywide that require Part 8 Planning and it is our intention to assign an engineer solely on these projects to bring them to fruition as quickly as possible. We acknowledge the importance of completing this project and we will work to speed up the process in 2022.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** clive.ahern@dublincity.ie

**Tel:** 2223517

**Q49** **Councillor Cieran Perry**

To ask the Manager to provide an update on the request for a replacement back door for the tenant in (details supplied). This issue was raised at the July Central Area Committee and the repair remains outstanding.

**Reply**

The Area Foreman has carried out an inspection of the door at the address provided and an order has been placed with the Joinery Workshop. In the meantime repairs will be made on the door until a new door can be installed.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Q50** **Councillor Cieran Perry**

To ask the Manager to provide an update on the request for the repair of the gutters at (details supplied). This issue has been outstanding for a number of months.

**Reply**

The Area Maintenance Officer has carried out an inspection of the address provided and works on the gutters and a new downpipe will be completed in the coming weeks or early in January.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 2223517

**Q51** **Councillor Cieran Perry**

To ask the Manager to provide an update on Q.14 to the September Central Area Committee meeting in relation to (details supplied)

**Details:** crash statistics at Cabra Cross at the junction of the Navan Road and the New Cabra Road

**Reply**

Dublin City Council Road Safety Section contacted the Road Safety Authority, and the following report was received from the Research Section in relation to the crash statistics at the junction of Cabra Road/Navan Road:

**Collisions on R147, Cabra Road/Navan Road Junction**

**Introduction**

Prior to 2014, the Gardaí completed a form (C(T)68) on the initial investigation of each road traffic collision in which a fatality, serious or minor injury had occurred. Since 2014, the Road Safety Authority (RSA) receives an electronic copy of this information. The forms, and now the electronic versions, are completed by the Gardaí and forwarded to the Research Department of the RSA for statistical analysis. The data, relating to fatal, serious, and minor injury collisions occurring on a public road, is then analysed, and included in the Road Collision Factbook published annually by the RSA.

The information in this report is extracted from the RSA collision dataset and database. The data relates to fatal, serious, and minor injury collisions only. Material damage collisions and collisions not reported to An Garda Síochána are not included in the analysis. Material damage collisions are collisions where no deaths or injuries occur, but damage is caused to a vehicle or property.

The RSA hold collision data from 1996 but more recent data covering a period from 2016 to 2019 was used in this analysis. Data for 2019 is considered provisional and subject to change.

Data for 2020 and 2021 is currently being analysed by the Research Department and, as such, is unavailable for inclusion.

This analysis is based on a request for data relating to the route R147, specifically the Cabra Road/Navan Road Junction.

Please be advised that every effort is made to ensure the accuracy of the location of collisions and the inclusion of all relevant collisions. However, this is dependent on the initial reporting of the incident. For instance, some collisions are reported after the fact. Therefore, it may not always be possible to get accurate location information.

### **Collisions R147, Cabra Road/Navan Road Junction**

Between 2016 and 2019\* there were 10 road traffic casualty collisions on this road. Two of these collisions were recorded as fatal or serious injury collisions, eight were minor injury collisions. In all collisions, it was reported there were twelve casualties, including three people who were killed or seriously injured and nine people who suffered minor injuries.

