**The Chairman and Members of  
Central Area Committee**

**12<sup>th</sup> April 2022**

---

**With reference to a proposal to initiate the procedure for the Extinguishment of the Public Right of Way over the laneway to the rear of the dwellings at O'Connell Avenue, Geraldine Street and Berkeley Road, Dublin 7.**

---

### **Proposal**

A request to have the public right of way extinguished over the above was made; the reason for this proposed extinguishment is to eliminate anti-social behaviour in the area, and to eliminate litter and dumping. The extent of this proposed extinguishment is shown on the attached Map SM-2022-0003.

The Central Area Committee, at its meeting on the 11<sup>th</sup> January 2022, agreed to initiate the statutory procedure to extinguish the public right of way over this laneway under the provisions of Section 73 of the Roads Act 1993.

### **Statutory**

By public advertisement on the 26<sup>th</sup> January 2022, representations or objections were invited by the 24<sup>th</sup> February 2022. The site notice at this location was erected on the 26<sup>th</sup> January 2022.

- No objections were received.

### **Service Check**

A service check has been carried out and no service provider will need to alter the current services on or under or over that part of the referred lane.

### **Recommendation**

I recommend that this Committee approve the extinguishment of the public right of way over the area shown on Map SM-2022-0003, for consideration later by the City Council.

The extinguishment of a public right of way is a function reserved to the City Council.
