4. Request for funding for headstone received by chairman and by Cllr Cooney:

*I am writing to you and your committee to ask if it would be possible to apply for funding towards a headstone to mark the grave of one of the "children of the rising". I refer to Christopher Whelan, 30 North Great George's Street, Dublin 1. He was my father's uncle. The entry in Joe Duffy's book is as follows:
"Christopher Whelan (15), 30 North Great George's Street. In the 1911 census he was the only child in the house at that time. His father Laurence was a hotel proprietor. There were 28 people living in the house. Buried in Glasnevin cemetery".
We have identified the plot where Christopher is buried (F72.5, Garden - Memorial ID 163924522). Many thanks for your consideration of my request. Go raibh maith agat as m'iarratas a bhreithniú.*

The committee agreed to support this in principle, noting that there is no funding available under any existing DCC policy or scheme. Other financial supports may be available.