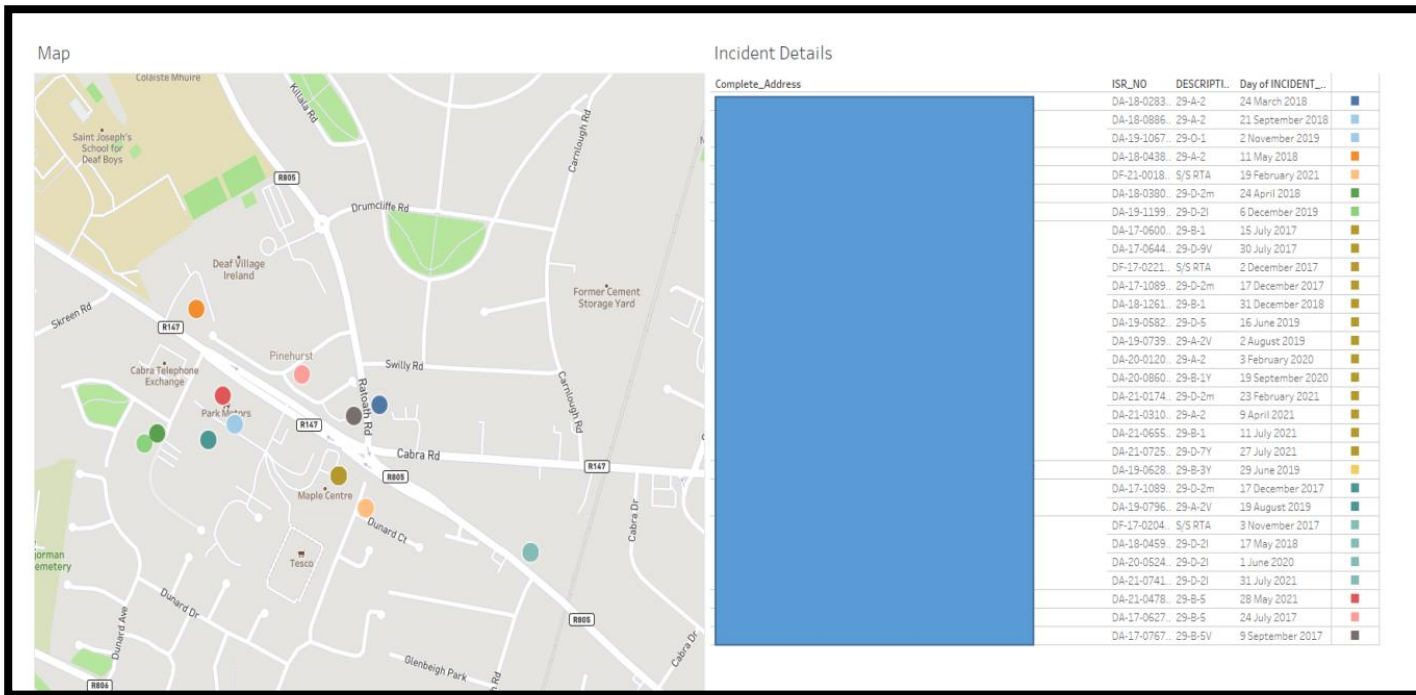

**\* Data for 2019 is provisional and subject to change**

#### **Map of collisions R147, Cabra Road/Navan Road Junction, 2016 – 2019**

Furthermore, the Road Safety Section received the following information from the Dublin Fire Brigade department:

If the Councillor has any questions about the above report, please get in touch with the Road Safety Section, and we will lease with the research department of RSA and Dublin Fire Brigade for a response.

**Contact:** Rossana Camargo, Executive Engineer, Transportation. Road Safety. Policy, Strategy and Innovation Section.

**Email:** [rossana.camargo@dublincity.ie](mailto:rossana.camargo@dublincity.ie)

**Q52 Councillor Joe Costello**

To ask the Area Manager if she will state the number of landlords that have exited the rental market in each of the last five years in the Central Area. Threshold launched its Annual Report and stated some 4,500 landlords had exited the rental market and if there are figures for Dublin Central Area, and if so what impact they might have for DCC's housing strategy.

**Reply**

There have been no exits by Landlords on long term lease with DCC over the last five years.

**Contact:** Kayanne O Mahony, A/Senior Executive Officer

**Phone:** 01 222 5354

**Email:** [kayann.omahony@dublincity.ie](mailto:kayann.omahony@dublincity.ie)

Rental Assistance Subsidy (RAS) Landlord Exit 2017-2021

Year	(Number) RAS Landlord Exit 2017-2021
2017	43
2018	48
2019	62
2020	17
2021	7
Total	177

**Contact: Richard Herlihy Administrative Officer**  
**Phone: 01 222 7178**  
**Email: [richard.herlihy@dublincity.ie](mailto:richard.herlihy@dublincity.ie)**

This information is not available to the HAP section. The HAP section ceases tenancies in cases where the landlord is selling the property but the cessation itself refers to the individual tenancy and property rather than all properties connected to a particular landlord. We would not be aware if a particular landlord is actually exiting the rental market. The same would apply to Homeless HAP.

**Contact: Emma Leahy**  
**Position: A/Administrative Officer**  
**Tel no: 01 2226396**

**Q53 Councillor Colm O'Rourke**

To ask the Area Manager if the trees at (details supplied) could be pruned due to the trees overhanging and hitting vehicles and cyclists.

