6	7037597	Parking Restrictions	SAINTE BRIGID'S ROAD LOWER (C)	Dublin 9	request parking restrictions at the laneway. Not Recommended	After an inspection, it was noted that there are 3.5t maximum gross weight signs on both entrances to Broombridge Road, at the junction with Ballyboggan Road and Faussagh Avenue, that indicate vehicles whose gross weight exceeds that specified on the signs are prohibited, considering exemptions enshrined in the Regulation, which allow the use of the roads for access. As there is an industrial estate on Broombridge Road, it is harder to enforce through traffic, since all the HGV's could claim to be heading into the industrial estate. However, any illegal 3.5t through traffic on the road should be reported to the Gardaí as it should be enforced under the road traffic regulations.	Member of the Public	27/06/2023	0

15	11148901	Parking Restrictions	ANNAMOE PARADE (C)	Dublin 7	request parking restrictions.	Not Recommended	<p>After a site inspection, no illegal parking was observed on Annamoe Parade. Recently, 'No Parking' signs were recommended on both sides of the laneway. For health and safety issues, and after consulting with the parking enforcement team, it is not recommended Pay &amp; Display parking, as the laneway has no footpath and no safe place for drivers to leave the place.</p> <p>Under the current Road Traffic Regulations, Section 36 paragraph "(2) A vehicle shall not be parked— (c) within 5 metres of a road junction; (g) in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;</p> <p>Please note that instances of illegal parking should be reported to Dublin Street Parking Services, the City Council's parking enforcement contractor (Ph: 01-602 2500 or Email parkingenforcement@dublincity.ie), or to the local Gardaí, as it is a matter for enforcement under the Road Traffic Regulations.</p> <p>Annamoe Parade is being enforced regularly, and the officers will continue to do so.</p>	Councillor	27/11/2023	2

17	11151910	Bus Lane	SAINT PATRICK'S ROAD (C)	Dublin 9	request traffic calming.	Not Recommended	<p>Saint Patrick's Road is currently traffic calmed with on street parking and a mini-roundabout, which is included in a works program for an upgrade including buildouts and a raised Central Island, in order to create a traffic calming measure on the road. The works are scheduled to start in the next few months.</p> <p>No other traffic calming is recommended on Saint Patrick's Road. The closure of a road has considerable drawbacks associated with it, as it can cause inconvenience to local residents and other road users, operational difficulties for emergency services, waste disposal and deliveries. As it would be necessary to have a public consultation with the residents, they should apply for a Neighbourhood Scheme on <a href="https://citizenhub.dublincity.ie">https://citizenhub.dublincity.ie</a> website.</p>	Member of the Public	22/01/2024	0
18	11151912	Bus Lane	MANNIX ROAD (C)	Dublin 9	extend hours of the No Right Turn.	Not Recommended	<p>The measures available to combat rat running include turn bans, no entry, one way systems and cul-de-sacs. The Transport Advisory Group only recommends road closures and one way systems in exceptional circumstances as they have considerable drawbacks associated with them, as it can cause inconvenience to local residents and other road users, operational difficulties for emergency services, waste disposal and deliveries, increase traffic speeds and it can result in increased volumes of traffic on other local streets as traffic is displaced.</p> <p>As this kind of works requires public consultation with the residents, a Neighbourhood Traffic Scheme is necessary. There is currently a similar request for the neighbourhood scheme engineer, therefore, no other measure is recommended by the Transport Advisory Group.</p>	Member of the Public	22/01/2024	0

20	11154672	No Parking	VILLA PARK AVENUE (C)	Dublin 7	request double yellow lines.	Not Recommended	<p>Parking restrictions are not recommended on Villa Park Avenue. On-street parking acts as traffic calming, reducing available carriageway width, raising drivers caution and reducing the speed.</p> <p>It is not the policy of Dublin City Council to provide parking restrictions where restrictions are already covered under the law.</p> <p>Under the current Road Traffic Regulations, Section 36 paragraph "(2) A vehicle shall not be parked— (c) within 5 metres of a road junction; (g) in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises; (i) on a footway, a grass margin or a median strip.</p> <p>Please note that instances of illegal parking should be reported to Dublin Street Parking Services, the City Council's parking enforcement contractor (Ph: 01-602 2500 or Email <a href="mailto:parkingenforcement@dublincity.ie">parkingenforcement@dublincity.ie</a>), or to the local Gardaí, as it is a matter for enforcement under the Road Traffic Regulations.</p> <p>If residents wish to formalise parking on this road they can apply for a Pay &amp; Display/Permit parking scheme on the link below. <a href="https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking">https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking</a>.</p>	Member of the Public	27/02/2024	0
21	11154733	Speed Ramps	CAPEL STREET (C)	Dublin 1	request ramps.	Not Recommended	<p>Ramps are not recommended on Capel Street, as ramps are used to deter speed of cars and heavy vehicles. Dublin City Council does not have any standard or an intention to create a standard ramp to reduce speed of e-bikes and e-scooters.</p> <p>There are works underway at present to encourage more pedestrians to use all areas of Capel Street which should reduce the space and straightness of the road for cyclists and slow them down.</p>	Member of the Public	28/02/2024	0
22	11155095	No Left Turn (Rescind)	HOME FARM ROAD (C)	Dublin 9	request to rescind the No left turn from Home Farm Road on to Drumcondra Road.	Not Recommended	<p>The Left Turn ban from Home Farm Road onto Upper Drumcondra Road was introduced to facilitate the pedestrian crossing of Upper Drumcondra Road, just north of Home Farm Road.</p> <p>If the ban was to be removed, an additional cycle on the lights would be required to ensure vehicles exiting Home Farm Road did not conflict with pedestrians crossing the Upper Drumcondra Road. Drumcondra Road upper is part of the Swords to City Centre Bus Connects Scheme and an additional cycle would cause unacceptable delays.</p>	Member of the Public	05/03/2024	0

