

To the Members of the Protocol Committee

Comhairle Cathrach
Bhaile Átha Cliath
Dublin City Council

Request for Lighting of City Hall

Earlier in 2023 requests to illuminate City Hall in September, October and November 2023 were approved by the Protocol Committee. The Committee agreed to the following requests.

- Palliative Care Week on 11th September 2023
- International Trigeminal Neuralgia Awareness Day on 7th October 2023
- Awareness for Complex Regional Pain Syndrome on 6th November 2023

However, in recent weeks additional requests for the illumination of City Hall for those months have been received. The agreed lighting policy is to approve twelve lighting requests per year (one per month) although the Members may vary this at their discretion. Outlined below are the additional requests received.

- Children's Health Ireland to mark World Sepsis Day on 13th September 2023
- Shine Irish Mental Health Charity to support Awareness Campaign in September 2023
- Irish Deaf Society to support International Week of the Deaf on 23rd September 2023.
- Recovery Academy Ireland for International Recovery Day on 30th September 2023
- Family Carers Ireland to mark European Carers Day on 6th October 2023
- CARE to mark International Day of the Girl on 11th October 2023
- Stillbirth & Neonatal Death Association of Ireland to support Wave of Light Campaign on 15th October 2023
- Developmental Language Disorder Awareness day on 20th of October 2023
- Bram Stoker Festival to "Go Red" from 26th-30th October 2023 in support of the Festival
- Turkish Embassy in Dublin to mark Turkish National Day on 29th October 2023
- Alzheimer's Awareness Day on 2nd November 2023