**Reply**

These trees will be examined in the coming weeks as local schedules allow and any works deemed necessary will be listed for inclusion in our 2021-22 tree care programme for the area

**Contact: Stephen Groome, NW District Parks Superintendent**  
**Tel: 222 3395**  
**Email: [parks@dublincity.ie](mailto:parks@dublincity.ie)**

**Q54 Councillor Colm O'Rourke**

To ask the Area Manager to request that the tarmacadam at (details supplied) be repaired due to the cracks and damaged caused by machinery when works were previously being carried out here.

**Reply**

Road Maintenance Services hope to have this repaired by January 2022.

**Contact: Ronan Connolly, Executive Engineer, Road Maintenance Services**  
**Tel: 222 2576.**  
**Email: [ronan.connolly@dublincity.ie](mailto:ronan.connolly@dublincity.ie)**

**Q55 Councillor Colm O'Rourke**

To ask the Manager if there is any grants or supports available through Dublin City Council to assist residents (details supplied) in the major upgrading of fire safety measures.

**Reply**

The proposed works would not be covered under any of Dublin City Council's grant schemes.

**Contact:** Deirdre Cahill  
**Tel:** 222 2640  
**Email:** [deirdre.cahill@dublincity.ie](mailto:deirdre.cahill@dublincity.ie)

**Q56** **Councillor Colm O'Rourke**

To ask the Manager if Dublin City Council are undertaking a survey of (details supplied) and if the Park's, Biodiversity and Landscape Services Division are planning to plant a tree at (details supplied) or elsewhere on the road.

**Reply**

Parks, Biodiversity and Landscape services have appointed an arborist on a 4 year contract to conduct a yearly inventory and ground based visual assessment survey of approximately 4,000 trees, beginning with the 20/21 winter season. It is anticipated this inventory will include assessment and recommendations for all our trees in the district in the future. In addition, local management conduct routine checks of tree stock within the area and list any recommended works in our Tree care programme. All works are carried out on a priority basis subject to available budget.

The tree pit outside house number (details supplied) has been listed for planting during our Winter Tree Planting programme (Nov – March) subject to available stock.

**Contact:** Stephen Groome, NW District Parks Superintendent  
**Tel:** 222 3395  
**Email:** [parks@dublincity.ie](mailto:parks@dublincity.ie)

**Q57** **Councillor Colm O'Rourke**

To ask the Area Manager if Dublin City Council could provide a building/houses for the purpose of accommodating (details supplied)

**Reply**

The Area Office do not have any building or houses available to accommodate the (details supplied). The Area Manager will contact development department to ask them to look at providing space for them in current or future developments in the Central Area.

**Contact:** John McPartlan, A/Senior Executive Officer, Cabra – Glasnevin Area Office  
**Email:** [john.mcpartlan@dublincity.ie](mailto:john.mcpartlan@dublincity.ie)

**Q58** **Councillor Colm O'Rourke**

To ask the Area Manager for an update regarding Q77 that I raised at the Central Area Committee on 13<sup>th</sup> July 2021 which requested that (details supplied) be investigated and the appropriate measures be put in place to manage the volumes of traffic here. Since first raised, the issue has escalated and needs to be tackled.

**Reply**

Due to traffic flows being reduced in the summer from school holidays it was deemed appropriate to arrange traffic surveys when traffic volumes increased in Autumn/Winter. A batch of traffic surveys are being carried out in early December across the Central Electoral Area. It is

anticipated to include (details supplied) in the next batch of surveys in January 2022 to confirm traffic volumes and inform any potential recommendations thereafter.

**Contact:** Seán Callaghan, Central Area Engineer, Transport Advisory Group.  
**Tel:** 222 6397.  
**Email:** [sean.callaghan@dublincity.ie](mailto:sean.callaghan@dublincity.ie)

**Q59** **Councillor Colm O'Rourke**

To ask the Area Manager to improve the safety for cyclists at (details supplied) as well as introducing cycle lanes especially as many children cycle to their school at this location. Cars park both sides of the road, leaving no space for bicycles to pass on the road when cars are travelling on the opposite side. In addition to this cars are often parked on the footpaths and leave no room for buggies, those in wheelchairs and children bringing their bicycle in to their school.

**Reply**

(Details supplied) were successful in both the School Zone and Safe Routes to School applications. A site visit was carried out and preliminary designs were drawn up which included a footpath buildout to create more space for the children accessing the school. We then informed by the Department of Education that there was a major drainage upgrade happening on the road to facilitate the expansion of the school. The plans were subsequently adjusted to include necessary changes to the drainage system. We are currently awaiting engineering resources to be assigned to the School Zone Programme, after which we will re-visit the school and progress plans.

