

CENTRAL AREA COMMITTEE

DUBLIN CITY SPORT & WELLBEING PARTNERSHIP REPORT

DECEMBER 2022

January 2023 – Linking in with National Events & Initiatives

The primary goal of DCSWP is to provide opportunities for everyone to get involved in sport & physical activity regardless of age, gender or ability. In 2023 DCSWP will continue to align the planning and delivery of programmes with national and international events. This strategic approach helps maximise promotion of the service, adds momentum to local programmes and initiatives and ultimately increases reach across communities in Dublin City.

Please see below highlight citywide programmes for January/February 2023. Programme participants will include those from communities in the Central area.

Change For Life 2023

This 8 week programmes first commenced in communities across Dublin City in 2013. Initially the programme focussed on underactive adults but over the years the initiative has grown and expanded to include other core target groups and a Dublin City Staff programme was introduced in 2020. Change For Life emulates the format of and runs in tandem with RTE's Operation Transformation programme. The programme will provide fitness assessments, weigh-ins, a 5K timed walk (repeated at week 8) nutritional/dietary advice and multi-exercise programmes.

Get Dublin Walking/Couch to 3 & 5k

These core DCSWP programmes commence in January in local communities including the North Central area. The Couch to 3 & 5k programmes link to parkrun and 5k programmes will link in with the Operation Transformation 5k run in early February. This year participants' will be further supported by the launch of the DCSWP couch to 5k podcast (due to be launched in January).

Lord Mayor's 5 Alive 2023

The LM5 Alive is now in its 11th year and will once again link in with Dublin road races from January to March 2023. At the time of submitting the December report details for 2023 remain TBC. DCSWP is working closely with the Lord Mayor's Office and will communicate once details are finalised.

Women in Sport

DCSWP's Get All Girls Active (GAGA) initiative is dedicated to providing opportunities for women of all ages and abilities to become involved in sport and physical activity and to increasing the visibility/representation of Women in Sport. In 2022 Ellen Keane and Kellie Harrington were appointed as DCSWP ambassadors to promote and celebrate female sporting achievements. While female focussed programmes are delivered throughout the year, GAGA will take on a strategic focus in March by running in tandem with Women in Sport Week (7th-13th March). DCSWP Sport and Co-funded Officers will commence planning programmes and events in February 2023.

Schools Cross-Country

The schools cross country citywide programme will commence in early January (TBC) in partnership with Athletics Ireland as part of the national Active Flag programme.

Active Cities

The Active Cities National Project was launched on November 7th. Since the launch The Dublin City Active City lead has continued to meet with DCSWP officers to identify gaps that fit within the remit of Active Cities funding of disadvantage, disability and minority groups. It is expected to launch Active Cities at local level in early 2023.

In January 2023 the following is planned:-

- Upload orienteering maps on to the map run app. The following parks each have had six maps prepared :

Albert Park, Bushy park, Herbert Park, **John Paul park**, **Cabra** Le Fanu Park, Poppintree park, St Anne's park and Sundrive park.

- Promote use of the maps in local schools and on social media.
- Install outdoor stencils in the grounds of four primary schools to encourage outdoor play.
- Collaborate with local HSE and DCSWP/Co-funded officer to encourage the inactive to participate in the "Change for life" programme.
- Collaborate with local HSE physiotherapist and DCSWP Sport Officers in Harold's Cross/Rathmines/Terenure area to run a strength and balance class to reduce falls for the elderly.

All DCSWP highlight programmes will continue to be supported by our social media channels and the DCSWP Virtual Hub. See below:
