A.O.B

Following the DMR Regional Centenary service which took place at the Convention Centre, Spencer Dock, on Thursday, 29 September 2022, the Chairperson offered her thanks for the invitation to represent this Committee at such an important event.

It is so important to acknowledge the work of the Garda Síochána over the past 100 years, to celebrate the milestone in 2022 reached through relationships founded on co-operation, bravery and trust, to pay tribute to the sacrifices made by Garda members and their families to keep us all safe and to honour those who died or suffered in the making of those sacrifices.

This Committee hopes to continue to work with and to support the Garda Síochána in all they do going forward.