**Contact:** Antonia Martin, Communication & Promotion Officer, Covid Mobility Team.  
**Email:** [antonia.martin@dublincity.ie](mailto:antonia.martin@dublincity.ie)

**Q60** **Councillor Colm O'Rourke**

To ask the Area Manager for an update to Q58 that I raised at the Central Area Committee on 12<sup>th</sup> October 2021 regarding the inspection of a site and a full report that is to be issued on it

**Reply**

The property which consists of a terraced house was inspected on 25/11/2021. The windows, door and roof are intact and the overall appearance of the property is good. It is not considered derelict within the definition set out in the Derelict Site Act 1990, cited below. The property will be referred to the Councils Vacant Property Unit, Housing & Community Services which actively pursues the acquisition of vacant housing units.

Definition of a Derelict Site

*"any land which detracts, or is likely to detract, to a material degree from the amenity, character or appearance of land in the neighbourhood of the land in question because of:*

- (a) the existence on the land in question of structures which are in a ruinous, derelict or dangerous condition, or*
- (b) the neglected, unsightly or objectionable condition of the land or any structures on the land in question, or*
- (c) the presence, deposit or collection on the land in question of any litter, rubbish, debris or waste, except where the presence, deposit or collection of such litter, rubbish, debris or waste results from the exercise of a right conferred by statute or common law."*

**Phone:** 01 2223941  
**Email:** [nial.dully@dublincity.ie](mailto:nial.dully@dublincity.ie)

**Q61** **Councillor Colm O'Rourke**

To ask the Area Manager to request an update and indicative timeline regarding the Pay & Display & Permit Parking scheme for (details supplied) that was referred to the Area Engineer for assessment and to request if the process could be expedited due to the volume of issues being caused due to a lack of such scheme.

**Reply**

Currently the Area Engineer is working through applications for Pay & Display & Permit schemes in the Central Area in order of receipt of applications. There are 2 No. applications currently being finalised. Following this, the application for (details supplied) will be assessed. Please note that due to this application containing a number of roads there is significant assessment involved. It is expected that the design will be completed for the four streets by mid-January. Please note that following completion of design, the request will be referred to Parking Enforcement.

**Contact:** Seán Callaghan, Central Area Engineer, Transport Advisory Group.  
**Tel:** 222 6397.  
**Email:** [sean.callaghan@dublincity.ie](mailto:sean.callaghan@dublincity.ie)

**Q62** **Councillor Colm O'Rourke**

To ask the Manager if the request for additional black cannon bollards to be extended at (details supplied) be re-examined due to the high volume of vehicles parking here.

**Reply**

The Traffic Department have been made aware of the issue of motorists ignoring the times of the cycle lane at the location and parking illegally in the cycle lane. The cycle track was recently extended to include Sundays in an aim to remove this issue of illegal parking at weekends. The new measure worked well, as the issues of illegal parking at the weekends subsided due to action from the Parking Enforcement team. The illegal parking appears to have arisen again in recent weeks.

The signage in place is appropriate and prevents parking in the cycle track during active times. In terms of bollards, it is not recommended to install bollards at this location as this would significantly reduce the effective width of the footpath for pedestrians and vulnerable road users.

We will refer this to the Parking Enforcement Section for appropriate action, which has been effective in the past.

**Contact:** Seán Callaghan, Central Area Engineer, Transport Advisory Group.  
**Tel:** 222 6397.  
**Email:** [sean.callaghan@dublincity.ie](mailto:sean.callaghan@dublincity.ie)

The Parking Enforcement Inspector will attend the area and arrange for the necessary enforcement and DSPS will enforce any illegal parking.

**Contact:** Dermot Stevenson, Parking Enforcement Officer.  
**Tel:** 222 2017.  
**Email:** [dermot.stevenson@dublincity.ie](mailto:dermot.stevenson@dublincity.ie)

**Q63** **Councillor Seamas McGrattan**

To ask the Area Manager to clear the large amount of dumped material on the (details supplied)

**Reply**

The Cabra Area Office have undertaken to procure a private contractor to remove the waste at this property.

**Contact:** Stephen Wearen, A/Public Domain Enforcement Officer  
**Email:** [stephen.wearen@dublincity.ie](mailto:stephen.wearen@dublincity.ie)

**Q64** **Councillor Seamas McGrattan**

To ask the Area Manager to plant new trees on (details supplied)

**Reply**

Parks, Biodiversity and Landscape Service have previously investigated the possibility of planting trees in (details supplied), unfortunately due narrow footpaths and considerable amount of underground cabling, planting of trees is not possible at this location.

