

South Central Area - TAG Meeting Minutes for Noting

(Area Committee Date: 21/06/2023)

Item	Enquiry	Topic	Road	Post	Request Description	Tag Result	Tag Comments	Request By	Received	Sec
1	7008552	P&D/Permit Parking	PIM STREET (SC)	Dublin 8	Permit parking scheme for this location.	Recommended	Accepted at ballot of residents to introduce a Pay & Display & Permit Parking Scheme operating Mon-Sat 07.00-19.00. 8 people on register, 3 votes in favour returned.	Councillor	17/04/2019	2
2	7022757	Yellow Box	KILMAINHAM LANE (SC)	Dublin 8	request a small yellow box to give cyclists access onto Kilmainham,	Recommended	Based on the assessment of the Transport Advisory Group, it is recommended to reconfigure the three perpendicular parking bays outside the Public property no.'s 7 & 8 Kilmainham Lane, D8, in order to create more space between the parking bays and the islands. There will be hatch markings installed in the area between where the parking bays end and the concrete islands to prevent vehicles blocking the pedestrian/cyclist access to Rowerstown Lane. This will negate the need for a yellow box as such.	Member of the Public	22/09/2021	0
3	7030862	Yellow Box	CHAPELIZOD ROAD (SC)	Dublin 8	A yellow box on west lane of junction of R109 and Chapelizod road at the Mullingar house.	Recommended	Based on the assessment of the Transport Advisory Group engineering team, it is recommended to install a Yellow Box on the southern carriageway at the junction of Chapelizod Road with Chapelizod Main Street to improve traffic flow through the junction.	Member of the Public	21/12/2022	0
4	7032300	Double Yellow Lines	KILMAINHAM LANE (SC)	Dublin 8	Double yellow lines.	Recommended	Based on the assessment of the Transport Advisory Group engineering team, it is recommended to install Double Yellow Lines (RRM 008) on the southern carriageway of Kilmainham Lane between No. 8 The High Road and "The Old Royal Oak" pub. The Double Yellow Lines are recommended to be installed to promote safety - safer movement for pedestrians and cyclists and to improve visibility.	Councillor	28/03/2023	0
5	7032414	Yield Sign	GOLDENBRIDGE AVENUE (SC)	Dublin 8	A yield sign for traffic coming from Goldenbridge Avenue would be useful.	Recommended	Based on the assessment of the Transport Advisory Group engineering team, it is recommended to install a Yield Line and Triangular Yield Marking on Goldenbridge Avenue, D8, at the junction with Connolly Avenue, D8.	Councillor	04/04/2023	0
6	7032929	Disab Park Bay Residential	CONVENT LAWNS (SC)	Dublin 10	Disabled parking bay for 61 Convent Lawns.	Recommended	Based on the assessment of the Transport Advisory Group engineering team, it is recommended to install a Disabled Parking Bay in the parking area in front of No. 61 Convent Lawns, Dublin 10.	Member of the Public	08/05/2023	0
7	11123524	Traffic Calming	CLARENCE MANGAN ROAD (SC)	Dublin 8	Request that traffic calming measures are introduced on the road.	Not Recommended	Recently a speed survey was conducted on Clarence Mangan Road, D8.. The resultant 85% percentile speed was found to be 24.5 km/h and has not indicated the presence of speeding vehicles which suggests that the road is compliant with the speed limit. Therefore, the provision of any traffic calming measures are not recommended at this time	Member of the Public	15/06/2022	0

8	11134550	No Parking	COMERAGH ROAD (SC)	Dublin 12	request Cars to be stopped from parking from Hospital.	Not Recommended	Based on the assessment of the Transport Advisory Group engineering team it is recommended that the customer and other residents on Comeragh Road apply for a Pay & Display & Permit parking scheme to discourage parking in the area. The Transport Advisory Group does not recommend installing Double Yellow Lines on both sides of the road as this would remove on-street parking and aggravate the issue of parking in the area. In order for Dublin City Council to consider installing a Pay & Display & Permit parking scheme, 35% or greater of residents on the road need to be in favour of a scheme. The width of Comeragh Road will allow for the installation of one-sided parking scheme and therefore, double yellow lines will be required on the opposite side of the road. Further information on Pay & Display & Permit parking schemes can be found at www.dublincity.ie/residential/parking-dublin-city-centre/start-parking-schem	Member of the Public	15/03/2023	0
9	11135215	No Parking	SAINT MARY'S PARK (SC)	Dublin 12	Request parking restrictions at Saint Mary's Park, Walkinstown, Dublin 12.	Not Recommended	Based on the assessment of the Transport Advisory Group engineering team, the issue of illegal parking is not dealt with by the Transport Advisory Group. This request has been forwarded to Dublin Street Parking Services for enforcement. The Customer can also contact Dublin Street Parking Services (www.dsps.ie) by e-mail: info@dsps.ie or by phone: 01 602 2500 to report illegal parking.	Member of the Public	27/03/2023	0
10	11135518	Pedestrian Crossing	BUNTING ROAD (SC)	Dublin 12	request pedestrian crossing.	Not Recommended	Based on the assessment of the Transport Advisory Group, this request is on Bus Connects route - Greenhills to City Centre. This road is planned to be re-designed as part of the Bus Connects project. All works associated with Bus Connects are funded by the National Transport Authority. Please refer your query to Bus connects at info@busconnects.ie to request this pedestrian crossing be considered for inclusion in the road re-design on the Greenhills to City Centre Bus Connects Route.	Member of the Public	31/03/2023	0
11	7019388	P&D Parking (Rescind)	KILMAINHAM LANE (SC)	Dublin 8	Remove one car parking space to make it possible for pedestrians to continue to walk along Kilmainham Lane.	Not Recommended	Under Enquiry No. 7022757 the Transport Advisory Group has recommended to reconfigure the existing P&D and Permit parking bays on Kilmainham Lane, located at the pedestrian entrance to Rowerstown Lane, D8.	Internal	08/03/2021	0
12	11133222	No Parking	WALKINSTOWN PARADE (SC)	Dublin 12	request yellow box.	Not Recommended	Based on the assessment of the Transport Advisory Group engineering team, it is not recommended to install a yellow box at the northern and southern end of Walkinstown Parade, D12 at property no.'s 26 - 48. The Government of Ireland Traffic Signs Manual, Section 7.9, states that certain criteria must be met before a Yellow Box can be provided. The traffic flow at this location does not meet the criteria for a Yellow Box. It is also not recommended to install 'Residents Only' parking. There is no provision under the Road Traffic Act or Road Traffic (Traffic & Parking) Regulations, for private parking on a public road. If the residents of Walkinstown Parade want to deter non-residential and commuter parking, they can apply to Dublin City Council for a Pay & Display and Permit parking scheme. Please note that at least 35% of residents on the road would need to be in favour of a scheme and provide written evidence of such, in the form of written requests or a signed ballot, to Dublin City Council. See the following link for details:- https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking-	TD	20/02/2023	0
