To: The chairperson and members of
North Central Area Committee

Meeting: 20th June, 2022.

Item No. 31

**PUBLIC DOMAIN TEAM UPDATE FOR THE
JUNE MEETING OF THE NORTH CENTRAL AREA COMMITTEE**

Waste Management & Illegal Dumping

The Public Domain Team provided equipment & arranged collection of bags from 240 Community Clean Ups across the North Central Area during the period 1st April-1st June 2022. There were 65 incidents of illegal dumping recorded on CRM for the same period all of which were responded to promptly. 44 Sweep Your Street requests were actioned and the PD Team continue to have the R139 litter picked on a fortnightly basis. We work closely with both the early and late shift Supervisors in Waste Management and receive daily updates from them along with before and after photos. Here is an example of the great work completed by the crews on 17th May 2022 at Belcamp Green, Darndale.

Graffiti

60 reports of graffiti received. The Public Domain Team arrange removal of graffiti as soon as the request is received. Racist/Political/Sexist graffiti is prioritised and removed within 24hours, all other incidents of graffiti are removed within 4 days. There has been a notable decrease in graffiti in the Darndale & Donaghmede areas in recent times. Here is an example of a recent graffiti incident in Kilbarrack reported to the Public Domain Team on 9th May 2022 which was removed within 2 days.

Signage/Planters/Equipment

Public Domain continue to work with registered Environmental Groups to enhance estates with bespoke heritage signage and planters. We also regularly arrange for equipment to be supplied to them for their area clean ups and provide a service for the removal of bags.

City Neighbourhoods Competition

The City Neighbourhoods Competition is returning to pre-pandemic arrangements. The entry forms have been circulated to schools, residential & business groups in the North Central Area. The closing date for receipt of applications was extended to Friday May 27th 2022. Judging of the Area Competition will take place in June 2022 & judging of the Citywide Competition will take place in July 2022. The North Central Area Office is planning to have an awards ceremony to announce the area results in September 2022 (venue & date to be confirmed). The Citywide results will be announced at an Awards Ceremony in Croke Park on Thursday October 06th 2022 at 5pm.

Weeding

The first foam weeding treatment is now complete in North Central and the contractor will return for the second treatment in August. Some manual removal will also take place this year – the contractor is currently trialling a weed trimmer in the area and we will provide an update at the next meeting. Here is a list of the roads that have had their first weed treatment:

Utility Boxes

Painting of the utility boxes continues to be a huge success across the North Central Area. Dublin Canvas put a callout to artists on 13th April 2022 and the deadline for receipt of submissions was Friday 13th May 2022. The Public Domain Team met with Dublin Canvas on Monday 23rd May to view the submitted artwork and complete the selection process. 25 beautiful pieces of artwork were chosen for utility boxes across the area. All artwork must be completed by the artists between June and the end of August 2022.