**Contact:** Stephen Groome, NW District Parks Superintendent  
**Tel:** 222 3395  
**Email:** [parks@dublincity.ie](mailto:parks@dublincity.ie)

**Q65** **Councillor Seamas McGrattan**

To ask the Area Manager when will insulation programme resume in Cabra and can a date be provided when works will begin at (details supplied)

**Reply**

The programme has resumed in the Cabra area and will continue in 2022, subject to funding confirmation from the Department. Due to the volume of properties involved, it is a roll out programme and areas/estates must be targeted in their entirety from both an operational and magnitude/economies of scale perspective. The programme has proved hugely successful to date and will run for a number of years, subject to continued Departmental funding support, until it reaches its conclusion. We would hope that these properties will be upgraded in 2023/2024 depending on funding and progress of the programme.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Q66** **Councillor Seamas McGrattan**

To ask the Area Manager when will an extension be provided for the tenants at (details supplied)

**Reply**

A review of this case has taken place and a letter has been sent to the tenant outlying the details.

**Contact:** Clive Ahern, Senior Executive Officer, Housing Maintenance.

**Email:** [clive.ahern@dublincity.ie](mailto:clive.ahern@dublincity.ie)

**Tel:** 2223517

**Q67** **Councillor Seamas McGrattan**

To ask the Area Manager to repair the damaged pathway outside (details supplied)

**Reply**

Road Maintenance Services will carry out the necessary footpath repairs at this location in early 2022.

**Contact:** Ronan Connolly, Executive Engineer, Road Maintenance Services

**Tel:** 222 2576.

**Email:** [ronan.connolly@dublincity.ie](mailto:ronan.connolly@dublincity.ie)

**Q68** **Councillor Seamas McGrattan**

To ask the Area Manager to install double yellow lines at the entrance to (details supplied) to prevent commuters blocking the entrance.

**Reply**

In order to keep the junction clear at all times it is recommended to install double yellow lines on the north and south sides of (details supplied), at its junction with Ratoath Road, starting from the western side of the pedestrian refuge island, extending east for 5m.

**Contact:** Seán Callaghan, Central Area Engineer, Transport Advisory Group.

**Tel:** 222 6397.  
**Email:** [sean.callaghan@dublincity.ie](mailto:sean.callaghan@dublincity.ie)

**Q69** **Councillor Seamas McGrattan**

To ask the Area Manager to repair the damaged pathway outside (details supplied (a)) and the sinking road outside (details supplied (b)).

**Reply**

Road Maintenance Services will arrange to have this footpath repaired in early 2022.

**Contact:** Ronan Connolly, Executive Engineer, Road Maintenance Services  
**Tel:** 222 2576.  
**Email:** [ronan.connolly@dublincity.ie](mailto:ronan.connolly@dublincity.ie)

**Q70** **Councillor Seamas McGrattan**

To ask the Area Manager to sweep the leaves on (details supplied) on a regular basis

**Reply**

Waste Management Services were clearing leaves from (details supplied) all week, Monday to Friday from the 29<sup>th</sup> November 2021 to the 3<sup>rd</sup> December 2021. We will ensure that (details supplied) continues to be included as often as possible during the remainder of our leaves removal programme.

**Contact:** Mick Boyle, Senior Staff Officer, Waste Management Services.  
**Tel:** 222 4240.  
**Email:** [mick.boyle@dublincity.ie](mailto:mick.boyle@dublincity.ie)

**Q71** **Councillor Seamas McGrattan**

To ask the Area Manager does Dublin City Council still own (details supplied) or was this property sold.

**Reply**

The property address (details supplied) was never in Council ownership. It is possible that the Councillor may be thinking of a premises two doors away which Dublin City Council did own but disposed of to the Dubco Credit Union in 1988. More recently, the Council occupied a floor of the building under a lease arrangement with the Credit Union but this use ended in 2013.

To ask the Area Manager to replace the surface on the pathway outside (details supplied)

**Reply**

Road Maintenance Services will arrange to have the entire footpath fronting (details supplied) resurfaced in early 2022.

