Re: Commemoration of 30 years of Diplomatic Relations between Chile and Ireland

Dear Members of the Committee,

I am writing to you to request to the Protocol Committee of Dublin City Hall to include in the City hall agenda to light up blue, white and red the City hall building on the 18th of September 2022 in commemoration of the 30 years of Bilateral Diplomatic Relations between Chile and Ireland and our National Day.

This is an important commemoration for both our countries. This year Chile and Ireland celebrate 30 years of diplomatic relations. The link between our two countries goes beyond the political and economic aspects. There is a strong historical ties born in Chile with figures with Irish descent such as Bernardo O'Higgins, Juan Mackenna, Patricio Lynch or Jorge O'Brien. Irish men who helped forge the Chile of today. Great feats such as those of Pilot Pardo and Sir Ernest Shackleton, evoke an eternal brotherhood between both countries.

The Formalization of Chile-Ireland Diplomatic Relations was signed on the year 1992 and our countries had nourished our exchange in a mutual desire for mutual benefit.

The celebrations of this important year has also been marked in Chile having many buildings taking part in recognizing the valued presence of Ireland in our history.
