1	7033514	TAG General Engineer Query	BALBUTCHER WAY (NW)	Dublin 11	arrange for traffic markings at junction of Balbutcher Way and Cranogue Terrace to indicate priority	Recommended	Recommended previously: TheTransport Advisory Group, at its meeting on the 29th August, 2023 recommended a Yield Sign with an associated Yield Line and a continuous white line in Cranogue Terrace, at the junction with Balbutcher Way. The signage was installed in October 2023.	Councillor	09/06/2023	0
2	7035072	TAG General Engineer Query	BALCURRIS ROAD (NW)	Dublin 11	regarding car park at LIDL.	Recommended	The Area Engineer cannot install any traffic measures in the Lidl car park as it is private property and not in charge of DCC. On street parking on Balcurreis Road offers traffic calming by physically narrowing the carriageway and reducing the speed on the road. However, to provide a better visibility for vehicles exiting Lidl, the area engineer recommends a short length of double yellow lines on the north side of the entrance toLidl.	Councillor	18/09/2023	0
3	11144801	Stop Sign	CASEMENT ROAD (NW)	Dublin 11	request Stop sign & road markings.	Recommended	In order to make the junction of Casement Road/North Road (west of roundabout) safer, the area engineer recommends the replacement of the Yield Sign and associated Yield Lines, for a Stop Sign accompanied by a Stop Line and supplemented by a worded STOP Marking. It's also recommended to repaint the hatched marking at the buildout where the Stop Sign is located.	Internal	02/10/2023	0
