Re: Spend incurred in removing illegally dumped commercial waste.

Dear John,

At the meeting of the Finance Strategic Policy Committee held on Thursday 15th September, it was discussed how a considerable spend had been incurred in removing illegally dumped commercial waste, in particular €400k expenditure had been referenced at the housing SPC earlier this week.

A report is requested to set out the value of spend in each of the last five years on the removal of commercial waste illegally dumped, if the report could include the communication DCC Waste Management Services have with the Revenue Commissioners, An Garda Síochana and the Criminal Assets Bureau (CAB) on the person / persons responsible for illegally dumping commercial waste and the measures taken to address the illegal activity.

I look forward to hearing from you.

Yours Sincerely,

Kathy Quinn
Deputy Chief Executive
Head of Finance With responsibility for ICT
