

Environment and Transportation Department,  
Block 2, Floor 6,  
Civic Offices,  
Dublin 8.

6<sup>th</sup> April 2022.

To Each Member of the  
Climate Action, Environment & Energy Strategic Policy Committee

**Posters Protocol:**

Further to a question raised at the January meeting of the SPC as to whether the “person” can include “body corporate” is acceptable under the legislation, I can confirm that this is acceptable and the Posters Protocol has been amended to reflect this.

The latest draft Posters Protocol to replace the existing Protocol is now submitted for approval.
