1	7040506	TAG General Engineer Query	BALLYGALL PARADE (NW)	Dublin 11	regarding speed ramps.	Not Recommended	Ballygall Parade is currently traffic calmed with the provision of 6 No. Speed ramps, 2 No. mini-roundabouts, on-street parking and 30km/h Slow zone signs which warns motorists that it is a residential area and to expect children. During the past years, the speed cushions on Ballygall parade were replaced by full ramps. The ramps are appropriately spaced to offer optimum traffic calming. As per the traffic management guidelines it is poor design to have traffic calming features that are spaced too close as it encourages harsh braking and consequent heavy acceleration in between. Ballygall Crescent is currently traffic calmed with 5 No. Speed ramps, 2 No. mini-roundabouts, on street parking and 30km/h Slow Zone signs. A recent speed survey did not indicate the presence of speeding on the road. It is therefore not recommended to install additional speed ramps on those roads.	Councillor	10/07/2024	0
2	11160354	Double Yellow Lines	OLDTOWN AVENUE (NW)	Dublin 9	request double yellow lines.	Not Recommended	It is not recommended to install double yellow lines on this section of Oldtown Avenue. The road is 7.10m wide, enough to accommodate parking on both sides of the road. Restricting parking on the road would increase the speeds and consequently make the road more dangerous. Under the Road Traffic (Traffic and Parking) Regulations, Section 36, paragraph (2), "a vehicle shall not be parked... ( c ) within 5 metres of a road junction. Please note that instances of illegal parking should be reported to Dublin Street Parking Services, the City Council's parking enforcement contractor (Ph: 01-602 2500 or Email parkingenforcement@dublincity.ie), or to the local Gardaí, as it is a matter for enforcement under the Road Traffic Regulations.
