The redevelopment of Glin Court has received Stage 3 approval.

Presently, a review is commencing on the tender documentation before the issuing of the tender for the appointment of a contractor to construct the new housing scheme. The project is for the full demolition of the existing two housing blocks and the construction of 32 new homes for Older Persons.

**Cromcastle Court / Woodville:**

The regeneration of the first phase of Cromcastle Court and the Coal Yard site has Stage 1 approval. The proposal is for the demolition of the existing three housing blocks on the Cromcastle Court site and for the construction of a new housing scheme in its place and the redevelopment of the Coal yard site with providing 39 new homes.

A design team has been progressing with design proposals and are currently working towards the pre-Part 8 process.

Further consultation with residents and the local community is planned to take place over the coming months.

Upon receipt of Stage 2 approval from the D.H.L.G.H., it is intended to lodge the Part 8 planning permission in Q3 2022.