36	11157619	No Parking	MABEL STREET (C)	Dublin 3	regarding parking restrictions.	Not Recommended	<p>Currently, it is not Dublin City Council's policy to provide parking restrictions where it is already covered under the law or where another restriction is in place. Under The Road Traffic (Traffic &amp; Parking) Regulations, Section 36 paragraph "(2) A vehicle shall not be parked - ( c ) within 5 metres of a road junction; ( d ) on a section of roadway with less than 3 traffic lanes and where traffic sign number RRM 001 [continuous white line] has been provided." Parking restrictions are currently in place. Multiple restrictions at the same location may lead to a conflict of restrictions and cause confusion for people and for enforcement.</p> <p>Additionally, it is not recommended to shorten the white line at the junction, as the minimum length required on roads wide like Mable Street is 8m, according to the Traffic Signs Manual. This is required to grant enough visibility at corners, and to prevent the blockage of the sight of vision.</p> <p>If residents wish to solve the problems of parking, and formalize parking on the road, they can apply for a Pay &amp; Display/Permit parking scheme on the link below.</p> <p><a href="https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking">https://www.dublincity.ie/residential/parking-dublin-city-centre/start-parking</a>.</p>	Minister	16/04/2024	0

40	11158393	Pedestrian Crossing (Rescind)	NAVAN ROAD (C)	Dublin 7	request to Replace the current pedestrian light to a fully functional electronic traffic light system.	Not Recommended	<p>It is not recommended any changes on the current layout of the traffic lights, as Navan Road is part of a BusConnects (Blanchardstown to City Centre) project that will support integrated sustainable transport usage through infrastructure improvements for active travel (both walking and cycling), and the provision of enhanced bus priority measures for existing and all future services who will use the corridor.</p> <p>The junction with Skreen Road is included for an upgrade. Not Recommended	It's not recommended to rescind the speed ramp on Clare Road, as it is a traffic calming measure provided to prevent speeding vehicles on this residential road. A speed bump does not obstruct cars from parking on the road. Recently a Pay & Display/Permit Parking scheme was installed on the road, and the speed ramp does not interfere on it. 42	11160186	Double Yellow Lines	VILLA PARK GARDENS (C)	Dublin 7	request double yellow lines.	Not Recommended	It's not recommended to install double yellow lines outside apartments 1-5 Gardai on Villa Park Gardens. Almost the entire length of the requested location are driveways. 43	11160341	Right Turn Only Lane (Rescind)	AMIENS STREET (C)	Dublin 1	request rescindment of right turn only lane.	Not Recommended	Amiens Street is currently under the Clontarf to City Centre Active Travel Scheme works constructions, and people may face some inconveniences while transiting the areas where are under construction. 45	11161393	Disab Park Bay Resid (Rescind)	AVONDALE AVENUE (C)	Dublin 7	request to rescind disabled parking bay outside 20.	Recommended	After an assessment, it was noted that the disabled parking bay outside property No. 20 on Avondale Avenue is no longer required. Therefore, it is recommended to remove the disabled parking bay, and install a Pay & Display/Permit Parking instead. Dublin City Council does not provide numbered parking spaces on a public road. There is no demarcated space on Pay & Display/Permit Parking bays, anyone is eligible to park in a Pay & Display bay, as long as they pay and display.	Member of the Public	25/06/2024	0
46	11163111	Speed Ramps	SUMMERHILL (C)	Dublin 1	request traffic calming.	Not Recommended	Summerhill has a 50Km/h speed limit, and it is an arterial rout for bus services and emergency response vehicles. Therefore, it is not recommended speed ramps on this road. Speed ramps are not effective in preventing joy-riding, as it can have the opposite effect. Dangerous driving and anti-social behaviour are a matter of enforcement by An Garda Síochána. This issue will be raised at the next TAG meeting with An Garda Síochána for possible solutions and enforcement measures at this location.	Member of the Public	29/07/2024	0
