

To the Chairperson and Members
Of Central Area Committee

10th September 2024

**With reference to a Naming and Numbering proposal for a development to rear of
176 Botanic Road, Glasnevin, Dublin 9.**

Development information:

The development will consist of the construction of one two-storey mews house, one first floor terrace, one on-site parking space, site boundaries and ancillary landscaping.

The proposed name is follows:

Teach na Darach / Oak House

The proposed name for the scheme is 'Teach na Darach / Oak House'. The applicant advised that their Architects, Michael McGarry and Siobhain Ni Eanaigh designed the house to take into account the Botanic Gardens with their curved historic glass houses, in particular the great Palm House and modern buildings nearby. The edges of the house are curved to reflect the glass houses and library which is clad in Irish Oak hence, they are cladding the house in oak so when you look towards the house and toward the gardens you get the impression of something horticultural like a garden screen. The roof of the house is also topped with Sedum to add to that horticultural effect.

The address will be as follows:

Teach na Darach / Oak House
Botanic Lane
Glasnevin
Dublin 9

See attached map Index No. SM-2024-0366.

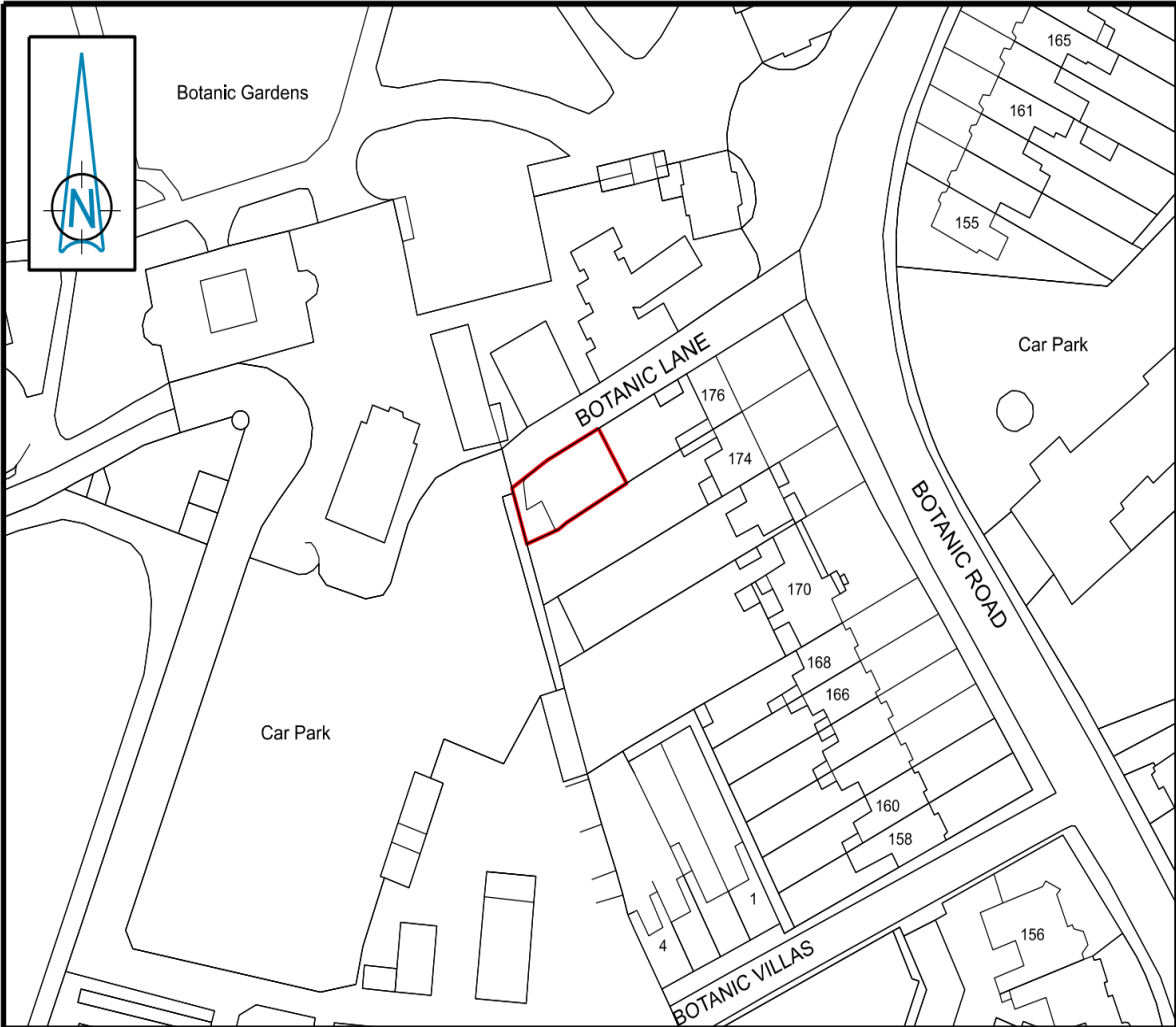

Heritage Officer Report

The City Councils' Heritage Officer has considered the proposed name and gives a recommendation that the above-mentioned name is appropriate and the Irish translation has been supplied by the Council's Irish Office.

Recommendation:

The naming and numbering details as set out above are considered suitable and are recommended for adoption.