**Contact:** Ronan Connolly, Executive Engineer, Road Maintenance Services  
**Tel:** 222 2576.  
**Email:** [ronan.connolly@dublincity.ie](mailto:ronan.connolly@dublincity.ie)

**Q73 Councillor Seamas McGrattan**

To ask the Area Manager to provide protected cycle lanes at (details supplied) (a) the main Navan Road from Kinvara Avenue to Cabra Cross and at (b) Ratoath Road from Reilly's Bridge to Cabra Cross. Both these routes are used by a large number of school children every day.

**Reply**

(a) Installation of protected cycle lanes across the city is funded by the National Transport Authority. The NTA is not looking to advance protected cycle facilities along the Navan Road at present as the Navan Road forms part of the Blanchardstown to the City Centre Busconnects programme and cycling improvements will be addressed as part of that project.

**Contact:** Alec Dundon, A/Senior Executive Engineer.

**Email:** [covidmobility@dublincity.ie](mailto:covidmobility@dublincity.ie)

(b) The NTA-funded Cabra to Blanchardstown Cycle Scheme was incepted in Q1 2021 and it proposes improved cycling and walking infrastructure along Ratoath Road, between Navan Road (Cabra Cross) and Cappagh Road. There has been no progress in the development of the project due to unavailability of staff.

**Contact:** Pdraig O'Brien, A/Senior Executive Engineer.

**Email:** [padraig.obrien@dublincity.ie](mailto:padraig.obrien@dublincity.ie)

**Q74 Councillor Cat O'Driscoll**

To ask the Area Manager to put a focus on the cleaning of footpaths outside schools in high litter and dog fouling areas including (details supplied)

**Reply**

Waste Management Services clean (details supplied) and surrounding streets on a daily basis and arrange power washing outside the schools there when necessary. We will continue to do all we can to keep this area as clean as possible, with particular emphasis on the footpaths outside the schools there.

**Contact:** Mick Boyle, Senior Staff Officer, Waste Management Services.  
**Tel:** 222 4240.  
**Email:** [mick.boyle@dublincity.ie](mailto:mick.boyle@dublincity.ie)

**Q75 Councillor Cat O'Driscoll**

To ask the Area Manager to outline the waiting list or expression of interest process being used for affordable housing units in the Central Area

**Reply**

At this time Dublin City Council has not designed or opened a waiting list or expression of interest process for affordable units across the city. This process will be progressed and we will keep the elected members updated on this.

**Contact:** Michelle Robinson

**Tel:** 222 6114

To ask the Area Manager what the policy is regarding allowing cars entrance to (details supplied)

**Reply**

The park at (details supplied) includes a working depot building where access is required , in addition to service vehicles , for the cars of staff who are in performance of their duties in and around the vicinity of the park .

**Contact;** Deirdre Prince, A/ Executive Landscape Architect /Parks Superintendent  
**Email:** [parks@dublincity.ie](mailto:parks@dublincity.ie)

**Q81 Councillor Janet Horner**

To ask the Area Manager whether informal car parking at the (details supplied) is enforced by DPSP

**Reply**

The area referred to is not in charge of Dublin City Council administration and is not enforceable by Dublin Street Parking Services.

**Contact:** Dermot Stevenson, Parking Enforcement Officer.  
**Tel:** 222 2017.  
**Email:** [dermot.stevenson@dublincity.ie](mailto:dermot.stevenson@dublincity.ie)

**Q82 Councillor Janet Horner**

To ask the Area Manager to investigate and upgrade lighting on (details supplied) , where the path is very dark due to the shadow of the trees.

**Reply**

The existing public lighting here is designed to sufficiently illuminate both the road and footpath. However the distribution of light on this section of footpath is effected by the mature trees. Although the existing lighting will be upgraded to LED lighting as part of an upcoming Lighting Upgrade Project, we consider that tree pruning where possible, will also be required to alleviate the blocking effect. We will provide Parks with any assistance required, to help resolve the issue.

**Contact:** Nicola O'Shea, Executive Engineer, Public Lighting & Electrical Services.  
**Tel:** 222 4452.  
**Email:** [nicola.oshea@dublincity.ie](mailto:nicola.oshea@dublincity.ie)

Parks are seeking quotations from tree surgeons for the trees at that section of (details supplied). The trees have been part of a 5 year tree pruning program.

**Contact:** Deirdre Prince, A/Executive Landscape Architect  
**Tel:** 222 5276  
**Email;** [Deirdre.prince@dublincity.ie](mailto:Deirdre.prince@dublincity.ie)
